¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found.

Prin	ciple	Complies	Note
Principle 1 – Lay solid foundations for management and oversight			
1.1	Establish the functions expressly reserved to the Board and those delegated to management and disclose those functions.	✓	See the Board Charter on the company's website.
1.2	Undertake appropriate checks before appointing a person as a director and provide shareholders with all material information relevant to a decision on whether or not to elect or re-elect a director.	✓	See the Board Charter on the company's website.
1.3	Have a written agreement with each director and senior executive setting out the terms of their appointment.	✓	See the Board Charter on the company's website.
1.4	The company secretary should be accountable directly to the Board on all matters to do with the proper functioning of the Board.	✓	See the Board Charter on the company's website.
1.5	Establish a diversity policy and disclose the policy or a summary of that policy. The policy should include requirements for the Board to establish measurable objectives for achieving gender diversity and for the Board to assess annually both the objectives and progress in achieving them.	*	The Nomination Committee has concluded that at this stage of the Company's development it is not appropriate to establish a formal diversity policy due to the limited number of employees.
1.6	Have a process for periodically evaluating the performance of the Board, its committees and individual directors, and discloses that process and, at the end of each reporting period, whether such performance evaluation was undertaken in that period.	✓	The Board conducted a Board Performance Evaluation in September 2019 which included the role, composition, operation and performance of the Board.
1.7	Have a process for periodically evaluating the performance of the Company's senior executives, and disclose that process and, at the end of each reporting period, whether such an evaluation was undertaken.	✓	See the Board Charter on the company's website.

Principle 2 – Structure the Board to add value			
2.1	The Company should have a Nomination Committee, which has at least three members, a majority of independent directors and is chaired by an independent director. The functions and operations of the Nomination Committee should be disclosed.	×	Given the current nature and scale of OtherLevels' activities, the Company considers it appropriate that the full Board should undertake the responsibilities of the Nomination Committee.
2.2	Have and disclose a board skills matrix, setting out what the Board is looking to achieve in its membership.	*	The Board revised its skills matrix in 2017, identifying the desired skills and competencies of directors prior to the search and appointment of Cris Nicolli or 1 January 2018. The Board considers that its current practice of identifying skills and competencies are appropriate for the needs of the Company, taking into account the size of its operations, board structure and composition.
2.3	Disclose the names of the directors that the Board considers to be independent directors, and an explanation of why the Board is of that opinion, if a factor that impacts independence applies to a director and disclose the length of service of each director.	√	See the attached Directors' Report.
2.4	A majority of the Board should be independent directors.	×	The current size and scope of the Company's activities do not justify the appointment o additional directors at this stage.
2.5	The chair of the Board should be an independent director and should not be the CEO.	×	The Board believes the deemed non-independence of the Chairman does not impede proper oversight of the CEO / Managing Director by the Chairman.
2.6	There should be a program for inducting new directors and providing appropriate professional development opportunities for directors to develop and maintain the skills and knowledge needed to perform their role as a director effectively.	✓	See the Board Charter on the company's website.

Prin	ciple 3 – Act ethically and responsibly		
3.1	Have a code of conduct for the Board, senior executives and employees, and disclose that code or a summary of that code.	✓	See the Code of Conduct contained in the Board Charter on the Company's website.
Prin	ciple 4 – Safeguard integrity in corporate reporting		
4.1	The Company should have an Audit Committee, which consists of only non-executive directors, a majority of independent directors, is chaired by an independent chairman who is not chairman of the Board and has at least three members. The functions and operations of the Audit Committee should be disclosed.	√	Effective 1 January 2018 the Audit and Risk Management Committee consisted of only non-executive directors the majority of which are independent, including the chair.
4.2	The Board should, before approving financial statements for a financial period, receive a declaration from the CEO and CFO that, in their opinion, the financial records have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Company, formed on the basis of a sound system of risk management and internal controls, operating effectively.	✓	This is consistent with the approach adopted by the Board and the Audit and Risk Management Committee.
4.3	The Company's auditor should attend the AGM and be available to answer questions from security holders relevant to the audit.	✓	OtherLevels' auditor is requested to attend its AGM and shareholders are invited to ask questions.
Prin	ciple 5 – Make timely and balanced disclosure		1
5.1	Have a written policy for complying with continuous disclosure obligations under the Listing Rules and disclose that policy or a summary of it.	√	See the Continuous Disclosure Policy on the Company's website.
Prin	ciple 6 – Respect the rights of security holders		
6.1	Provide information about the Company and its governance to investors via its website.	√	The Board Charter and other applicable policies are on the Company's website.
6.2	Design and implement an investor relations program to facilitate effective two-way communication with investors.	✓	The Company provides regular financial and operational updates to shareholders to facilitate effective two-way communication. To that end, the Company produces a financial calendar announcing

	State dovernance statement		
6.3	Disclose the policies and processes in place to facilitate and encourage participation at meetings of security holders.	*	the release dates of its financial results and market updates, operational (i.e. non-financial) updates, and market briefings and securityholder, analyst and prospective investor meetings. The Company has not disclosed a formal policy or process but has engaged a recognised and reputable share registry service provider to further these objectives.
6.4	Give security holders the option to receive communications from, and send communications to, the Company and its share registry electronically.	✓	The Company has instructed its share registry to facilitate this option.
Prin	ciple 7 – Recognise and manage risk		
7.1	The Board should have a Risk Committee which is structured so that it consists of a majority of independent directors, is chaired by an independent director, and has at least three members. The functions and operations of the Risk Committee should be disclosed.	×	The Company does not have a separate Risk Committee. However, the Board has formed the view that the Audit and Risk Management Committee is appropriately structured and independent from the Chairman and executive to effectively fulfil its role.
7.2	The Board or a committee of the Board should review the Company's risk management framework with management at least annually to satisfy itself that it continues to be sound, and disclose, in relation to each reporting period, whether such a review has taken place.	✓	In accordance with the Audit & Risk Management Committee Charter, the Committee reviews the Company's risk management framework annually. The next review will be conducted prior to 30 September 2020.
7.3	Disclose if the Company has an internal audit function, how the function is structured and what role it performs, or if it does not have an internal audit function, that fact and the processes the Company employs for evaluating and continually improving the effectiveness of its risk management and internal control processes.	×	The Company does not comply due to the nature and scale of operations. However, the Board believes it and the Audit and Risk Management Committee have adequate oversight of the existing operations.
7.4	Disclose whether the Company has any material exposure to economic, environmental and social sustainability risks and, if so, how it manages those risks.	✓	See the Directors' Report and Notes to the Financial Statements.

Prin	Principle 8 – Remunerate fairly and responsibly		
8.1	The Board should have a Remuneration Committee which is structured so that it consists of a majority of independent directors, is chaired by an independent director, and has at least three members. The functions and operations of the Remuneration Committee should be disclosed.	√	Effective 1 January 2018 the Remuneration Committee consisted of three members, the majority of whom are independent directors, and is chaired by a non-executive director who is deemed not to be independent. See the Directors' Report for details of the committee members and attendance at meetings.
8.2	The policies and practices regarding the remuneration of non-executive directors, and the remuneration of executive directors and other senior executives, should be separately disclosed.	√	See the attached Remuneration Report.
8.3	If the Company has an equity-based remuneration scheme, it should have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the scheme and disclose that policy or a summary of it.	√	See the Securities Trading Policy on the Company's website.
