## ASX ANNOUNCEMENT – THREDBO RESUMES SUMMER RESORT OPERATIONS

EVENT Hospitality & Entertainment Limited (the “Group”) today advised that following notification from the New South Wales Rural Fire Service (“NSW RFS”) and New South Wales National Parks and Wildlife Service (“NPWS”), the Thredbo Alpine Resort (“Thredbo”) will resume summer resort operations from Tuesday 14 January 2020. This follows the temporary closure of Thredbo due to bushfires in Kosciuszko National Park (the “Park”) as announced on 2 January 2020.

All in-resort operations including mountain biking will resume tomorrow. However, areas in the Park outside of Thredbo remain closed until further notice including the Thredbo Valley Trail, Mount Kosciuszko Summit Walk, Dead Horse Gap Walk and a few other trails.

Thredbo will remain in daily contact with NSW RFS and NPWS to stay informed on bush fire activity and conditions. The safety of residents, staff and our guests remains the highest priority and should conditions change, these authorities may direct Thredbo to evacuate the resort and the market will be informed if that occurs.

Whilst the impact of the temporary closure is not currently material to the Group’s earnings, the Group expects a slow business recovery whilst the broader Park area remains closed.

Further additional information regarding access to the Park and bushfires in New South Wales is available via NPWS and NSW RFS websites:
