Dear Shareholders,

Investment by parties associated with the Company and the Manager

Following the recent acquisition of shares in the Company by Antipodes Partners Limited (the **Manager**) and executives of the Manager, the collective holding of shares in the Company by the directors of the Company, the Manager, directors and executives of the Manager and Pinnacle Investment Management Group Limited (minority shareholder of the Manager) as at 10 April 2019 is now in excess of 5 million shares.

These parties associated with the Company and the Manager are committed to being long term investors in the Company and increasing their holdings over time.

Yours sincerely,

Calvin Kwok
Company Secretary
