The announcement of the dividends is in line with the Board's stated policy to pay regular monthly dividends from available profits, provided it has sufficient reserves and it is permitted by law and within prudent business practices to do so.

Dr Don Hamson, Director of PL8 and Managing Director of Plato Investment Management Limited (the manager of PL8), said *"With cash rates at an historic low of 1%, the search for income from traditional cash and bonds has never been tougher. Fortunately for investors, dividends from Australian companies are strong, enabling Plato Income Maximiser to pay a strong monthly cash dividend income stream to shareholders plus the benefit of franking credits."*
