Communications Policy

As a policy, because of the heavy demands on limited management resources and to ensure compliance with continuous disclosure requirements, AHF does not respond to individual security holder communications regarding the management of the business, the company or with respect of any opinion or analysis that is not contained in market releases and released financial reports. For further information regarding our shareholder communications policy, please refer to AHF's website: www.adfl.com.au.

About Australian Dairy Nutritionals Group

Australian Dairy Nutritionals Group (AHF) was Australia's first ASX listed dairy farmer. Its initial focus was on aggregating high quality dairy farms in the South Western region of Victoria with particular emphasis on the famous Dairy Golden Triangle between Warrnambool and Colac south of the Princes Highway.

In April 2016 the Group completed the acquisition of its processing facility Camperdown Dairy Company Pty Ltd. The Group is now a vertically integrated milk producer, processor and product distributor in Australia and for export.

Disclaimer – Forward Looking Statements

This announcement may include "forward looking statements" within the meaning of securities laws of applicable jurisdictions. These forward-looking statements are not facts but are based on AHF's current expectation, estimates and projections about the industry in which it operates, and beliefs and assumptions. Forward looking statements may include indications of, and guidance on, future earnings, financial position and performance and involve risks, uncertainties and other factors, many of which are beyond the control of AHF, and its officers, employees, or associates, that may cause actual results to differ materially from such forward-looking statements. Readers are cautioned not to place undue reliance on forward looking statements.
