## **ACCC extends review of proposed sale of Australian Bulk Liquid Terminals**

GrainCorp Limited ("GrainCorp") notes the Australian Competition and Consumer Commission's ("ACCC") update to the mergers register, noting that it has extended its review of the proposed sale of GrainCorp's Australian Bulk Liquid Terminals assets to ANZ Terminals, which GrainCorp announced to the market on 4 March 2019.

The ACCC has advised that the proposed date for an announcement of the ACCC's decision on the proposed sale has been extended by a period of two weeks, from 17 October 2019 to 31 October 2019. The proposed sale also remains subject to other conditions, including Foreign Investment Review Board approval, and GrainCorp and ANZ Terminals are working productively towards the satisfaction of these other conditions.
