JANISON APPOINTS NEW CHIEF TECHNOLOGY OFFICER

The Board of **Janison Education Group Limited (ASX:JAN)** ("**Janison**" or the "**Company**"), an education technology pioneer transforming the way people learn, is pleased to announce the appointment of **Mr George Gorman** as the new **Chief Technology Officer ("CTO")**.

After retaining an executive talent agency in 2018 and conducting a thorough search and evaluation process spanning more than six months Janison is pleased to announce the appointment of Mr George Gorman as the new Janison CTO to oversee the growing technological demands of the business.

Software development and support at Janison encompasses over 100 full time engineers based across Australia and Vietnam. To ensure effective collaboration across the full development and execution lifecycle including Architecture and Design, Project Management, Infrastructure/ Deployment, Software Development and Product Development Janison requires a seasoned technology leader at the helm.

Mr Gorman's key responsibilities will be to establish the technology vision for the Company and to work closely with the CEO and executive team on delivering this vision as the business continues to further productise its offering and focus on growing recurring revenue in its target markets.

Mr Gorman is a seasoned professional who has helped leading companies with major technology transformation programs. Over the past 20 years Mr Gorman has led a number of high-profile projects including online travel giant Lastminute.com, SaaS Securities platform companies IHS Markit & GBST, ANZ Wealth, Qantas Loyalty, Westpac Online Banking and recently Transport for NSW.

Mr Gorman started his career as a developer and following a background in Solution Architecture he later progressed into technology management. Mr Gorman is a Member of the Australian Institute of Project Management (MAIPM) and an Agile SCRUM Master and brings a wealth of project and technology experience to the role.

Originally from Northern Ireland, Mr Gorman relocated to Sydney 10 years ago.

"We are very excited about the appointment of George to the leadership team of Janison. I believe he will make a significant impact on the future success of our business and comes at the perfect time as we scale Janison and continue our international expansion" said Tom Richardson, CEO of Janison Education Group.

About Janison Education Group

Janison is an education technology pioneer transforming the way people learn and provides two primary offerings in the education technology industry.

- **Janison Learning** – a leading integrated learning business that is used by large enterprise and government departments to build capability in their people.
 - **Janison Assessment** – a leading global platform for the provision of digital exam authoring, testing and marking which is sold to national education departments, tertiary institutions and independent educational institutions.
-
