\*Production completed December 23<sup>rd</sup>

**December saw the Bauxite Hills Mine complete production for the year on December 23<sup>rd</sup> after loading its 56<sup>th</sup> and final vessel for 2019. Metro is pleased to announce that it has successfully reached the upper end of guidance for the year with just over 3.5 million tonnes mined and shipped.**

Metro Mining Managing Director and Chief Executive Officer, Simon Finnis, said:

*"It is extremely pleasing that we've achieved our production guidance for the year, meaning Bauxite Hills has done that for its first two years of operations, something that is not easy, and an achievement our team should rightfully be proud of.*

*I must give credit to the team on site; their perseverance and commitment, particularly at the end of the year, to deliver the tonnage, without compromising safety or quality is a continuation of their excellent performance this year.*

*I would like to take this opportunity to wish all our employees, contracting partners, stakeholders and shareholders a safe and prosperous New Year."*
