Sasol awards an agreement to Worley for the Secunda Synfuels facility

Sasol South Africa (Pty) Ltd (Sasol) has awarded an agreement to Worley as one of the engineering contractor partners for services to the Sasol Secunda Synfuels facility.

Under the agreement, Worley will provide services for engineering, procurement and construction services from front-end to project completion for Sasol's capital projects portfolio, including efficiency improvement and environmental compliance. The duration of the agreement is five years.

"This award is a significant milestone in the long-term development of our relationship with Sasol and will form the foundation of further growth in southern Africa and beyond," said Andrew Wood, Chief Executive Officer of Worley.

Authorised for release by Nuala O'Leary, Group Company Secretary.
