# Overview of this Scheme Booklet

## What is this Scheme Booklet for?

This Scheme Booklet contains information about the proposed re-domiciliation of Benitec to the United States by way of the Scheme under which Holdco, a new US company incorporated in accordance with the laws of Delaware, will acquire all Benitec Shares (including such Benitec Shares underlying the American Depositary Shares (**ADSs**)).

Following implementation of the Scheme, Holdco will become the ultimate parent company of Benitec. It is intended that Holdco will be a public reporting company in the United States with Holdco Shares being listed for trading on Nasdaq on the Implementation Date, subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco.

This Scheme Booklet provides important information for Benitec Shareholders to consider before voting in favour of the Scheme Resolution at the relevant Scheme Meeting to be held at Grant Thornton, Collins Square, Tower 5, 727 Collins Street, Melbourne, Victoria 3008 at 10.00am (AEDT) on Thursday, 26 March 2020.

## What will I be entitled to receive if the Scheme proceeds?

If the Scheme is implemented, Scheme Shareholders will receive one Holdco Share for every 300 Scheme Shares held as at the Record Date (**Scheme Consideration**).

Scheme Shareholders who are Ineligible Foreign Shareholders will not be issued Holdco Shares. Instead, the Holdco Shares to which Ineligible Foreign Shareholders would otherwise be entitled to under the Scheme will be issued to the Sale Agent and sold through the Share Sale Facility, with the Share Sale Facility Proceeds being remitted to those Scheme Shareholders.

Any fractional entitlements to Holdco Shares will not be issued to Scheme Shareholders and will instead be aggregated and issued to the Sale Agent to be sold under the Share Sale Facility.

Benitec Shareholders holding less than 50,000 Benitec Shares as at the Record Date may also elect to have all of their Holdco Shares issued to the Sale Agent and sold under the Share Sale Facility.

Refer to Section 3.4 for further details on the Share Sale Facility.

## What if I hold ADSs?

Holders of ADSs (**ADS Holders**) will be entitled to vote on the Scheme Resolution through the ADS Depositary. ADS Holders may not vote in person at the Scheme Meeting or by proxy other than through the ADS Depositary unless they surrender their ADSs and become holders of the underlying Benitec Shares prior to the date for determining entitlement to vote.

If the Scheme is implemented, Benitec intends to terminate the ADS program. The ADS Depositary has informed Benitec that it will call for surrender of all outstanding ADSs and will deliver the Holdco Shares and any Share Sale Facility Proceeds (from the sale of fractional entitlements) to ADS Holders upon surrender of their ADSs and payment of any fee for such surrender.

## What should I do next?

### Step 1:

#### Read this Scheme Booklet in its entirety

You should read this Scheme Booklet carefully in full, including the reasons to vote in favour of or against the Scheme Resolution (as set out in Section 2), before making any decision on how to vote.

Answers to various frequently asked questions about the Scheme Resolution are set out in Section 1. If you have any additional queries about this Scheme Booklet or the Scheme please call the Benitec Shareholder Information Line on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia) between 8.30am and 5.00pm (AEDT), visit [benitec.com](http://benitec.com) or contact your legal, financial, taxation or other professional adviser.

### Step 2:

#### Vote at the Scheme Meeting

##### Entitlement to vote

If you are registered as a Benitec Shareholder on the Share Register at 7.00pm (AEDT) on Tuesday, 24 March 2020, you will be entitled to attend and vote at the Scheme Meeting.

##### How to vote

**IN PERSON:** To vote in person, you must attend the Scheme Meeting. All persons entitled to vote will be admitted and given a voting card at the point of entry to the meeting, once they have disclosed their name and address.

**BY PROXY:** You may appoint one or two proxies by using the Proxy Form. Your proxy need not be another Benitec Shareholder. Each proxy will have the right to vote on the poll and also to speak at the Scheme Meeting.

A vote given in accordance with the terms of a proxy appointment is valid despite the revocation of that appointment, unless notice in writing of the revocation has been received by the Share Registry before the start or resumption of the meeting. A proxy is not revoked by the principal attending and taking part in the meeting, unless the principal actually votes at the meeting on the resolution for which the proxy was proposed to be used. If you wish to appoint a second proxy, a second proxy form should be used and you should clearly indicate on the second proxy form that it is a second proxy and not a revocation of your first proxy. You can obtain a second proxy form from the Share Registry.

If you appoint two proxies, each proxy should be appointed to represent a specified proportion of your voting rights. If you do not specify the proportions in the proxy forms, each proxy may exercise half of your votes with any fractions of votes disregarded.

If you return your Proxy Form:

- without identifying a proxy on it, you will be taken to have appointed the chair of the meeting as your proxy to vote on your behalf; or
- with a proxy identified on it but your proxy does not attend the meeting, the chair of the meeting will act in place of your nominated proxy and vote in accordance with any directions on your Proxy Form.

The chair of the meeting intends to vote all valid undirected proxies which nominate the chair in favour of the Scheme Resolution, in the absence of a superior proposal.

Proxies of Benitec Shareholders will be admitted to the Scheme Meeting and given a voting card on providing at the point of entry to the meeting, written evidence of their name and address.

Your appointment of a proxy does not preclude you from attending in person, revoking the proxy and voting at the Scheme Meeting.

**You must deliver the signed and completed Proxy Form to the Share Registry by 10.00am (AEDT) on Tuesday, 24 March 2020** (or, if the meeting is adjourned or postponed, no later than 48 hours before the resumption of the meeting in relation to the resumed part of the meeting) in any of the following ways:

**(a) Online:**

Benitec Shareholders may lodge their proxy online at [www.investorvote.com.au](http://www.investorvote.com.au) and following the instructions on the website. You will require the information on your Proxy Form to lodge your proxy through the website.

**(b) by post in the provided envelope to the Share Registry:**

Computershare Investor Services Pty Limited  
GPO Box 1282, Melbourne, Victoria 3001

**(c) by mobile voting:**

Scan the QR Code on your Proxy Form and follow the prompts.

**(d) by custodians:**

For Intermediary Online subscribers only (custodians) please visit [intermediaryonline.com](http://intermediaryonline.com) to submit your voting intentions.

**(e) by fax to the Share Registry** on 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia).

If a voting form is completed under power of attorney or other authority, the power of attorney or other authority, or a certified copy of the power of attorney or other authority, must accompany the completed voting form unless the power of attorney or other authority has previously been noted by the Share Registry.

If you hold Benitec Shares jointly with one or more other persons, in order for your direct vote or proxy appointment to be valid, each of you must sign the voting form.

**BY ATTORNEY:** You may appoint an attorney to attend and vote at the Scheme Meeting on your behalf. Your attorney need not be another Benitec Shareholder. Each attorney will have the right to vote on the poll and also to speak at the Scheme Meeting.

The power of attorney appointing your attorney to attend and vote at the Scheme Meeting must be duly executed by you and specify your name, the company (that is, Benitec), and the attorney, and also specify the meeting at which the appointment may be used. The appointment may be a standing one.

The power of attorney, or a certified copy of the power of attorney, should be lodged at the registration desk on the day of the Scheme Meeting or delivered by post or by facsimile to the Share Registry before 10.00am (AEDT) on Tuesday, 24 March 2020 (or, if the meeting is adjourned or postponed, no later than 48 hours before the resumption of the meeting in relation to the resumed part of the meeting).

Attorneys of Benitec Shareholders will be admitted to the meeting and given a voting card on providing at the point of entry to the meeting, written evidence of their appointment, their name and address, and the name of their appointors.

Your appointment of an attorney does not preclude you from attending in person and voting at the meeting.

**BY CORPORATE REPRESENTATIVE:** If you are a body corporate, you may appoint an individual to act as your body corporate representative. The appointment must comply with the requirements of section 250D of the Corporations Act, meaning that Benitec will require a certificate of appointment of body corporate representative to be executed by you in accordance with the Corporations Act.

A form of certificate may be obtained from the Share Registry by calling 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia). The certificate of appointment may set out restrictions on the representative's powers.

If a certificate is completed under a power of attorney or other authority, the power of attorney or other authority, or a certified copy of the power of attorney or other authority, must accompany the completed certificate unless the power of attorney or other authority has previously been noted by the Share Registry.

Body corporate representatives of Benitec Shareholders will be admitted to the Scheme Meeting and given a voting card on providing at the point of entry to the meeting, written evidence of their appointment, their name and address and the name of their appointors.

# Letter from the Executive Chairman

Dear Shareholder

On 27 November 2019, Benitec announced its intention to re-domicile from Australia to the United States of America. Benitec is implementing a scheme of arrangement pursuant to which Benitec Biopharma Inc. (**Holdco**), a new company incorporated for the purpose of effecting the re-domiciliation, will acquire all Benitec Shares and in exchange Benitec Shareholders will receive 1 Holdco Share for every 300 Benitec Shares held as at the Record Date.

Holders of ADSs listed on Nasdaq will be entitled to vote and participate in the Scheme (through the Bank of New York Mellon, the ADS Depositary).

If the Scheme is implemented, Benitec will become a wholly owned subsidiary of Holdco. Promptly following implementation of the Scheme, Benitec will be delisted from ASX. Holdco Shares will be admitted to Nasdaq on the Implementation Date, subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco.

## Reasons for re-domiciliation

After carefully considering the relative merits of the re-domiciliation, the Benitec Board is of the view that the advantages materially outweigh the disadvantages. In particular, the Benitec Board believes that the re-domiciliation would provide the following potential benefits:

- streamline and reduce overhead costs of the group, particularly in respect of compliance, audit and insurance costs, estimated to generate cost savings in excess of A\$750,000 per annum once fully implemented;
- align its corporate and operations structure, noting that the majority of Benitec's current business and employees are already located in the US;
- provide access to a broader range of US investors in a market which is familiar with and has a stronger interest in early to mid-stage biotechnology companies, which may lead to a stronger valuation of Holdco over time and improve liquidity in trading of shares;
- improve attractiveness as a potential target; and
- create additional opportunities with potential licensing or joint venture partners.

You should carefully consider the reasons to vote for, and against, the Scheme Resolution set out in Section 2.

## Independent Expert

Benitec has engaged McGrathNicol Advisory Partnership to prepare the Independent Expert's Report for this Scheme Booklet.

The Independent Expert has concluded the Scheme is in the best interests of Benitec Shareholders.

A full copy of the Independent Expert's Report is also included in Attachment A of this Scheme Booklet.

On behalf of the Benitec Board,  
I thank you for your continued  
support as a Benitec Shareholder.  
We encourage you to vote in favour  
of the Scheme, which we believe to  
be in the best interests of Benitec  
Shareholders.

