LiveTiles Learning launched in partnership with GO1.com

- Strategic partnership with GO1.com to launch the LiveTiles Learning platform and jointly pursue commercial opportunities
- LiveTiles' Intelligent Workplace and Talent Management capabilities will be integrated with GO1's learning marketplace to provide an enhanced employee experience with an outstanding learning and development offering
- GO1 is the world's largest online learning and development marketplace, providing businesses with the simplest way to find, book and deliver corporate training
- Expands the opportunity for both parties to grow their existing customer footprint and fast-track significant commercial opportunities through cross-selling and joint sales initiatives

LiveTiles Limited (ASX:LVT) (LiveTiles or the Company), a global software company that empowers its users to create their own intelligent workplace experiences, is pleased to announce a strategic partnership with GO1.com, the world's largest online compliance, professional development and training marketplace.

Under the partnership, LiveTiles will combine its intelligent workplace technology with GO1.com's online platform to offer targeted learning solutions based on an employee's profile, leveraging the artificial intelligence capabilities of LiveTiles' Intelligent Directory, powered by LiveTiles' Hyperfish product. Providing enterprises with an end-to-end training and learning solution, this additional capability will be a valuable resource to support employee onboarding, tracking and ensuring compliance with regulatory training requirements and for the ongoing training and development of staff. Companies will be able to create their own courses and create intuitive, sophisticated reporting to stay on top of their team's growth plus select from a catalogue of over 500,000 courses developed from local and international experts.

GO1.com provides online training and development services to over 1.5 million learners from more than 1,000 organisations, including major global companies such as Hasbro and Thrifty. The partnership significantly expands LiveTiles' potential reach into GO1.com's established customer base.

The strategic partnership paves the way for both parties to grow their existing global customer footprint, pursue more significant opportunities together and bring innovation to market quicker.

Andrew Barnes, GO1.com co-founder and CEO, said: "We're really excited to partner with LiveTiles to create a truly innovative way in which training and professional development can be transformed in the Enterprise. The LiveTiles platform will create new channels to market for us and positions firmly in the center of creating organizations with the best people, the best culture enjoying the best employee experiences available."

Karl Redenbach, LiveTiles co-founder and CEO, said: “This is yet another partnership which further enhances our intelligent workplace offering by providing an intelligent employee learning and development solution for enterprises. We expect the integration of GO1’s leading online learning offering, combined with its strong global customer base will drive new commercial opportunities for LiveTiles in support of our accelerated growth plans.”
