

3 February 2020

Landchecker partners with MetroMap

- **Landchecker signs Heads of Agreement with Aerometrex**
- **Provision of MetroMap imagery through Landchecker sales channel**

Aerometrex Limited (ASX: AMX) ('AMX' or 'the Company') is pleased to announce the signing of an agreement with Landchecker Pty Ltd, to use AMX's MetroMap image web service as its major aerial imagery provider. Based in Melbourne, Victoria, Landchecker is a software services business, providing property information and data driven insights.

MetroMap is Aerometrex's aerial imagery subscription service and is one of four business units within Aerometrex, the others being LiDAR, aerial photo contracting and 3D modelling.

The Agreement provides Landchecker's extensive database of property professionals access to the imagery through its platform for an additional fee. The arrangement allows for the national growth of Landchecker's business, which currently covers every property in Victoria and New South Wales.

The Agreement provides Aerometrex the opportunity to expand its subscription revenue base through the development of a strategic relationship with Landchecker. The Agreement is for an initial 12-month term, commencing 1st February 2020.

Aerometrex's Managing Director Mark Deuter states:

"We see specialist firms like Landchecker as providing an important sales channel to specific markets that enhances the uptake of our MetroMap imagery service. Landchecker have tested our web-serving solution thoroughly and are pleased with the service speed, the image quality and accuracy of the MetroMap product. Likewise, we have been impressed with the breadth and utility of Landchecker's offering."

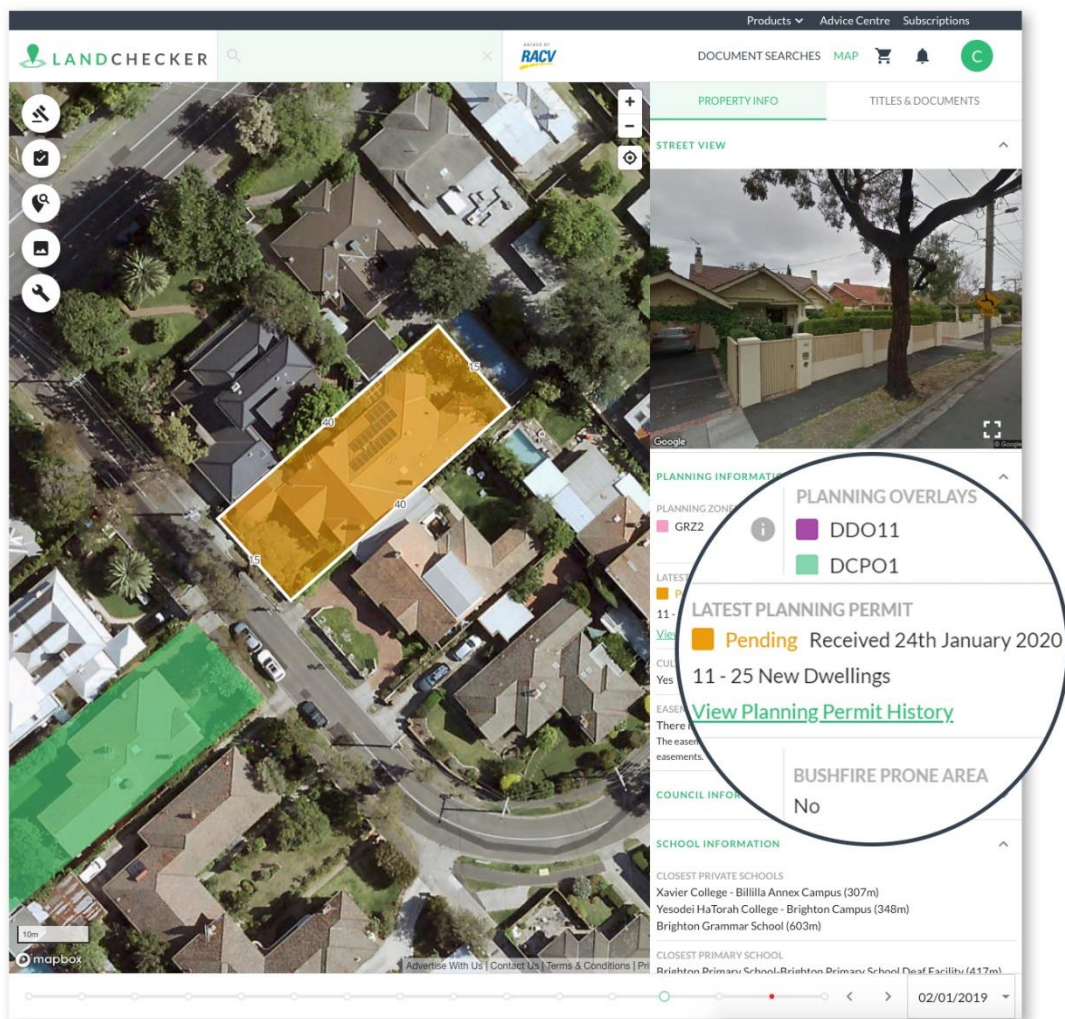

Landchecker CEO Adam Gandolfo said, "We are delighted to partner with Aerometrex and integrate MetroMap's imagery into our offering. Thousands of property professionals and savvy homeowners use Landchecker monthly, helping them to make informed decisions quickly. Integrating MetroMap's high quality and regularly updated imagery, together with its extensive historical catalogue further enhances the value we deliver to our users."

This release is approved by the Board of Directors of Aerometrex Limited and Landchecker Pty Ltd.