### Recommendation of the Benitec Board

For the reasons set out in this Scheme Booklet, the Benitec Board unanimously recommends that you vote in favour of the Scheme Resolution, subject to no superior proposal emerging and the Independent Expert continuing to conclude the Scheme to be in the best interests of Benitec Shareholders.

Subject to those same qualifications, each member of the Benitec Board that holds or controls Benitec Shares intends to vote in favour of the Scheme.

The Benitec Board will carefully consider any proposal received from third parties in the context of a control transaction (or any other transaction) to determine whether it is a "superior proposal" in the best interests Benitec Shareholders, taking into account a range of relevant factors. As at the date of this Scheme Booklet, no superior proposal has emerged and the Directors are not aware of any superior proposal that is likely to emerge.

### Your vote is important

Your vote is important regardless of how many Benitec Shares you own. If you wish for the Scheme to proceed, it is important that you vote in favour of the Scheme Resolution at the Scheme Meeting.

### Further Information

This Scheme Booklet sets out important information regarding the Scheme, and I encourage you to consider it carefully and in its entirety.

If you require any further information, please call the Benitec Shareholder Information Line on 1300 850 505 (within Australia), or +61 3 9415 4000 (outside Australia) between 8:30am and 5:00pm (AEDT).

### Conclusion

On behalf of the Benitec Board, I thank you for your continued support as a Benitec Shareholder. We encourage you to vote in favour of the Scheme, which we believe to be in the best interests of Benitec Shareholders.

Thank you,

A handwritten signature in black ink, appearing to read 'Jerel A. Banks'.

# Frequently asked questions

This Section 1 answers some frequently asked questions about the Scheme. It is not intended to address all relevant issues for Benitec Shareholders. This Section 1 should be read together with all other parts of this Scheme Booklet (including the risk factors in Section 6).

## The Scheme, the Scheme Consideration and the Directors' recommendation

### What is the Scheme?

The Scheme is a scheme of arrangement between Benitec and the Scheme Shareholders.

The purpose of implementing the Scheme is to re-domicile Benitec to the United States so that the new ultimate parent company of Benitec will be a United States corporation.

*A summary of the Scheme is set out in section 3.*

### Why is Benitec re-domiciling to the US?

The Benitec Board believes that the re-domiciliation in the United States is in the best interests of the Benitec Shareholders.

*Section 2.2 sets out further information regarding the reasons for re-domiciliation.*

### What is the recommendation of the Directors?

The Directors unanimously recommend that Benitec Shareholders vote in favour of the Scheme in the absence of a superior proposal and subject to the Independent Expert continuing to conclude the Scheme to be in the best interests of Benitec Shareholders.

The Directors believe that the reasons for Benitec Shareholders to vote in favour of the Scheme outweigh any reasons to vote against them.

The Directors encourage you to seek independent legal, financial, taxation or other appropriate professional advice before making an investment decision in relation to your Benitec Shares.

*Sections 2.2 and 3.7 set out further details of the Directors' recommendation.*

### What are the voting intentions of the Directors?

The Directors intend to vote in favour of the Scheme in the absence of a superior proposal and subject to the Independent Expert continuing to conclude the Scheme to be in the best interests of Benitec Shareholders.

*Details of the Relevant Interests of each Director in Benitec securities are set out in Section 4.5.*

### What is the Scheme Consideration?

If the Scheme becomes Effective, Scheme Shareholders will receive one Holdco Share for every 300 Benitec Shares held on the Record Date.

Fractional entitlements to Holdco Shares will be aggregated and issued to the Sale Agent to be sold under the Share Sale Facility. The Share Sale Facility Proceeds for those fractional entitlements will be distributed to the relevant Scheme Shareholders who were entitled to the fractional entitlements.

*Section 3.2 contains a summary of the Scheme Consideration.*

### Am I entitled to receive the Scheme Consideration?

You are entitled to receive the Scheme Consideration for each Benitec Share you hold at the Record Date (currently expected to be 7:00pm (AEST) on Monday, 6 April 2020).

Ineligible Foreign Shareholders will not be eligible to receive Holdco Shares. Refer to the question 'What if I am an Ineligible Foreign Shareholder?' below.

*Section 3.2 contains a summary of the Scheme Consideration.*

### What if I am an Ineligible Foreign Shareholder?

Holdco will not issue Holdco Shares to Ineligible Foreign Shareholders, being Benitec Shareholders whose address shown in the Share Register as at the Record Date is outside Australia and its external territories, New Zealand, Hong Kong, Singapore or the United States unless Holdco is satisfied, acting reasonably, that the laws of that place permit the offer and issue of Holdco Shares to that Scheme Shareholder and, in Holdco's sole discretion, is not unduly onerous or impracticable for Holdco to do so.

Holdco Shares that cannot be issued to Ineligible Foreign Shareholders will be issued to the Sale Agent and sold under the Share Sale Facility. The Share Sale Facility Proceeds will be distributed to the relevant Ineligible Foreign Shareholders.

*Section 3.4 provides further details in respect of the Share Sale Facility.*

### What is a Selling Shareholder and how do I make a Sale Election?

If you hold less than 50,000 Benitec Shares as at the Record Date, you may make a Sale Election to have the Sale Agent sell your Holdco Shares under the Share Sale Facility.

If you make a valid Sale Election, the Holdco Shares you would otherwise have received under the Scheme will be issued to the Sale Agent and sold through the Share Sale Facility. You will receive the Share Sale Facility Proceeds in cash.

To make a valid Sale Election you return the completed Sale Election Form to the Share Registry by 5.00pm (AEST) on Monday, 6 April 2020 in accordance with the instructions on the Sale Election Form.

*Refer to Section 3.3.*

### Why has the exchange ratio of one Holdco Share for every 300 Benitec Shares been selected?

The ratio has been selected by Benitec and Holdco having regard to:

- the current trading price of Benitec Shares on ASX;
- the theoretical trading price of Holdco Shares and the trading price that is expected of a stock listed on a major US stock exchange; and
- the minimum trading price requirement of US\$1.00 on the Nasdaq for all continued listings.

### Are there any differences between my Benitec Shares and the Holdco Shares I will receive?

Yes, there are certain important differences between the rights attaching to Benitec Shares and Holdco Shares, respectively.

The Benitec Shares are currently governed under the Corporations Act, Benitec Constitution and the Listing Rules.

The Holdco Shares will be governed under the DGCL and Holdco's certificate of incorporation and by-laws. If Holdco Shares are approved for trading on Nasdaq, they will also be subject to the listing rules of Nasdaq.

*Section 5.4 includes a summary of the rights and liabilities attaching to Holdco Shares.*

*Refer to Section 5.6 for a summary on the differences between the company law regimes.*

### When will I receive my Scheme Consideration?

If the Scheme is approved and implemented, you will receive your Holdco Shares on the Implementation Date, expected to be Wednesday, 15 April 2020.

Statements detailing your holding of Holdco Shares are expected to be despatched within 5 Business Days after the Implementation Date.

*Section 3.2 contains further information in respect of the payment of the Scheme Consideration.*

### What is the Share Sale Facility?

Following the Implementation Date, the Sale Agent will sell under the Share Sale Facility:

- Holdco Shares that would have otherwise been issued to Ineligible Foreign Shareholders;
- Holdco Shares that would have otherwise been issued to Selling Shareholders; and
- aggregated fractional entitlements to Holdco Shares that Scheme Shareholders would otherwise be entitled to under the Scheme.

Having regard to the current trading volume of Benitec Shares on ASX and to ensure that the sale of Holdco Shares takes place in an orderly market and does not unnecessarily impact upon the price of Holdco Shares, it is anticipated that the completion of the sale of Holdco Shares through the Share Sale Facility and the distribution of the Share Sale Facility Proceeds may require several months. Interest will not be paid on any Share Sale Facility Proceeds.

There is no guarantee that there will be a liquid market for Holdco Shares. Prices for Holdco Shares may rise and fall during the sale period and will depend on many factors, including the demand for and supply of Holdco Shares. Benitec, Holdco and the Sale Agent cannot guarantee the price that Holdco Shares will be sold for.

The Share Sale Facility Proceeds will be distributed in Australian dollars to Ineligible Foreign Shareholders, Selling Shareholders and Scheme Shareholders who would otherwise have fractional entitlements to Holdco Shares as part of their Scheme Consideration. The Share Sale Facility Proceeds will be calculated on a volume weighted average price per Holdco Share, so that each Scheme Shareholder entitled to such proceeds will receive the same price per Holdco Share.

US backup withholding may apply to Share Sale Facility Proceeds payable to a US Holder if such holder fails to provide its correct taxpayer identification number or otherwise fails to certify its exemption from backup withholding. Holders who are required to establish their exempt status generally will be required to provide a properly completed applicable IRS Form W-9 or W-8 to Computershare by 5.00pm (AEST) on Monday, 6 April 2020.

*Section 3.4 contains further information in respect of the Share Sale Facility.*

---

### **When can I start trading my Holdco Shares on Nasdaq?**

Holdco will submit a listing application to Nasdaq in February 2020. Trading on Nasdaq of Holdco Shares issued as part of the Scheme Consideration is expected to commence on the Implementation Date. You may be unable to trade until you receive your holding statement confirming the number of Holdco Shares you hold and your Holder Account Number. It is the responsibility of each Holdco Shareholder to confirm their holding before trading in Holdco Shares.

---

### **What is Nasdaq?**

The Nasdaq Capital Market. The ADS and certain warrants issued by Benitec currently trade on this market.

Given the existing listing on Nasdaq, the Benitec Board considers that Nasdaq is the appropriate US stock exchange to list Holdco Shares.

---

### **What is the opinion of the Independent Expert?**

The Independent Expert has concluded that the Scheme is in the best interests of Benitec Shareholders.

*Attachment A contains the Independent Expert's Report.*

---

### **What happens if the Independent Expert changes its opinion?**

If the Independent Expert changes its opinion, this will be announced to ASX and the Directors will carefully consider the Independent Expert's revised opinion and advise you of their recommendation.

---

### What will happen if the Scheme does not become Effective?

If the Scheme does not become Effective, Benitec Shareholders will retain their Benitec Shares and Benitec will continue as a company domiciled in Australia, with Benitec Shares trading on ASX and the ADS and certain warrants issued by Benitec trading on Nasdaq.

The costs of the Scheme have been estimated by Benitec to be approximately A\$650,000. Approximately A\$550,000 of these costs are expected to be payable by Benitec regardless of whether or not the Scheme becomes Effective and is implemented.

*Section 6 contains further information on the risk factors associated with an investment in Benitec.*

---

### Can the Scheme be terminated?

The Scheme Implementation Agreement may be terminated in certain circumstances, details of which are summarised in Section 7.1(c). If the Scheme Implementation Agreement is terminated, the Scheme will not proceed.

