

## ASX RELEASE

31 October 2019

## DRP ISSUE & UPDATE

The Aventus Group (ASX:AVN) today confirms the issue of 8,679,540 fully paid stapled securities in connection with its Distribution Re-investment Plan (DRP) for the 30 September 2019 Distribution as was announced on 24 September 2019 and 1 October 2019, including the fully paid stapled securities issued under the DRP Underwriting Agreement dated 1 October 2019.

As previously announced, AVN is exploring opportunities to manage third party assets, including through the establishment of wholesale syndicated fund structures. The establishment of any such structures remains subject to the satisfactory completion of a number of matters, including receipt of required consents.

AVN will also lodge today:

1. a cleansing notice for the purposes of section 708A(5)(e) and of the *Corporations Act 2001* (Cth) and section 1012DA(5)(e); and
2. an Appendix 3B seeking quotation of these stapled securities.
