

Freedom Oil & Gas Voluntary Suspension Update and Eagle Ford Shale Completions

Houston, Texas – September 12, 2019: Freedom Oil & Gas Ltd (ASX: FDM, US OTC: FDMQF) (“Freedom”) advises that it is not in a position to make an announcement at this time regarding a proposed capital raising (**Announcement**) as referenced in its trading halt request of 6 August 2019 (AEST) and voluntary suspension request of 8 August 2019 (AEST). Freedom expects that it will be in a position to release the Announcement by no later than Friday 27 September 2019.

As previously announced, Freedom has begun and continues with completion operations on three Eagle Ford Shale wells (the TAMU 1H, TAMU 2H and TAMU 4H wells) drilled on its Eagle Ford acreage in Dimmit County, Texas. Completion operations are proceeding as planned and are expected to take approximately two to three weeks with earliest oil and gas production expected in mid-October 2019.