*Section 7.1(c) contains further information how the Scheme may be terminated. Attachment E contains a copy of the Scheme Implementation Agreement.*

---

### What are my alternatives as a Benitec Shareholder?

As a Benitec Shareholder, you have the following choices available:

- vote in favour of the Scheme Resolution – this is the course of action unanimously recommended by the Directors, in the absence of a superior proposal;
- vote against the Scheme Resolution;
- sell your Benitec Shares on ASX (or Nasdaq in the form of ADSs, as applicable); or
- do nothing.

For additional information on how to vote, please refer to the Section “Overview of this Scheme Booklet” (commencing on page 3).

*Section 3.12 contains further information on your choices as a Benitec Shareholder.*

---

### What if I am an ADS Holder?

If you are an ADS Holder, you can only give instructions to the ADS Depositary to vote at the Scheme Meeting. You may not vote in person at the Scheme Meeting or by proxy.

If the Scheme is implemented, Benitec intends to terminate the ADS program. The ADS Depositary has informed Benitec that it will call for surrender of all outstanding ADSs and will deliver the Holdco Shares and any Share Sale Facility Proceeds (from the sale of fractional entitlements) to ADS Holders upon surrender of their ADSs and payment of any fee for such surrender. What will happen if the Scheme does not become Effective?

## Holdco

---

### Who is Holdco?

Holdco is a newly formed United States company incorporated under the laws of the state of Delaware for the specific purpose of becoming the ultimate parent company of Benitec.

It is intended that Holdco Shares will be listed for trading on Nasdaq on the Implementation Date, subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco.

*Section 5 contains further details about Holdco.*

### Who will be the directors of Holdco following the implementation of the Scheme?

The board of Holdco will initially be the same as the existing Benitec Board, being:

- Dr Jerel Banks;
- Mr Peter Francis;
- Mr Kevin Buchi; and
- Ms Megan Boston.

Prior to implementation of the Scheme, Holdco intends to appoint at least one additional independent non-executive director to satisfy the Nasdaq listing rules.

*Section 5 contains further details about Holdco.*

### What are Holdco's intentions for Benitec?

Following implementation of the Scheme, Benitec will become a wholly owned subsidiary of Holdco and be delisted from ASX.

*Section 5 contains further details about Holdco's current intentions for Benitec after the Scheme is implemented.*

### Will there be changes to the strategy of the Benitec Group following implementation of the Scheme?

The Holdco Board currently intends to operate the Benitec Group's business in a manner consistent with past practice, and to continue the employment of its current employees, without any major change or amendment, although the Holdco Board may undertake a review of the Benitec Group following implementation of the Scheme and consider whether there are appropriate measures required to streamline its operations and structure. Additionally, future economic, market and business conditions may cause Holdco to make changes it considers necessary and in the interests of its shareholders.

*Section 5 contains further details about Holdco's current intentions for Benitec Group after the Scheme is implemented.*

## The Conditions Precedent

### Are there any conditions to the Scheme?

There are a number of Conditions Precedent that will need to be satisfied or waived (where capable of waiver) before the Scheme can become Effective.

As at the Last Practicable Date, the Conditions Precedent which remain outstanding are (in summary):

- ASIC and ASX to provide all reliefs, waivers, confirmations, exemptions, consents or approvals to implement the Scheme;
- the Scheme Resolution being passed by Benitec Shareholders by the Requisite Majority at the Scheme Meeting;
- Court approval of the Scheme;
- all regulatory approvals and consents required from any Regulatory Authority to implement the Scheme are obtained;
- Holdco Shares have been authorised for listing on Nasdaq, subject to official notice of issuance following the implementation of the Scheme; and
- no other orders or restraints being issued by Regulatory Authorities or the Court.

As at the Last Practicable Date, the Directors are not aware of any reason why these Conditions Precedent would not be satisfied or waived with the agreement of Holdco.

*Section 7.1(b) contains further information on the Conditions Precedent, and Section 8.5 contains further information on the status of the Conditions Precedent.*

*Sections 2.1 and 2.2 contain further information on why you should vote in favour of the Scheme.*

*The Scheme Resolution is set out in the Notice of the Scheme Meeting contained in Attachment D.*

In order to become Effective, the Scheme must be approved by:

- a majority in number (more than 50%) of Benitec Shareholders present and voting at the Scheme Meeting;<sup>1</sup> and
- at least 75% of the total number of votes cast on the Scheme Resolution by Benitec Shareholders present and voting at the Scheme Meeting.

Even if the Scheme is approved by the Requisite Majority of Benitec Shareholders at the Scheme Meeting, the Scheme is still subject to the approval of the Court (as well as other Conditions Precedent).

<sup>1</sup>It should be noted that the Court has the power to waive this requirement.

---

*Section 5 contains further details about the interests of Holdco in Benitec.*

---

### **What happens if the Court does not approve the Scheme or the Scheme does not otherwise proceed?**

If the Scheme Resolution is not approved, or if the Scheme Resolution is approved but the Scheme is not approved by the Court or a Condition Precedent is not fulfilled or otherwise waived (if applicable), then the Scheme will not become Effective and will not be implemented.

---

### **What do I do if I wish to oppose the Scheme?**

If you, as a Benitec Shareholder, wish to oppose the Scheme, you may:

- attend the Scheme Meeting either in person or by proxy and vote against the Scheme Resolution; and/or
- if Benitec Shareholders pass the Scheme Resolution and you wish to appear and be heard at the Second Court Hearing and if so advised, oppose the approval of the Scheme at the Second Court Hearing, you must lodge a notice of intention to appear at the Second Court Hearing, attend the hearing and indicate opposition to the Scheme.

## Other questions

---

### Can I sell my Benitec Shares now?

The existence of the Scheme does not preclude you from selling some or all of your Benitec Shares on ASX (or on Nasdaq in the form of ADSs) for cash, if you wish, provided you do so before close of trading on ASX on the Effective Date (currently proposed to be Monday, 30 March 2020) or, if sold in the form of ADSs, before the close of trading on Nasdaq the date before the Implementation Date (currently proposed to be Wednesday, 15 April 2020).

Benitec intends to apply to ASX for Benitec Shares to be suspended from official quotation from the close of trading on the Effective Date. You will not be able to sell your Benitec Shares (except in the form of ADSs, if applicable) on-market after this time.

*Section 3.12 contains a summary of the choices available to Benitec Shareholders.*

---

### Will I have to pay brokerage fees or stamp duty?

You will not have to pay brokerage fees or stamp duty in connection with receiving whole Holdco Shares under the Scheme.

However, if you are an Ineligible Foreign Shareholder, Selling Shareholder or if you are entitled to fractional Holdco Shares, brokerage fees will be deducted from the sale proceeds of Holdco Shares sold through the Share Sale Facility by the Sale Agent.

---

### What are the taxation implications of the Scheme?

Sections 8.2 and 8.3 contains information on the possible tax treatment for Scheme Shareholders who are Australian and United States residents, respectively.

Tax consequences can vary according to a Scheme Shareholder's particular circumstances. Accordingly, your decision to vote on the Scheme should be made only after consultation with a financial, legal, taxation or other professional adviser based on your own investment objectives, financial situation, taxation position and particular needs.

*Sections 8.2 and 8.3 contains further information on certain tax implications which may be relevant to you.*

---

# Reasons to vote for/against the Scheme

## 2.1 Introduction

The Scheme has a number of advantages and disadvantages which may affect Benitec Shareholders in different ways, depending on their individual circumstances. Benitec Shareholders should seek professional advice on their particular circumstances, as appropriate.

Section 2.2 provides a summary of some of the reasons why the Directors have unanimously recommended you vote in favour of the Scheme Resolution in the absence of a superior proposal.

Section 2.2 should be read in conjunction with Section 2.3 which sets out reasons why you may wish to vote against the Scheme Resolution.

You should read this Scheme Booklet in full, including the Independent Expert's Report, before deciding how to vote at the Scheme Meeting. While the Directors acknowledge the reasons to vote against Scheme Resolution, they believe the advantages of the Scheme Resolution significantly outweigh the disadvantages.

## 2.2

# Why you should vote in favour of Scheme Resolution

### **The Directors unanimously recommend that you vote in favour of the Scheme in the absence of a superior proposal**

The Directors unanimously recommend that Benitec Shareholders vote in favour of the Scheme, in the absence of a superior proposal, and have considered the advantages, disadvantages and risks associated with the Scheme in arriving at this recommendation.

Each member of the Benitec Board intends to vote for the Scheme in respect of their personal holdings of Benitec Shares, and any proxies placed at their discretion, in the absence of a superior proposal.

### **The Independent Expert has concluded that the Scheme is in the best interests of Benitec Shareholders in the absence of a superior proposal**

The Independent Expert has concluded that the Scheme is in the best interests of Benitec Shareholders as, in the Independent Expert's opinion, the advantages of the Scheme outweigh the disadvantages, both of which are summarised in section 5 of the Independent Expert's Report.

A copy of the Independent Expert's Report is set out in Attachment A. Benitec Shareholders are encouraged to read the Independent Expert's Report carefully, including the assumptions, qualifications and disclaimers on which the Independent Expert's conclusions are based.

### **The re-domiciliation will streamline operations and reduce costs, and align its corporate and operations structure**

Benitec is currently admitted to both ASX and Nasdaq. Following implementation of the Scheme, Benitec will be delisted from ASX and Holdco will only be listed on Nasdaq, which will streamline and reduce overhead costs of the group, particularly in respect of compliance, audit and insurance costs, which are increased significantly due to Benitec's dual-listing structure.

Benitec estimates that the re-domiciliation could generate cost savings in excess of A\$750,000 per annum once fully implemented.

Benitec's current business and the majority of employees are already located in the United States and the re-domiciliation will align its corporate and operations structure. This may make the overall structure more easily understandable by potential investors.

### **The re-domiciliation is likely to improve attractiveness as a potential target and its opportunities with potential licensing partners**

The Benitec Board believes that the re-domiciliation would improve the attractiveness of the Benitec Group as a potential acquisition target, given that the United States remains one of the most active markets for transactions in the life sciences sector. The Benitec Board also believes that the same logic would apply for potential licensing partners.

Re-domiciling to the United States would allow any potential control, licensing or other transaction to be completed more quickly and potentially with lower transaction costs.

Further, if in the event that the Benitec Group wished to acquire a target or asset, Benitec Group would also have the ability to issue Nasdaq listed Holdco Shares as consideration, which may be more attractive to certain third parties.

### **The re-domiciliation will provide access to a broader range of investors and may lead to a stronger valuation of the Benitec Group and improved liquidity**

The Directors consider that re-domiciling the Benitec Group to the United States would provide access to a broader range of investors in a market which is familiar with and has a stronger interest in earlier to mid-stage biotechnology companies, which may lead to a re-rating of the Benitec Group, a stronger market capitalisation/ valuation and improved liquidity in trading.

