\$75m personal loan facility approved

FSA Group offers non-conforming personal loans to assist clients with the purchase of a motor vehicle. Our personal loan pool was \$58 million at the end of March 2019.

FSA Group is pleased to announce that Westpac Banking Corporation has approved a structured senior personal loan facility of \$75 million to support future growth. Formal documentation has been agreed and entered into by the parties. This facility will replace the \$45 million corporate facility.

The \$75 million facility will allow us to grow our personal loan pool to over \$100 million.
