Fully Franked Final Dividend – 2.7 cents

Ashley Services Group Limited (ASX: ASH), would like to announce to the market that the Board has today declared a final fully franked dividend of 2.7 cents per share in relation to the 2019 financial year.

Whilst the result for 2019 is not yet finalised, the Board have deemed there to be sufficient clarity to allow them to make the dividend declaration at this time.

This dividend is consistent with announcements made at the time of the release of our first half 2019 financial results, which flagged similar timings to the FY18 dividend, subject to board assessment in late FY19, taking into consideration the second half operational performance.