### **No superior proposal has been received as at the date of this Scheme Booklet**

As at the date of this Scheme Booklet, no superior proposal has emerged and the Directors are not aware of any superior proposal that is likely to emerge.

The Benitec Board will carefully consider any proposal received from third parties in the context of a control transaction (or any other transaction) to determine whether it is a "superior proposal" in the best interests Benitec Shareholders, taking into account a range of relevant factors.

## 2.3

### Why you may wish to vote against the Scheme

#### **You may disagree with the Directors' recommendation and the Independent Expert's conclusion and believe that the Scheme Resolution are not in your best interests**

Despite the view of the Directors and the Independent Expert, you may believe that the Scheme is not in the best interests of Benitec Shareholders or not in your individual best interests.

Benitec Shareholders may believe that the opportunities available to Benitec and the potential returns will be superior as an ASX listed company in the long term. Benitec Shareholders may also believe that it is in the best interests of Benitec Shareholders for Benitec to remain as a company domiciled in Australia.

## **You may wish to retain your Benitec Shares which are listed on the ASX**

You may wish to maintain your investment profile in an Australian publicly listed company on the ASX. Holdco Shares are proposed to be listed on Nasdaq and Holdco does not intend to maintain a Chess Depositary Interest (CDI) on the ASX. Accordingly, Holdco Shares will not be able to be traded on ASX and Benitec Shareholders located outside the US may not be as familiar with trading practices on Nasdaq as they might be with trading practices on the ASX.

You may not wish to hold shares in a publicly traded company domiciled in the United States. On implementation of the Scheme, Benitec Shareholders will become shareholders in Holdco, a company incorporated in Delaware in the US. Holdco is not subject to the provisions of the Corporations Act or the Listing Rules.

The rights of Holdco Shareholders will instead be governed by the laws of the State of Delaware, including the Delaware General Corporation Law (**DGCL**), US federal securities law, Nasdaq listing rules and Holdco's certificate of incorporation and by-laws.

Scheme Shareholders receiving Holdco Shares as part of the Scheme Consideration under the Scheme may also have reduced takeover protection under Delaware and US laws, compared to the protection available under Australian law.

Currently, Australian resident Benitec Shareholders may take action to enforce the provisions of the Benitec Constitution or securities laws applicable to Benitec in Australian courts, applying Australian law. After implementation of the Scheme, such actions with respect to Holdco will be determined in accordance with US law, and in the courts of the State of Delaware.

Benitec Shareholders should refer to Section 5.4 for a summary of the rights and liabilities attaching to Holdco Shares and Section 5.6 for a summary on the differences between the company law regimes applicable to Benitec and Holdco.

## **Increased exposure to a litigious environment**

Holdco may be exposed to increased litigation as a US public company, as the US legal environment is generally more litigious. Under Delaware law, a shareholder must meet certain eligibility and standing requirements to bring a derivative action, but settlement or dismissal of a derivative action requires the approval of the court and notice to shareholders of the proposed dismissal.

Shareholders in the US are entitled to commence class action suits on their own behalf and on behalf of any other similarly situated shareholders to enforce an obligation owed to the shareholders directly where the requirements for maintaining a class action under Delaware law have been met.

There is a risk that any material or costly dispute or litigation could adversely affect Holdco's reputation, financial performance or value.

## **There may be US federal and Australian taxation consequences for Benitec Shareholders if the Scheme is implemented**

Implementation of the Scheme may give rise to US federal and Australian taxation consequences for certain Benitec Shareholders.

These taxation consequences are dependent on the personal circumstances of each Benitec Shareholder. Accordingly, each Benitec Shareholder should seek their own taxation advice prior to voting on the Scheme.

Benitec Shareholders who are Australian and United States residents should refer to Sections 8.2 and 8.3 for a summary of certain potential tax implications of the Scheme.

# Summary of the Scheme

## 3.1 Background

Benitec is a company incorporated in Australia admitted to the ASX and Nasdaq. To effect the re-domiciliation to the United States, Benitec entered into a Scheme Implementation Agreement with Holdco, a corporation formed under the laws of Delaware, United States for the purpose of the re-domiciliation, under which Holdco will acquire all Benitec Shares, by way of a scheme of arrangement under Part 5.1 of the Corporations Act, pursuant to which Benitec Shareholders will receive Holdco Shares in exchange for the Benitec Shares.

If the Scheme is implemented, Benitec will be delisted from ASX and will become a wholly owned subsidiary of Holdco.

This Section 3 contains an overview of the Scheme, a copy of which is included in Attachment C.

A summary of the Scheme Implementation Agreement is included in Section 7 and a copy of the Scheme Implementation Agreement is in Attachment E to this Scheme Booklet.

## 3.2 Scheme Consideration

If the Scheme becomes Effective, Scheme Shareholders will receive Scheme Consideration of one Holdco Share for every 300 Scheme Shares held as at the Record Date.

The Scheme Consideration will be issued on the Implementation Date.

Scheme Shareholders who are Ineligible Foreign Shareholders will not be issued Holdco Shares. Instead, the Holdco Shares to which Ineligible Foreign Shareholders would otherwise be entitled to under the Scheme will be issued to the Sale Agent and sold through the Share Sale Facility, with the Share Sale Facility Proceeds being remitted to those Scheme Shareholders.

Any fractional entitlements to Holdco Shares will not be issued to Scheme Shareholders and will instead be aggregated and issued to the Sale Agent to be sold under the Share Sale Facility.

The Holdco Shares are currently expected to trade on Nasdaq on the Implementation Date, subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco.

The Implementation Date is currently expected to be Wednesday, 15 April 2020.

A holding statement detailing the issue of Holdco Shares is expected to be despatched to Scheme Shareholders within 5 Business Days after the Implementation Date.

Scheme Shareholders may be unable to trade until they receive the holding statement confirming the number of Holdco Shares held and their Holder Account Number. It is the responsibility of each Scheme Shareholder to confirm their holding before trading in their securities. Holdco Shareholders who sell their securities before they receive their holding statement do so at their own risk. Benitec and Holdco disclaim all liability (to the maximum extent permitted by law) to persons who trade Holdco Shares before receiving their holding statements.

### 3.3 Selling Shareholders

Benitec Shareholders holding less than 50,000 Benitec Shares as at the Record Date may also elect to have all of their Holdco Shares issued to the Sale Agent and sold under the Share Sale Facility. To make a valid Sale Election you return the completed Sale Election Form to the Share Registry by 5.00pm (AEST) on Monday, 6 April 2020 in accordance with the instructions on the Sale Election Form. Once made, the Sale Election is irrevocable.

Participation in the Share Sale Facility is optional. If no Sale Election is made, or a Sale Election is invalid, incomplete or it is received after the date specified on the Sale Election Form, you will not be treated as a Selling Shareholder and will not participate in the Share Sale Facility. Instead, Scheme Shareholders will receive Holdco Shares as Scheme Consideration.

If a Benitec Shareholder holds one or more parcels of Benitec Shares as trustee or nominee for, or otherwise on account of, another person, that Benitec Shareholder may make separate elections in accordance with the election process in respect of each of those parcels. In order to make separate elections, the trustee or nominee must establish distinct holdings on the Share Register in respect of each parcel of Benitec Shares and must make a separate sale election in respect of each such parcel of Benitec Shares. However, the trustee or nominee may not accept instructions from an underlying beneficiary to make an election unless it is in respect of all parcels of Benitec Shares held by the trustee or nominee on behalf of that beneficiary, and the underlying beneficiary has confirmed to the trustee or nominee that its aggregated beneficial and legal holding of Benitec is less than 50,000 Benitec Shares.

### 3.4

## Share Sale Facility

Holdco will issue:

- the Holdco Shares that cannot be issued to Ineligible Foreign Shareholders;
- the Holdco Shares of any Selling Shareholder; and
- any fractional Holdco Shares,

to the Sale Agent and sold for the benefit of the relevant person.

If the number of fractional Holdco Shares is in aggregate, not a whole number, it will be rounded down to the nearest whole number of aggregate fractional Holdco Shares and issued to the Sale Agent.

Benitec will appoint the Sale Agent for the purpose of selling the above Holdco Shares through the Share Sale Facility on Nasdaq following the Implementation Date.

Benitec will, as soon as practicable, distribute to each Ineligible Foreign Shareholder, Selling Shareholder and Scheme Shareholder who has a fractional entitlement to Holdco Shares their respective proportion of those net proceeds by (at its discretion):

- making a deposit in Australian currency into an account with an Australian bank notified by the relevant shareholder to Benitec and recorded in or for the purpose of the Share Register as at the Record Date; or
- sending a cheque in Australian currency by prepaid post to the relevant shareholder's address as recorded in the Share Register at the Record Date.

Brokerage fees will be deducted from the sale proceeds of Holdco Shares sold through the Share Sale Facility by the Sale Agent.

The final Share Sale Facility Proceeds will be remitted to the relevant Scheme Shareholders based on a volume weighted average price per Holdco Share, so that each Scheme Shareholder entitled to such proceeds will receive the same price per Holdco Share.

Having regard to the current trading volume of Benitec Shares on ASX and to ensure that the sale of Holdco Shares takes place in an orderly market and does not unnecessarily impact the price of Holdco Shares, it is anticipated that the

completion of the sale of Holdco Shares through the Share Sale Facility and the distribution of the Share Sale Facility Proceeds may require several months. Interest will not be paid on any Share Sale Facility Proceeds. The Share Sale Facility Proceeds will be paid in Australian dollars, converted using the prevailing AUD/US exchange rate at the time of exchange.

The Sale Agent will sell the Holdco Shares at such a price and on such other terms as the Sale Agent determines in good faith (and at the risk of Ineligible Foreign Shareholders, Selling Shareholders, and Scheme Shareholders who have a fractional entitlements to Holdco Shares, as applicable) having due regard for the desire to achieve the best price reasonably available at the time of sale.

There is no guarantee that there will be a liquid market for Holdco Shares. Prices for Holdco Shares may rise and fall during the sale period and will depend on many factors, including the demand for and supply of Holdco Shares. Benitec, Holdco and the Sale Agent give no assurance as to the price that will be achieved for the sale of Holdco Shares described above. The actual price achieved may be more or less than the market value of Benitec Shares as at the date of this Scheme Booklet.

The payment of the Share Sale Facility Proceeds from the sale of Holdco Shares will be in full satisfaction of the rights of Ineligible Foreign Shareholders, Selling Shareholders, and Scheme Shareholders who have fractional entitlements to Holdco Shares.

Under the Scheme, each Ineligible Foreign Shareholder, Selling Shareholder and Scheme Shareholders who have fractional entitlements to Holdco Shares, appoints Benitec as its agent to receive any financial services guide or other notice which may be required to be issued to them by the Sale Agent.

