

ASX RELEASE

MMR Corporate appointed as advisor to drive investor awareness

Luxembourg, 7th May 2019: Kleos Space S.A. (ASX:KSS, Frankfurt:KS1), (**Kleos** or **Company**) space-powered Radio Frequency Reconnaissance data provider, is pleased to announce that it has engaged corporate advisory firm MMR Corporate Services Pty Ltd (**MMR Corporate**) as investor relationship advisors to develop Kleos' international investor market profile.

MMR Corporate will act as media and investor relationship advisors to Kleos as it implements its business model. Under MMR Corporate's engagement with Kleos they will closely work with its CEO Andy Bowyer and his corporate team.

MMR Corporate's brief includes providing Kleos with advice on media and investor engagement, as well as providing Kleos with general corporate advisory services.

MMR Corporate offers a comprehensive corporate advisory service for start-ups, private companies and ASX listed companies. It also has a strong track record in raising early stage capital, as well as capital for advanced projects. It is headquartered in Sydney, Australia.

Kleos CEO, Andy Bowyer said, "Kleos has engaged MMR Corporate to assist the Company in reaching out to investors and media in articulating the Company's business. Kleos is about to reach a significant milestone and we will see first revenues with the launch of the Kleos Scouting Mission in the coming months.

"We look forward to working closely with the MMR Corporate team to deliver successful outcomes for the benefit of the Company and our shareholders."

About Kleos Space S.A.

Kleos Space S.A. (ASX: KSS) is a space enabled, activity-based intelligence, data as a service company based in Luxembourg. Kleos Space aims to guard borders, protect assets and save lives by delivering global activity-based intelligence and geolocation as a service. The first Kleos Space satellite system, known as Kleos Scouting Mission (KSM), will deliver commercially available data and perform as a technology demonstration. KSM will be the keystone for a later global high capacity constellation. The Scouting Mission will deliver targeted daily services with the full constellation delivering near-realtime global observation. – www.kleos.space.
