Dear Ms Chiu

The directors of PainChek Limited hereby request a trading halt of the company's securities.

The reason for the request is due to an expected government announcement of a material funding of a proposed national trial of PainChek® technology.

The trading halt is requested until an announcement is made to the market which is expected prior to the opening of trading on Tuesday 30th April 2019.

The company is not aware of any reason why the trading halt should not be granted.

Yours faithfully

Ian Hobson
Company Secretary