ADS Holders cannot participate in the Share Sale Facility as they are not registered in the Share Register.

### 3.5

#### Withholding taxes under Share Sale Facility

US backup withholding may apply to Share Sale Facility Proceeds payable to a US Holder if such holder fails to provide its correct taxpayer identification number or otherwise fails to certify its exemption from backup withholding. Holders who are required to establish their exempt status generally will be required to provide a properly completed applicable IRS Form W-9 or W-8 to Computershare by 5.00 (AEST) on Monday, 6 April 2020.

### 3.6

#### Admission of Holdco to Nasdaq

In conjunction with the implementation of the Scheme, Holdco Shares will be admitted to Nasdaq, subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco.

If the Scheme is implemented and Holdco Shares are authorised for admission to Nasdaq, trading in Holdco's Shares will commence on the Implementation Date. Once admission occurs, Holdco Shareholders may trade their Holdco Shares on Nasdaq.

### 3.7

#### Directors' recommendation

The Directors unanimously recommend that Benitec Shareholders vote in favour of the Scheme in the absence of a superior proposal and subject to the Independent Expert continuing to conclude the Scheme to be in the best interests of Benitec Shareholders.

The Directors believe that the reasons to vote in favour of the Scheme outweigh the reasons to vote against.

See Section 2.2 above for key reasons for vote in favour of the Scheme and other relevant considerations for Benitec Shareholders.

In considering whether to vote in favour of the Scheme, the Directors encourage you to:

- 
- carefully read all of this Scheme Booklet (including the Independent Expert's Report);
- 
- consider the choices available to you as outlined in Section 3.12;
- 
- have regard to your individual risk profile, portfolio strategy, taxation position and financial circumstances; and
- 
- obtain financial advice from your broker or financial adviser on the Scheme and obtain taxation advice on the effect of the Scheme becoming Effective.
-

### 3.8

#### Voting intentions of the Directors

Each member of the Benitec Board intends to vote all Benitec Shares held by them or controlled by them in favour of the Scheme in the absence of a superior proposal and subject to the Independent Expert continuing to consider the Scheme to be in the best interests of Benitec Shareholders.

### 3.9

#### Independent Expert's conclusions

Benitec commissioned the Independent Expert to prepare a report on which the Scheme is, in the Independent Expert's opinion, in the best interests of Scheme Shareholders.

The Independent Expert's Report is contained in Attachment A. The Benitec Board encourages you to read the Independent Expert's Report in full before voting in favour of the Scheme Resolution.

### 3.10

#### Conditions to the Scheme

The implementation of the Scheme is still subject to a number of Conditions Precedent. The Conditions Precedent are set out in full in clause 3.1 of the Scheme Implementation Agreement, a copy of which is set out in Attachment E to this Scheme Booklet.

The Scheme will not proceed unless all the Conditions Precedent are satisfied or waived (if applicable) in accordance with the Scheme Implementation Agreement. As at the Last Practicable Date, the Directors are not aware of any reason why these Conditions Precedent would not be satisfied or waived with the agreement of Holdco.

A summary of the Conditions Precedent is included in Section 7.1(b). See also Section 8.5 for more information about the status of the Conditions Precedent as at the Last Practicable Date.

### 3.11

#### Implications if the Scheme does not proceed

If the Scheme does not become Effective, Benitec Shareholders will retain their Benitec Shares and Benitec will continue as a company domiciled in Australia, with Benitec Shares trading on ASX and the ADSs and certain warrants issued by Benitec trading on Nasdaq.

The costs of the Scheme have been estimated by Benitec to be approximately A\$650,000. Approximately A\$550,000 of these costs are expected to be payable by Benitec regardless of whether or not the Scheme becomes Effective and is implemented.

### 3.12

## Your choices as a Benitec Shareholder

As a Benitec Shareholder, you have the following choices available:

### Vote in favour of the Scheme Resolution

**This is the course of action unanimously recommended by the Directors, in the absence of a superior proposal and subject to the Independent Expert continuing to consider the Scheme is in the best interests of Benitec Shareholders.**

To follow the unanimous recommendation of the Directors, you should vote in favour of the Scheme Resolution at the Scheme Meeting on Thursday, 26 March 2020.

For a summary of how to vote on the Scheme Resolution, please refer to the Section "Overview of this Scheme Booklet" (commencing on page 3)..

### Vote against the Scheme Resolution

If, despite the unanimous recommendation of the Directors, you do not support the Scheme, you may vote against the Scheme Resolution at the Scheme Meeting on Thursday, 26 March 2020.

However, if all the Conditions Precedents for the Scheme is satisfied or waived (if applicable) and the Scheme becomes Effective, the Scheme will bind all Benitec Shareholders, including those who vote against the Scheme Resolution and those who do not vote at all.

## Sell your Benitec Shares

The existence of the Scheme does not preclude you from selling some or all of your Benitec Shares (including in the form of ADSs) on-market for cash, if you wish, provided you do so before close of trading on ASX on the Effective Date (currently proposed to be Monday, 30 March 2020) or, if sold in the form of ADSs, before the close of trading on Nasdaq the date before the Implementation Date (currently proposed to be Wednesday, 15 April 2020).

Benitec intends to apply to ASX for Benitec Shares to be suspended from official quotation from the close of trading on the Effective Date. You will not be able to sell your Benitec Shares (except in the form of ADSs if applicable) on-market after this time.

Benitec Shareholders who sell some or all of their Benitec Shares (including in the form of ADSs):

- may incur a brokerage charge;
- will not be able to participate in the Scheme, or, if one emerges, a superior proposal, in respect of those Benitec Shares they have sold; and
- may be liable for tax consequences (including CGT) on the disposal of their Benitec Shares. There are also potential tax consequences if you choose to participate in the Scheme. Refer to Sections 8.2 and 8.3 for certain tax implications for Scheme Shareholders who are Australian or United States residents.

## Do nothing

Benitec Shareholders who elect to not vote at the Scheme Meeting on Thursday, 26 March 2020 or do not sell their Benitec Shares (or ADSs representing the Benitec Shares) on market will:

- if the Scheme becomes Effective – have their Benitec Shares transferred to Holdco, by operation of the Scheme and receive the Scheme Consideration; and
- if the Scheme does not become Effective – retain their Benitec Shares.

ADS Holders should refer to the question “What if I hold ADSs?” in the Section “Overview of this Scheme Booklet” (commencing on page 3).

### 3.13 Copy of Share Register

Under sections 169 and 173 of the Corporations Act, any Benitec Shareholder has a right to inspect, and to ask for a copy of, the Share Register which contains details of the names and addresses of each Benitec Shareholder.

Benitec may require a Benitec Shareholder to provide reasons for their request prior to providing a copy of the Share Register, and a Benitec Shareholder must not use any information obtained for an improper purpose. A copy of the Share Register will be given to any Benitec Shareholder upon request and payment of the prescribed fee under the Corporations Act where Benitec is satisfied that the details provided are not likely to be used for an improper purpose.

### 3.14 Warranty and power of attorney by Scheme Shareholder

The terms of the Scheme provide that each Scheme Shareholder is taken to have authorised Benitec to warrant to Holdco that:

- all their Scheme Shares (including any rights and entitlements attaching to those shares) transferred to Holdco under the Scheme will, as at the date of the transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests and other interests of third parties of any kind; and
- they have full power and capacity to sell and to transfer their Scheme Shares (including any rights and entitlements attaching to those shares) to Holdco under the Scheme.

Under the terms of the Scheme, Benitec undertakes that it will provide such warranty to Holdco as agent and attorney of each Scheme Shareholder.

Subject to the Scheme becoming Effective, each Scheme Shareholder irrevocably appoints Benitec and each of its Directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of:

- executing any document necessary or desirable to give effect to the Scheme including the Scheme Share transfer; and
- enforcing the Deed Poll against Holdco.

### 3.15 No brokerage or stamp duty

No brokerage or stamp duty will be payable by Scheme Shareholders on the transfer of their Scheme Shares to Holdco under the Scheme. However, if you participate in the Share Sale Facility, brokerage fees will be deducted from the final proceeds.

### 3.16 Existing Benitec Shareholder instructions to Benitec

Except for tax file numbers and except as prohibited by law, all instructions, notifications or elections by each Benitec Shareholder to Benitec binding or deemed binding between the Benitec Shareholder and Benitec relating to Benitec or Benitec Shares, including instructions, notifications or elections relating to:

- whether distributions or dividends are to be paid by cheque or into a specific account; and
- notices or other communications from Benitec (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by Holdco in its sole discretion) to be made by the Scheme Shareholder to Holdco and to be a binding instruction, notification or election to, and accepted by, Holdco in respect of any Holdco Shares provided to that Scheme Shareholder until and unless that instruction, notification or election is revoked or amended in writing addressed to Holdco or its agent.

### 3.17 Delisting of Benitec

On a date after the Implementation Date, Holdco will apply for the termination of the official quotation of Benitec Shares on ASX and for Benitec to be removed from the official list of ASX.

# Profile of Benitec

## 4.1

### Introduction

Benitec is a clinical-stage biotechnology company focused on the development of novel genetic medicines. The proprietary platform, called DNA-directed RNA interference, or **ddRNAi**, combines RNA interference, or RNAi, with gene therapy to create medicines that facilitate sustained silencing of disease-causing genes following a single administration.

The ddRNAi-based genetic medicine currently under development by Benitec (BB-301) represents a product candidate that can, potentially, be used to meaningfully improve upon the existing standard of care for a rare, chronic, life-threatening form of muscular dystrophy. In the past, the research and development efforts of Benitec have been directed towards disorders that include head and neck squamous cell carcinoma (**HNSCC**), oculopharyngeal muscular dystrophy (**OPMD**), wet age-related macular degeneration (**AMD**) and chronic hepatitis B (**HBV**). Through the combination of the targeted gene silencing effect of RNAi together with the durable gene expression associated with the use of modified viral vectors, ddRNAi has the potential to produce durable silencing of disease-causing genes following a single administration of the proprietary genetic medicine. This novel attribute of the investigational agent that is being advanced through non-clinical development could facilitate the achievement of robust clinical activity while greatly reducing dosing frequencies traditionally expected for medicines employed for the management of chronic diseases. Additionally, the establishment of chronic gene silencing via ddRNAi-based

genetic medicines could significantly reduce the risk of patient non-compliance during the course of medical management of potential fatal clinical disorders.

Benitec is based in Melbourne, Australia with laboratories in Hayward, California (USA), and collaborators and licensees around the world.

