5 Issue price or consideration

9 cents (\$0.09) per Share or \$7,777,163.25 in total.

6 Purpose of the issue  
(If issued as consideration for the acquisition of assets, clearly identify those assets)

As announced by the Company on 13 November 2019, the Shares are issued pursuant to a 1-for-6 non-renounceable pro rata entitlement offer to raise up to approximately \$20,197,068.75 (before costs) (**Entitlement Offer**) and specifically in relation to this allotment, part of the shortfall from the Entitlement Offer.

The Company has entered into a binding scheme implementation agreement under which the Company and CML have agreed to work together to propose a court-approved scheme of arrangement to CML shareholders pursuant to which the Company will acquire all of the issued share capital of CML for total aggregate consideration with an implied value of approximately A\$112 million, comprised of a mixture of up to \$20m cash and/or COG shares, subject to an election by CML shareholders. The A\$20.2 million to be raised under the Entitlement Offer will be used for the cash component of the consideration under the scheme of arrangement.

The Acquisition is expected to complete in February 2020, subject to the satisfaction of certain conditions precedent including the Company obtaining the necessary cash consideration amount for the Scheme, Court approval and CML shareholders voting in favour of the Scheme by the requisite majorities. A complete copy of the scheme implementation agreement can be obtained from the Company's

announcements on the ASX website at [www.asx.com.au](http://www.asx.com.au) (ASX code: COG) or from the Company's website at [www.coglimited.com.au/investor-relations](http://www.coglimited.com.au/investor-relations)

Due to the current conditionality of the scheme of arrangement and the requirement to obtain the approval of the Court to the Scheme the Directors cannot guarantee that the Scheme will ultimately be implemented and that the Company will acquire CML. If for any reason the Scheme does not proceed, the Company will use the proceeds of the Entitlement Offer to reduce existing debt and for future working capital purposes.
