Imperial and Syncrude renew Worley's engineering and procurement services contract

Imperial Oil Limited (Imperial) and Syncrude Canada Limited (Syncrude) have extended Worley's long-term engineering and procurement services contract for an additional term of five years.

Building upon the long-term relationship that began in 1991, Worley will continue to provide Imperial and Syncrude a full range of engineering, procurement and project delivery services for brownfield and greenfield projects in Canada. The services will be executed by Worley's Canadian team, supported by our global business, including Worley's Global Integrated Delivery office in India.

"We are pleased to continue this long-term relationship supporting Imperial and Syncrude," said Andrew Wood, Chief Executive Officer of Worley.

Authorised for release by Nuala O'Leary, Group Company Secretary.