On 31 July 2019, Benitec announced the completion of a workforce reduction of approximately 50%. Through streamlining of operations, Benitec retained staff members who are key to the achievement of the core research and development goals. The rationalisation of resources will result in an extended financial runway for Benitec while allowing Benitec to continue to advance the BB-301 program through development.

Benitec currently has 13 full-time equivalent employees.

The following diagram sets out Benitec's product candidates and their development status.

## 4.4 Capital structure

As at the date of this Scheme Booklet, Benitec has the following securities on issue:

TYPE OF SECURITY	NUMBER OF SECURITIES
Current number of Benitec Shares on issue (including Benitec Shares represented by ADSs)	321,287,026
Unlisted options over Benitec Shares with exercise prices ranging from A\$0.196 to A\$1.25 and expiry dates ranging from 6 May 2020 to 16 May 2024	21,715,000
Quoted warrants (NASDAQ: BNTCW) convertible into one ADS per warrant (representing 11,498,000 Benitec Shares in aggregate) at an exercise price of US\$55.00 per ADS issued on exercise and an expiry date of 21 August 2020	57,490
Purchase Warrants exercisable into 312,286 ADSs (equivalent to 64,257,200 Benitec Shares) exercisable at US\$7.00 per ADS issued on exercise and an expiry date of 6 December 2024	4

### Employee share options plan

As at the date of this Scheme Booklet, Benitec has 21,715,000 unlisted options on issue with exercise prices ranging from A\$0.196 to A\$1.25 and expiry dates ranging from 6 May 2020 to 16 May 2024 (**Employee Options**). The Employee Options have all been issued under Benitec's Employee Share Option Plan to current employees and officers of Benitec.

On the basis that there is no effective change of control under the Scheme, the Scheme will not trigger the automatic vesting of any Employee Options and the Benitec Board does not intend to accelerate the vesting of the Employee Options or to otherwise make any material change to the terms on which the Employee Options have been issued. Benitec will request each participant who holds Employee Options to agree to have the terms of the Employee Share Option Plan amended (subject to the Scheme becoming Effective) so that Holdco will be allowed to assume the Employee Share Option Plan and the unlisted options.

If the changes are agreed and the Scheme is implemented, any exercise of the Employee Options (subject to vesting conditions being met) will entitle the holder to one Holdco Share for every 300 Benitec Shares that the participant would have been entitled to had the Scheme not been implemented, subject to rounding.

Following the Implementation Date, Holdco will adopt a new employee incentive plan and no further Employee Options (under the existing Employee Share Option Plan) will be issued.

In the event that any existing participants do not agree to the proposed amendment to allow Holdco Shares to be issued in lieu of Benitec Shares upon exercise of the Employee Options, then following implementation of the Scheme Holdco will consider the available courses of action available to it including compulsory acquisition of the Employee Options under Chapter 6A of the Corporations Act (if possible).

### Listed warrants

Benitec also has on issue 57,490 warrants exercisable for ADSs on a one for one basis at an exercise price of US\$55.00 per ADS, with an expiry date of 21 August 2020. The warrants are listed on Nasdaq under ticker code "BNTCW".

While these warrants are listed on Nasdaq, as at the Last Practicable Date the 50 day average trading volume on Nasdaq of the listed warrants is zero and the exercise price of the warrants is significantly higher than the current market prices of Benitec Shares and ADSs. Benitec considers that there is no financial rationale or benefit for holders of the listed warrants to exercise them prior to expiration. Accordingly, the Benitec Board has formed the view that it would be unduly onerous or impractical to take any action in respect of the warrants, such as to implement a separate scheme for Holdco to acquire the warrants, or to invite holders of the listed warrants to have the terms of the warrants amended to enable Holdco Shares to be issued upon exercise of the warrants. Benitec therefore does not intend to take any action in respect of the listed warrants and the warrants will remain on issue on their current terms following implementation of the Scheme until expiry on 21 August 2020, except that from the Implementation Date these warrants will be de-listed from Nasdaq and there will no longer be a market for these warrants as a result of Benitec becoming a Subsidiary of Holdco.

As Benitec's ADS program is intended to be terminated following implementation of the Scheme, should any listed warrant holder exercise their listed warrants, Holdco will instead issue Holdco Shares to the warrant holder in lieu of ADSs (at a ratio of 1 Holdco Share for every 300 Benitec Shares underlying the ADSs). There is a risk that warrant holders may consider that Benitec has breached the terms of the listed warrant and bring a claim against Benitec or

Holdco. However, Benitec considers that this risk is minimal for the reasons discussed above and on the basis that Holdco will be issuing Holdco Shares to the warrant holder, which would arguably put the warrant holder in the same financial position such holder would have been in if it had received Benitec ADSs upon exercise.

### Purchase Warrants

As part of its registered direct offering announced to ASX on 1 October 2019, Benitec agreed to issue purchase warrants to certain sophisticated and professional investors in the United States. At Benitec's 2019 Annual General Meeting held on 29 November 2019, Benitec Shareholders approved the issuance of four purchase warrants exercisable into 321,286 ADSs in aggregate (representing 64,257,200 underlying Benitec Shares) at an exercise price of US\$7.00 per ADS (**Purchase Warrants**). The Purchase Warrants remain outstanding and are exercisable in whole or in part until 6 December 2024.

Pursuant to the terms of the Purchase Warrants, if Benitec undertakes a "fundamental transaction" at any time while the Purchase Warrants remain outstanding, the holder of a Purchase Warrant may at the holder's option:

- (a) receive the number of shares of capital stock of the successor or acquiring corporation or of Benitec (if Benitec is the surviving corporation) and any additional consideration receivable as a result of such fundamental transaction; or
- (b) concurrently with, or within 30 days after, the consummation of the fundamental transaction (or, if later, the date of the public announcement of the fundamental transaction) require Benitec or any successor entity to acquire the Purchase Warrant for an amount in cash equal to the black scholes value (calculated in accordance with the terms of the Purchase Warrant) of the remaining unexercised portion of the Purchase Warrant.

The Scheme is a "fundamental transaction" for the purposes of the Purchase Warrant. As at the Last Practicable Date, the black scholes value of the Purchase Warrants (as calculated in accordance with their terms of issue) is approximately US\$1.3 million.

Benitec has entered into discussions with holders of the Purchase Warrants to amend and restate the Purchase Warrants so that:

- (c) the rights and obligations of Benitec under the Purchase Warrants are assigned to Holdco; and
- (d) each holder waives any rights under the Purchase Warrants with respect to the fundamental transaction provision.

If the discussions are unsuccessful, Holdco may be required to acquire the Purchase Warrants from the holders on or after the implementation of the Scheme.

Following the implementation of the Scheme, Holdco will be a public reporting company in the United States with Holdco Shares being listed for trading on Nasdaq on the Implementation Date, subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco. After obtaining such listing approval from Nasdaq, Holdco plans to file in due course a post-effective amendment to the registration statement on Form F-1 (Registration No. 333-235412) previously filed by Benitec with the SEC and request the SEC to declare it effective for Holdco. After the effectiveness of such amendment, holders of the Purchase Warrants can continue to rely on the same registration statement for the resale of Holdco Shares issuable after exercising the Purchase Warrants.

## 4.9 Historical financial information

This Section 4.9 sets out summary financial information in relation to Benitec for the purpose of this Scheme Booklet. The financial information has been extracted from Benitec's 2018 and 2019 Annual Reports.

The historical financial information of Benitec in this Section 4.9 is presented in an abbreviated form and does not contain all the disclosures, presentations, statements or comparatives that are usually provided in an annual report prepared in accordance with the Corporations Act. Benitec considers that for the purposes of this Scheme Booklet, the historical financial information presented in an abbreviated form is more meaningful to Benitec Shareholders. The historical financial information of Benitec has been prepared in accordance with the recognition and measurement principles contained in the Australian Accounting Standards. Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

# Profile of Holdco

## 5.1 Overview

Holdco was incorporated under the laws of the US State of Delaware on 22 November 2019.

Holdco has been incorporated for the purposes of re-domiciling Benitec to the United States. Holdco will not conduct and will have no current intent to conduct any business other than entering into the agreements and performing the acts which are detailed in this Scheme Booklet. As Holdco will be a newly formed entity, Holdco's initial financial statements will be Benitec's historical financial statements.

If the Scheme is implemented, Holdco's business will consist entirely of the business of Benitec, which will become a wholly owned subsidiary of Holdco.

## 5.2 Directors

As at the date of this Scheme Booklet, the directors of Holdco are the existing Directors, being:

- Jerel A. Banks, M.D., Ph.D.
- Peter Francis
- Megan Boston
- Kevin Buchi

The Nasdaq listing rules require that a listed company's board must have a majority of independent directors, being a person other than an executive officer or employee of the company or any other individual having a relationship which, in the opinion of the company's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Accordingly, prior to implementation of the Scheme, Holdco intends to appoint at least one additional independent non-executive director to satisfy the Nasdaq listing rules.

## 5.3 Capital Structure

Holdco is authorised to issue up to 10,000,000 shares of common stock of US\$0.0001 par value. As at the date of this Scheme Booklet, no Holdco Shares or other securities have been issued by Holdco.

## 5.4 Rights and liabilities attaching to Holdco Shares

The rights of Holdco Shareholders are governed by the DGCL and Holdco's certificate of incorporation and by-laws. If Holdco Shares are approved for trading on Nasdaq, they will also be subject to the listing rules of Nasdaq.

A comparison between the key rights of holders of Benitec Shares and Holdco Shares is set out below. The comparison below is provided in summary form and is not an exhaustive list of all rights of holders of Benitec Shares and Holdco Shares. It is intended as a general guide only and should be read in conjunction with the disclosures in other Sections of this Scheme Booklet, including Section 5.6. Benitec Shareholders should consult with their own legal advisers if they have any queries.

