Change of share registry provider

Mainstream Group Holdings Limited (**ASX: MAI**) advises that its share register will transfer internally from ShareBPO Pty Ltd (ShareBPO) to Mainstream Fund Services Pty Ltd (Mainstream Fund Services) effective start of business Thursday, 18 April 2019.

The change is due to an internal restructure and rebranding where the Group's listed registry services will be provided as part of the Company's Fund Services division, rather than as a stand-alone entity.

Mainstream sees an emerging trend of convergence between listed and unlisted registry services and intends to offer an integrated offering to fund managers and wealth companies.

Introduction of Web Portal

With this change in share registry, shareholders can now access their shareholding information online.

Shareholders can register to update and manage their holding online:
