Director Appointment

Clime Capital Limited ("CAM") is pleased to advise the appointment of Mr. Ronni Chalmers as a Director of CAM effective 17 December 2019.

Mr Ronni Chalmers was the founder and owner of CBG Asset Management Limited which was acquired by Clime Investment Management Limited in 2017.

In addition, Mr Chalmers was chairman of CBG Capital Limited which was recently merged into CAM.

Mr Chalmers has over 39 years of Australian equities investment management experience. He began his career as a graduate at the leading fund manager Bankers Trust Australia and rose to Associate Director during its rapid growth in the 1980s.

After a decade at Bankers Trust he left and subsequently held senior Portfolio Manager / Investment Manager roles with several funds management and insurance companies before founding CBG Asset Management in 2001. Mr Chalmers has a Bachelor of Commerce from the University of New South Wales and is a Fellow of the Financial Services Institute of Australia.
