ANZ Funding extension

Ovato advises that it has extended its transactional banking facilities with the ANZ to 30 June 2020.

As part of this, ANZ has re-established a \$10M overdraft limit under its existing facilities until 30 June 2020. This limit was re-established with the benefit of credit support to the ANZ from the Hannan family, who collectively hold 51% of Ovato's ordinary shares.

The half year results will be announced to the ASX on 28th February 2020.