ITEM	RIGHTS OF HOLDERS OF BENITEC SHARES	RIGHTS OF HOLDERS OF HOLDCO SHARES
<b>Dividends</b>	Each Benitec Share entitles the holder to receive dividends properly declared by the Benitec Board (subject to any unpaid capital on the Benitec Share).	Holdco Shares entitles the holder to receive dividends declared by the Holdco Board out of funds legally available for that purpose.
<b>Winding up</b>	Each Benitec Share entitles the holder to receive in kind the whole or any part of Benitec's property after payment of all prior claims (i.e. fixed charge holders, preferential creditors and floating charge holders) upon winding up, subject to priority given to any holders of preference shares (of which there are currently none on issue) and the rights of the liquidator under the Corporations Act.	Holdco Shareholders do not have any conversion, redemption or pre-emptive rights. In the event of any voluntary or involuntary liquidation, dissolution, or winding up of Holdco, Holdco Shareholders will be entitled to receive all of the remaining Holdco assets available for distribution to its shareholders, pro rata in proportion to the number of shares of common stock held by them.
<b>Voting rights</b>	Subject to any voting restrictions under the Listing Rules and Corporations Act, each Benitec Share entitles the holder at any general meeting of Benitec Shareholders (whether in person, by proxy or representative) to one vote on a show of hands and one vote per Benitec Share on a poll.	Holdco's certificate of incorporation provides that each holder of shares of voting common stock is entitled to one vote for every share of stock entitled to vote.
<b>Transfer of shares</b>	Subject to the Corporations Act and the Listing Rules, Benitec Shares are generally transferable.	<p>Under the DGCL, shares are generally freely transferable.</p> <p>Transfer of shares may be subject to restrictions imposed by US federal or state securities laws, by the certificate of incorporation or by-laws or by an agreement signed with the holders of shares at issue. Holdco's current certificate of incorporation and by-laws do not impose any specific restrictions on transfer.</p> <p>Transfer of shares shall be made only on the stock ledger of Holdco. Where Holdco Shares are certified, certificates must be surrendered for cancellation before a new certificate, if any, is issued.</p>

## 5.5 Employee shares and options plan

As set out in Section 4.4, upon implementation of the Scheme, Holdco will assume all obligations in relation to the Employee Options under the existing Benitec Employee Share Options Plan.

Holdco intends to adopt a new employee incentive plan (**Holdco EIP**) to enable Holdco to issue long-term incentives to Officers and employees of Holdco subsequent to completion of the re-domiciliation. The Holdco EIP is expected to be in a form and contain provisions which are customary for a US public company admitted to a major stock exchange. Upon Holdco Shareholder approval and adoption by Holdco, a copy of the Holdco EIP will be made available at the SEC's website at [www.sec.gov](http://www.sec.gov).

## 5.6 Differences between corporate laws

Benitec is incorporated in Western Australia, Australia. Holdco is incorporated in Delaware, United States. As a result, if the Scheme is implemented, different legal regimes will apply to the Benitec Group.

Some of the differences between Australian and Delaware corporate laws could be viewed as advantageous to Benitec Shareholders, while others could be viewed as disadvantageous.

The comparison below is provided in summary form and is not an exhaustive statement of all relevant laws, rules and regulations. It is intended as a general guide only. It should be read in conjunction with the disclosures in other Sections of this Scheme Booklet, including Section 5.4. Benitec Shareholders should consult with their own legal advisers if they have any queries.

ITEM	AUSTRALIAN POSITION	US POSITION
<b>DEALINGS WITH SHARES</b>		
<b>Share capital</b>	Australian law does not contain any concept of authorised capital or par value per share. The number and issue price of shares is set by the Benitec Directors collectively as a board at the time of each issue.	Holdco's certificate of incorporation authorises the issue of up to 10,000,000 shares of common stock, US\$0.0001 par value per share.
<b>Share buy-backs</b>	Under the Corporations Act, a company may buy-back its shares. The procedure, which may include shareholder approval, depends on the type of the buy-back and the quantity of shares subject to the buy-back. Share buy-backs must not materially prejudice the company's ability to pay its creditors.	<p>The DGCL generally permits Holdco to purchase or redeem its outstanding shares out of funds legally available for that purpose without obtaining stockholder approval, provided that:</p> <ul style="list-style-type: none"> <li>• the capital of Holdco is not impaired;</li> <li>• such purchase or redemption would not cause the capital of Holdco to become impaired;</li> <li>• the purchase price does not exceed the price at which the shares are redeemable at the option of Holdco; and</li> <li>• immediately following any such redemption Holdco shall have outstanding one or more shares of one or more classes or series of stock, which shares shall have full voting powers.</li> </ul>
<b>Issue of new shares</b>	<p>The Benitec Board is generally free to authorise the issue of additional securities, subject to the Listing Rules and the Corporations Act.</p> <p>Listing Rule 7.1 prohibits any entity from issuing or agreeing to issue securities in any 12 month period if the issue would exceed 15% of the entity's fully paid ordinary securities unless it obtains shareholder approval (unless an exception applies).</p> <p>There are also restrictions under the Corporations Act and the Listing Rules with respect to issuance of securities under certain circumstances, such as to related parties including to directors, unless an exception applies.</p>	<p>If all the shares authorised in Holdco's certificate of incorporation have not been issued, the Holdco Board may issue shares in such manner, for such consideration and on such terms as the Holdco Board may determine, without stockholder approval, not exceeding the number of authorised shares.</p> <p>Under the Nasdaq listing rules, shareholder approval is required for certain significant issuances of Holdco securities including issuances in excess of 20% of the voting power or number of shares outstanding before the issuance (or 5% in the case of certain related parties), issuances of company securities that will result in a change in control and issuances in connection with a new or materially amended equity compensation arrangement for officers, directors, employees or consultants.</p>

ITEM	AUSTRALIAN POSITION	US POSITION
<b>Variation of class rights</b>	<p>The rights and privileges attached to any class of shares may only be varied (subject to the terms of issue of shares of that class and sections 246B to 246E of the Corporations Act) be varied:</p> <ul style="list-style-type: none"> <li>• with the written consent of holders of 75% of the issued shares of the affected class; or</li> <li>• by special resolution passed at a meeting of the holders of the issued shares of the affected class.</li> </ul> <p>The Corporations Act provides that shareholders with at least 10% of the votes in the affected class may apply to the court (within a limited time frame) to have the variation, cancellation or modification set aside.</p> <p>Subject to the shares' terms of issue, the rights attached to a class of shares are not deemed varied by the issue of further shares of that class.</p>	<p>Under the DGCL, any amendment to Holdco's certificate of incorporation requires approval by holders of the outstanding shares of a particular class if that amendment would:</p> <ul style="list-style-type: none"> <li>• increase or decrease the aggregate number of authorised shares of that class;</li> <li>• increase or decrease the par value of the shares of that class; or</li> <li>• alter or change the powers, preferences or special rights of the shares of that class so as to affect them adversely.</li> </ul> <p>If an amendment would alter or change the powers, preferences or special rights of one or more series of any class so as to adversely affect that series without adversely affecting the entire class, then only the shares of the series so affected shall be considered a separate class and entitled to such separate class approval of the proposed amendment.</p> <p>Under the DGCL, amendments to Holdco's certificate of incorporation also generally require:</p> <ul style="list-style-type: none"> <li>• a board resolution recommending the amendment; and</li> <li>• approval of a majority of the outstanding shares entitled to vote and a majority of the outstanding shares of each class entitled to vote.</li> </ul> <p>Pursuant to Holdco's by-laws, Holdco's by-laws may be adopted, amended or repealed by the affirmative vote of a majority of the directors present at a meeting of the Holdco Board or by the affirmative vote of the holders of at least a majority of the voting power of all of the shares of the corporation then issued and outstanding and entitled to vote generally in any election of directors, voting together as a single class.</p>
<b>Payment of dividends</b>	<p>The Corporations Act states that a company must not pay a dividend unless its assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend. The dividend must be fair and reasonable to the company's shareholders as a whole and must not materially prejudice the company's ability to pay its creditors.</p>	<p>Under the DGCL, the Holdco Board is permitted to declare and pay dividends to stockholders either:</p> <ul style="list-style-type: none"> <li>• out of Holdco's surplus, which is defined as the net assets less statutory capital; or</li> <li>• if no surplus exists, then out of the net profits for the fiscal year in which the dividend is declared and/or the preceding fiscal year, provided that the capital of the corporation is not less than the aggregate amount of the capital represented by the corporation's outstanding stock of all classes having a preference on distribution of assets.</li> </ul> <p>Holders of common stock are entitled to receive dividends when and as declared by the Holdco Board out of funds legally available for that purpose.</p>

## AUSTRALIAN POSITION

## US POSITION

**DIRECTORS AND GOVERNANCE****Number and nomination of directors****NUMBER**

As a public company in Australia, Benitec must have no fewer than three directors (not counting alternate directors), at least two of whom are ordinarily resident in Australia, and at least one company secretary ordinarily resident in Australia. This is also prescribed in the Benitec Constitution.

**NOMINATION**

Under the Listing Rules, an entity must accept nominations for the election of directors up to 35 Business Days (or 30 Business Days in the case of a meeting requested by shareholders) before the date of a general meeting at which the directors may be elected, unless the Benitec Constitution provides otherwise.

Under the Benitec Constitution, except in the case of a director retiring and seeking re-election, a person is only eligible to be appointed as a director by election at a general meeting if Benitec receives at its office at least 30 business days before the relevant general meeting at which the appointment will be considered both a nomination by a Benitec Shareholder and a consent to act as director signed by the person nominated. A person nominated by the Benitec Board for appointment as a director must be nominated at least 25 business days before the relevant general meeting at which the appointment will be considered.

**NUMBER**

Holdco's by-laws provide that the number of directors shall be fixed from time to time exclusively by the board of directors.

Holdco's by-laws provide that directors may be nominated by either the board of directors or by stockholders entitled to vote in the election of directors generally.

**NOMINATION**

Holdco's by-laws provide that nominations of persons for election to the board of directors at an annual meeting of stockholders shall be made pursuant to Holdco's notice of meeting of stockholders, or by or at the direction of the board of directors.

**Removal of directors**

A director may only be removed by resolution at a general meeting of Benitec Shareholders. Under section 203D of the Corporations Act, a notice of intention to move the resolution must be given to the company at least two months before the meeting is to be held. However, if the company calls a meeting after the notice of intention is given, the meeting may pass the resolution even though the meeting is held less than two months after the notice of intention is given.

The DGCL provides that, subject to the rights of the holders of any series of preferred stock, directors may be removed with or without cause by the affirmative vote of the holders of a majority of the voting power of all of the then-outstanding shares of capital stock, or of a single class, entitled to vote generally in the election of directors, voting together as a single class.

