FirstWave announces the appointment of Jason Singh as Chief Financial Officer

Highlights:

- Experienced public company finance director with multinational technology-sector experience
- Has held an executive position at FirstWave for the past 12 months as the Head of Finance
- This appointment is consistent with the company's growth strategy of expanding and scaling operating execution, and will support the board and CEO with investor and stakeholder relations

Leading Australian Cloud Security technology company, **FirstWave Cloud Technology Limited (ASX: FCT) (FirstWave** or **Company)**, is pleased to announce the appointment of Mr Jason Singh as Chief Financial Officer (CFO). Mr Singh currently holds the position as Head of Finance for the Company.

Mr Singh has over 18 years' experience in senior finance positions in both public and private companies as well as big four professional service firms; Ernst and Young and PriceWaterHouse Coopers. Prior to joining FirstWave Mr Singh was the Global Finance and Analysis Director for Isentia and has also held lead finance roles for dnata Australia, Auspost and Henkel NZ.

Commenting on the appointment, FirstWave CEO David Kirton said: "Jason has made a positive impact on FirstWave since his appointment in March 2018. He is a strong and experienced finance professional, bringing the right cultural alignment and drive to FirstWave as we progress through the 'expand and scale' phases of our five-year strategic plan. I am excited that Jason has accepted the role of CFO at FirstWave and look forward to the impact he will have on the organisation."
