

24 January 2020

Contact Energy 2020 Half Year Results Presentation

Contact's Chief Executive, Dennis Barnes, and Chief Financial Officer, Dorian Devers, will make a presentation for analysts, investors and media on Contact's Financial Results for the six months ended 31 December 2019 on Monday 10 February 2020 at 10.00a.m. NZST.

Live Webcast

If you would like to attend the live presentation you need to register in advance at https://zoom.us/webinar/register/WN_oXEIM4w1T8mwBlfvAeRfow. Once you have registered, you will be provided with details, via email, on how to join the call via PC, Mac, iPad, iPhone or from your Android device. The dial-in details to join via mobile or telephone only are also included.

Contact recommend that all attendees install the Zoom application to their device or PC beforehand as this offers seamless interaction with the webcast, with better sound and image quality:

- If you would like to ask a question following the conclusion of the formal presentation, **you must have pre-installed the Zoom application** (available on all platforms) and use the 'raise hand' function at the bottom of the screen when prompted. Invitation to present your question will be made by the call operator when you reach the front of the queue.
 - You will be unable to ask questions if you join the webcast using a telephone or mobile only
- In addition, Zoom offers the ability to 'join from your browser' should you choose not to download the application (i.e. by clicking cancel when prompted to download the application). Chrome offers superior functionality and is recommended if 'joining by browser' is your preferred option.

An archived replay will be available on our website once the event has concluded.
