ALS releases 2019 Sustainability Report

ALS Limited (ASX Code: ALQ) is proud to release its Sustainability Report for 2019.

The report provides an overview of ALS's sustainability initiatives, activities and achievements over the 2019 financial year ended 31 March 2019.

Highlights from the 2019 report include:

- Safety: A further 25% reduction on our previous record low injury rate.
- Environment: Strong progress on our 3-year energy intensity target.
- Employment Growth: Over 1400 new employees joined the company.

ALS Managing Director and CEO Raj Naran said, "Our strategy and approach to sustainability is now increasingly at the core of who we are as a business. Overwhelmingly we have met the majority of the targets we set ourselves on our Sustainability Scorecard for 2019 in all of our 4 sustainability pillars of People, Environment, Society and Governance. To me personally, our commitment to sustainability reflects the true culture of ALS."
