Notice to cease mining at Wongawilli Colliery

Following underground inspections by the mine inspectors from the Natural Resources and Mining Regulators - Health and Safety last week, the Company has received a prohibition notice to cease all mining activities pending complete risk assessment and adequate control measures are put in place, and accepted by the department/regulators. The areas of concerns included strata roof supports and risk associated with the conveyor systems.

The Company has ceased all mining activities and focusing on undertaking complete risk review, which may take next few weeks.

For further details, please contact the Company Secretary.
