Request for trading halt: Pushpay Holdings Limited ASX Code: PPH

PPH requests a trading halt to be applied to its securities under ASX Listing Rule 17.1 and sets out below details of the request as per the rules of ASX.

We would like the trading halt to commence from the commencement of trading on 13 December 2019.

Reasons for trading halt, including impact of event on fair orderly or transparent markets: PPH proposes to announce details of a material announcement relating to an acquisition by the Company this morning, 13 December 2019 (AET).

PPH considers that the trading halt is necessary and appropriate because the market will, following the announcement on 13 December 2019, be informed of the acquisition.

How long the trading halt is requested to last and why: PPH requests that the trading halt remain in place until the earlier of an announcement by the issuer about a material transaction or until the market open on Monday, 16 December 2019.

The event we expect to happen that will end the trading halt: The Company will release an announcement about the acquisition.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely,
