Brambles appoints John Mullen as a Non-Executive Director and Chairman Elect

Brambles Limited is pleased to announce the appointment of Mr John Mullen as a Non-Executive Director and Chairman Elect. Mr Mullen will join the Board with effect from 1 November 2019 and will succeed Mr Stephen Johns as Chairman of Brambles upon Mr Johns' retirement in 2020.

Mr Johns said: "Following a rigorous and extensive search process, we are delighted that Mr Mullen has accepted our offer to join the Board and be my successor. His extensive experience, both internationally with DHL and locally with Asciano and TNT, and his Chairmanship of Telstra ensures he is ideally placed to help lead the company. Mr Mullen's prior experience as a Non-Executive Director of Brambles also uniquely positions him for this role."

Commenting on his appointment, Mr Mullen said: "I am pleased to be joining the Brambles Board as Chairman Elect. Brambles is an iconic Australian company with a rich history and an enviable record as a highly successful global company. Through its CHEP business, the company is a clear leader in supply chain logistics. Brambles has a great future and I am looking forward to being a part of the next phase of its development".

Mr Johns, who has been Chairman of Brambles since 2014, had previously announced his intention to retire in 2020. Following an appropriate handover period, Mr Mullen will assume the role of Chairman prior to the 2020 AGM.

Mr Mullen is currently Chairman of Telstra, a Director of Brookfield Infrastructure Partners LP and holds the role of Chairman of the unlisted entity, Toll Group. Mr Mullen will be stepping down from a number of other board positions to take up the Brambles Chairman role and will be a director of only two listed entities being Telstra and Brambles from 2020.

Brambles Limited (ASX: BXB) Brambles helps move more goods to more people, in more places than any other organisation on earth. Its pallets and containers form the invisible backbone of the global supply chain and the world's biggest brands trust Brambles to help them transport their goods more efficiently, sustainably and safely. As pioneers of the sharing economy, Brambles created one of the world's most sustainable logistics businesses through the share and reuse of its platforms under a model known as 'pooling'. Brambles primarily serves the fast-moving consumer goods (e.g. dry food, grocery, and health and personal care), fresh produce, beverage, retail and general manufacturing industries. The Group employs approximately 11,000 people and own approximately 630 million pallets, crates and containers through a network of more than 850 service centres. Brambles operates in more than 60 countries with its largest operations in North America and Western Europe. For further information, please visit www.brambles.com.
