25 July 2019

Xenith Shareholders approve Scheme of Arrangement

At the scheme meeting of Xenith IP Group Limited (ASX:XIP) (**Xenith**) held today, Xenith shareholders have voted in favour of the scheme of arrangement under which it is proposed that IPH Limited ACN 169 015 838 (**IPH**) will acquire all of the Shares in Xenith that it does not already own for a combination of cash and scrip consideration.

Xenith IP Chair Sibylle Krieger said, "I am delighted with the result of the Scheme Meeting and what the outcome represents for Xenith shareholders, employees and clients. By combining Xenith's leading IP businesses with the scope and scale of the IPH Group, all of Xenith's stakeholders now have the opportunity to participate in the success of a much larger operation.

"The significantly larger scale of the combined group will provide greater capacity to fulfil the strategies previously communicated to Xenith Shareholders, including a focus on the growth opportunities in Asia. Increased scale also provides a broader base for the enhancement of technology systems and the provision of additional training and other career enhancements, to the benefit of clients and staff.

"The process for Xenith to reach this point has been long and occasionally unpredictable. I would like to thank all of Xenith's shareholders and employees for their patience, understanding and steadfast focus during a year dominated by M&A activity. I would also like to thank Xenith's shareholders for the overwhelming support they have shown for the recommendation of the Xenith Board in respect of the IPH acquisition.

"I pay tribute to my fellow directors and the Company's senior management team for their contribution to the transformation of a number of private partnerships into a successful listed IP services group worthy of acquisition by the largest listed player in the sector. The acquisition will result in the delivery of optimum value to Xenith's shareholders."
