Dear Mr Smythe

REQUEST FOR VOLUNTARY SUSPENSION

As you are aware, Axiom Mining Limited ('Axiom' or 'the Company') was placed in a trading halt on Monday, 27 May 2019, and subsequently requested suspension of its securities from 29 May 2019 to 23 July 2019. We note the company requires additional time to complete the capital raising and other disclosure requirements and requests a further suspension.

In accordance with ASX Listing Rule 17.2, Axiom now requests to extend the voluntary suspension of its shares and provides the following:

1. The suspension is requested pending the release of an announcement to the market in relation to the completion of a capital raising. The suspension is requested, as otherwise trading in Axiom's securities may occur in an uninformed market.
2. Axiom requests the securities remain in suspension until the earlier of the announcement to the market or the recommencement of trade in the Company's securities on Wednesday, 7 August 2019.
3. Axiom is not aware of any reason why its securities should not be suspended.

Yours sincerely

Brent Hofman
Local Agent
