Dear Melissa

Request for Trading Halt

Warrego Energy Limited (Warrego) requests an immediate trading halt be granted by the Australian Securities Exchange (ASX) with respect to its ordinary shares.

In accordance with ASX Listing Rule 17.1 Warrego advises:

- the suspension is necessary to enable Warrego to compile testing and logging results from its West Erregulla-2 well;
- the trading halt is to last until the earlier of the Company announcing its testing and logging results, or the commencement of trade on 1 August 2019;
- it is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely

Ian Kirkham
Company Secretary
Warrego Energy Limited
