## Company overview

One of Australia's oldest and largest listed investment companies (LICs), Argo ranks in the ASX's top 100 companies. Argo provides investors with exposure to a professionally managed, diversified portfolio of approximately 90 ASX-listed companies.

## Company objective

Maximise long-term returns to shareholders through a balance of capital and dividend growth, by investing in a diversified Australian equities portfolio which is actively managed in a tax-aware manner within a low-cost structure.

## Investment approach

Extensive research and direct company visits to identify well-managed Australian businesses operating in sound industries, with good cash flow and the potential to grow dividends. Argo seeks to buy or add to long-term holdings when share prices compare favourably to long-term valuations.

## DIVIDENDS

We appreciate that providing sustainable and growing tax-effective dividend income is very important to our shareholders and Argo is proud to have paid dividends every year since it was established in 1946.

A significant advantage of our LIC structure is the ability to smooth dividend payments over time. In recent years, this flexibility has helped us maintain steadily growing dividends as the chart below highlights.

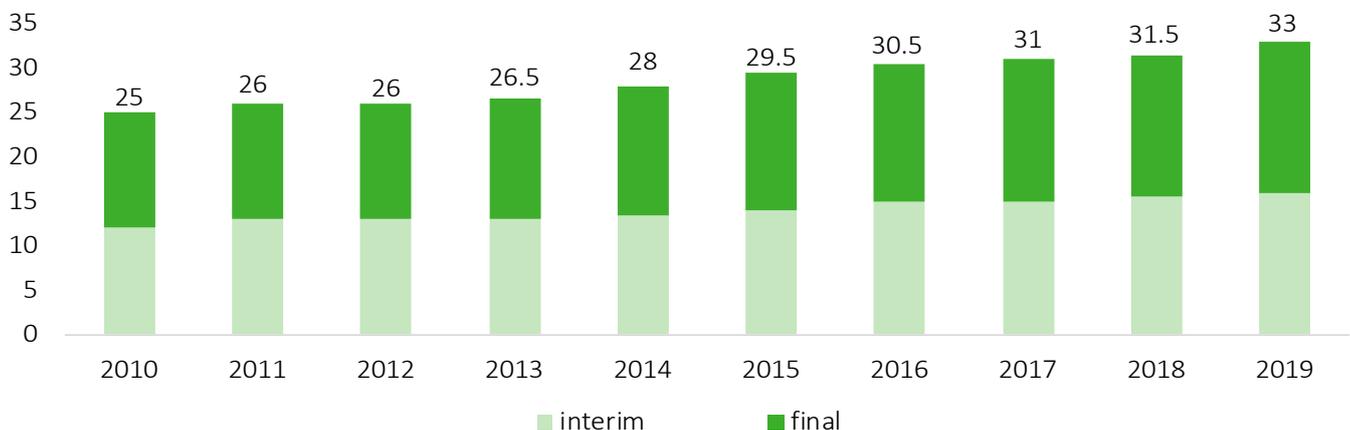

Argo has franked every dividend payment since the introduction of Australia's imputation system in 1987.

## HOW TO INVEST

Argo is listed on the Australian Securities Exchange (ASX) under the ASX code 'ARG'.

To become an Argo shareholder, simply buy shares through your stockbroker, online broker, financial adviser or platform.
