Notes

1. The monthly report provides a basis for informing the market how the entity's activities have been financed for the past month and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this monthly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this monthly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. Cash receipts from the settlement with Soar Labs Pte Ltd are shown in the cash flow as 'Other' in cash flow from investing activities

Commentary

Operations

The Group continues to look at new and existing opportunities to develop its IT&T segments. BPG will also continue to explore new and existing business opportunities for the wine distribution businesses in Asian markets with its 8 Eagles range.

The Company expects existing assets and trade receivables to continue to support working capital requirements of the Company as it continues to develop business and sales opportunities.
