## SPARK INFRASTRUCTURE DISTRIBUTION REINVESTMENT PLAN

Spark Infrastructure announces the details associated with its Distribution Reinvestment Plan (DRP) in relation to its interim distribution in respect of the half year ended 30 June 2019 (HY2019 Distribution).

The issue price for stapled securities to be issued under the DRP for the HY2019 Distribution is \$2.1274 per stapled security (including a 2% discount).

The DRP received good support from Securityholders with 28.4% of the stapled securities participating, raising new equity of approximately \$35.8 million.

Approximately 16.8 million new stapled securities will be issued under the DRP on the allotment date on Friday, 13 September 2019.

The new stapled securities will rank equally with existing stapled securities and will participate fully in distributions for the period in which they are issued.
