About the Magellan High Conviction Trust

The Trust invests in a global equities portfolio of Magellan's highest conviction ideas and aims to deliver investors a cash distribution yield of 3% per annum. The Trust's portfolio will comprise between 8 to 12 stocks at any one time but will also have some exposure to cash. The investment objective of the Trust is to achieve attractive risk-adjusted returns over the medium to long-term. The Trust may also manage its foreign currency exposure arising from investments in overseas markets.