ITEM	AUSTRALIAN POSITION	US POSITION
<b>Casual vacancies</b>	<p>The Benitec Board may appoint a person to be a director at any time. Any director so appointed holds office until the next annual general meeting (and is eligible for re- election) and is not taken into account in deciding the rotation or retirement of directors.</p>	<p>Holdco's by-laws provide that vacancies in the board of directors will be filled by the affirmative vote of a majority of the directors then in office, even if less than a quorum, unless the board of directors determines by resolution that any such vacancies shall be filled by the stockholders. Directors so chosen shall serve for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been duly elected and qualified.</p>
<b>Rotation of directors</b>	<p>The Listing Rules require:</p> <ul style="list-style-type: none"> <li>• a director must not hold office (without re-election) past the third annual general meeting following the director's appointment, or 3 years, whichever is longer;</li> <li>• that an entity must hold an election of directors at each annual general meeting (even if none of the directors have exceeded the above time limit); and</li> <li>• directors appointed to fill casual vacancies must not hold office (without re-election) past the next annual general meeting.</li> </ul> <p>The Benitec Constitution also provides that at each annual general meeting, the following directors automatically retire (other than the managing director, although if there is more than one managing director then only one will not be subject to such retirement):</p> <ul style="list-style-type: none"> <li>• one-third of the directors or, if their number is not a multiple of three, then the number nearest to but not exceeding one-third; and</li> <li>• any director who has held office for greater than 3 years following their appointment or if that director did not retire at that annual general meeting would, at the next annual general meeting, have held office for more than three annual general meetings following their appointment, whichever is longer.</li> </ul> <p>Under the Benitec Constitution, retiring directors will, unless disqualified under the Corporations Act or the Benitec Constitution, be eligible for election or re-election to the Benitec Board.</p>	<p>Neither the DGCL nor Holdco's certificate of incorporation provide for mandatory retirement or rotation of directors.</p> <p>Holdco's by-laws provide that each director shall hold office until the next annual meeting of stockholders to be held in the first year after the year in which he or she was elected and until his or her successor is elected, except in the case of his or her death, resignation, disqualification, removal or other causes resulting in a vacancy.</p>

ITEM	AUSTRALIAN POSITION	US POSITION
Remuneration	<p>Under the Listing Rules, the maximum amount to be paid to a company's non-executive directors for their services as directors (other than the salary of an executive director) is not to exceed the amount approved by shareholders in general meeting.</p> <p>There are also certain restrictions in relation to retirement benefits to directors and other officers under the Corporations Act and the Listing Rules.</p> <p>Australian law gives shareholders of listed companies the right to participate in a non-binding vote, to be held at the annual general meeting, on the adoption of the remuneration report of the company. The remuneration report is included in the directors' report and is required to contain a discussion of the board's policy in relation to remuneration of key management personnel of the company. However, if 25% or more of the votes cast are against the passing of the resolution for two annual general meetings in a row, the company must put forward a resolution to spill the board of directors. If the spill resolution is approved, then all directors must stand for re-election at a general meeting to be held within 90 days.</p>	<p>Holdco's by-laws provide that the directors may be paid such compensation for their services and such reimbursement for expenses of attendance at meetings as the board of directors may from time to time determine. Compensation must be determined by the Holdco Board or a duly authorized committee of the Holdco Board.</p>

## TAKEOVERS

**Takeovers and takeovers defenses**

The Corporations Act restricts the acquisition by any person of a “relevant interest” in issued “voting shares” in the company under a transaction where, as a result of the acquisition, that person or someone else’s “voting power” in the company increases from 20% or below to more than 20% or from a starting point that is above 20% and below 90%. The takeovers prohibition is subject to a number of exceptions detailed in the Corporations Act. These exceptions include, for example, an acquisition:

- of not more than 3% of the voting shares during any six month period;
- made with shareholder approval under section 611(7) of the Corporations Act;
- made under a takeover bid; or
- resulting from a scheme of arrangement undertaken in accordance with the Corporations Act and approved by the court.

Any takeover bid must treat all shareholders alike, must not involve any collateral benefits and must comply with the timetable, disclosure and other requirements set out in the Corporations Act.

The purpose of these provisions is to ensure that shareholders in the target company have a reasonable and equal opportunity to participate in any benefits accruing to shareholders through the takeover proposal and that they are given reasonable time and enough information to assess the merits of the proposal.

Under Australian takeovers legislation and policy, boards of target companies are limited in the defensive mechanisms that they can put in place to discourage or defeat a takeover bid. For example, it is likely that the adoption of a shareholders’ rights plan (or so-called ‘poison pill’) would give rise to a declaration of unacceptable circumstances by the Australian Takeovers Panel if it had that effect.

The DGCL provides that if a holder acquires 15% or more of Holdco’s voting stock, or is an affiliate or associate of Holdco and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within 3 years immediately prior to the date on which it is sought to be determined whether such person is an interested stockholder (an “Interested Holder”), Holdco is prohibited from engaging in any business combination with the Interested Holder for a period of 3 years following the time the holder became an Interested Holder.

Such business combinations include, but not limited to, (a) certain mergers or consolidations with the Interested Holder or entities affiliated with the Interested Holder, (b) certain sales, leases, exchanges, pledges, transfers or other dispositions of Holdco assets to the Interested Holder, which assets have an aggregate market value equal to 10% or more of either all of the assets of Holdco or all of the outstanding stock of Holdco and (c) certain transactions which result in the issuance or transfer by Holdco or by any direct or indirect majority owned Holdco subsidiary, to the Interested Holder, of any stock of Holdco or of such Holdco subsidiary.

The above notwithstanding, Holdco may engage in business transactions with an Interested Holder if: (1) Holdco Board approved the business combination or transaction that resulted in the holder becoming an Interested Holder; (2) upon completion of the transaction, the Interested Holder owned at least 85% of the voting stock at the time the transaction commenced; or (3) the business combination is approved at the time of the combination or retroactively by the Holdco Board and authorized at an annual or special stockholders’ meeting, and not by written consent, by the affirmative vote of at least 66 2/3% of the outstanding voting stock that is not owned by the Interested Holder.

The effect of the restriction is to give Holdco’s board of directors the ability to prevent or inhibit an unsolicited takeover attempt initiated through a merger or asset purchase proposal. It may also dissuade unsolicited tender offer proposals unless the offer or is confident of achieving the 85% shareholding level via the tender offer.

<b>Takeovers and takeovers defenses (continued)</b>		<p>Certain provisions of the certificate of incorporation and by-laws of Holdco also have the effect of deterring takeovers, such as those provisions:</p> <ul style="list-style-type: none"> <li>• requiring the affirmative vote of at least a majority of the voting power of all then-outstanding Holdco Shares entitled to vote generally in the election of directors in order for stockholders to adopt, amend or repeal any provision of Holdco's certificate of incorporation;</li> <li>• requiring the affirmative vote of at least a majority of the voting power of all then-outstanding Holdco Shares entitled to vote generally in the election of directors in order for stockholders to adopt, amend or repeal any provision of Holdco's by-laws; and</li> <li>• providing that the number of directors shall be fixed from time to time in the by-laws or any amendment thereof duly adopted by the stockholders.</li> </ul> <p>The certificate of incorporation and by-laws of Holdco may be amended in the future pursuant to these provisions and the DGCL to authorise additional takeover defence mechanisms.</p>

<b>Substantial Shareholding Notices</b>	<p>Under the Corporations Act, a person must give notice to the company and the ASX in the prescribed form generally within two business days if:</p> <ul style="list-style-type: none"> <li>• the person begins to have, or ceases to have, a substantial holding in the company; or</li> <li>• if the person has a substantial holding in the company and there is a movement of 1% or more in their holding.</li> </ul> <p>A person has a substantial holding if that person and that person's associates have a relevant interest in 5% or more of the voting shares in the company.</p>	<p>The Exchange Act requires any shareholder who acquires more than 5% of the outstanding shares of that class to file schedule 13D or 13G reports until their holdings drop below 5%. Beneficial ownership is defined as holding voting or investment power, directly or indirectly.</p> <p>Schedule 13D are for active investors in a company while Schedule 13G reports are for passive investors who do not intend to exert control or seek changes in a company. However, those who own more than 20% of a company must file a Schedule 13D report regardless of their passivity.</p> <p>Both 13D and 13G reports must be filed within 10 days of the purchase resulting in more than 5% of the outstanding shares of a class.</p> <p>The requirement to file schedule 13D and schedule 13G applies not only to US domestic listed issuers, such as Holdco, but also to foreign private issuers, such as Benitec, listed on a US stock exchange. Thus, this requirement will not impose any new obligations on Scheme Shareholders.</p>

## 5.7 Differences between Australian and US financial reporting

If the Scheme is implemented, a different financial reporting regime will apply with respect to Benitec's accounts. Benitec will no longer report under International Financial Reporting Standards (**IFRS**) and instead, will report in accordance with United States Generally Accepted Accounting Principles (**US GAAP**).

The Holdco Board considers there is no reason to believe that there would be a material difference in reported results under the different accounting principles. The Holdco Board believes users of the accounts will continue to understand the content of the accounts after Benitec changes from reporting under IFRS to reporting under US GAAP.

Financial reporting under US GAAP would be similar to that under IFRS, although several items would be classified differently and the required reporting timetable will be different.

## 5.8 Reporting obligations of Holdco

Following implementation of the Scheme, Holdco will be a publicly listed US company and must comply with the applicable US financial reporting requirements. Holdco will become subject to the reporting requirements of the US Securities Act and will be required to file annual, quarterly and current reports, proxy statements and other information with the SEC in addition to its reporting requirements under the Nasdaq listing rules. Affiliates of Holdco will also be subject to the short-swing profit disclosure and recovery provisions of Section 16 of the US Securities Act.

There are material differences between Australia and US financial reporting requirements. A comparison of the financial reporting requirements for Benitec and Holdco is set out below.

The comparison below is provided in summary form and is not an exhaustive statement of all relevant laws, rules and regulations. It is intended as a general guide only. Benitec Shareholders should consult with their own legal advisers if they have any queries.

## 5.9 Corporate governance structure

As a Delaware entity listed on Nasdaq, Holdco will adopt corporate governance policies and new board committee charters in line with Nasdaq listing standards. Holdco intends to adopt the same policies and charters as currently in effect for Benitec, with such changes as necessary for Holdco to comply with the rules applicable to US companies listed on Nasdaq.

Pursuant to the Nasdaq listing rules, Holdco will establish and adopt charters for its Audit Committee and Nominating and Governance Committee. Holdco will also establish a Compensation Committee, the main functions of which are to review, approve and recommend the base salary, equity-based incentives and short-term incentive compensation for the executive officers, approve all long-term equity incentives to Holdco employees, review Holdco's cash and stock-based incentive compensation plans to assess their effectiveness in meeting Holdco's goals and objectives and take other actions to meet its responsibilities as set out in its written charter. Holdco may adopt other charters and policies as the Holdco Board determines is necessary or appropriate.

Holdco is committed to ensuring that its corporate governance systems comply with statutory and stock exchange requirements and to maintaining its focus on transparency, responsibility and accountability.

## 5.10 Holdco's intentions for Benitec's business, assets and employees following implementation

If the Scheme is implemented, Holdco will own all Benitec Shares and Benitec will become a wholly owned subsidiary of Holdco. No winding up, merger or liquidation of Benitec, nor any transfer of material assets from Benitec to Holdco or any other member of the Benitec Group, is currently contemplated.

The Holdco Board currently intends to operate the Benitec Group's business in a manner consistent with past practice, and to continue the employment of its current employees, without any major change or amendment, although the Holdco Board may undertake a review of the Benitec Group following implementation of the Scheme and consider whether there are appropriate measures required to streamline its operations and structure. Additionally, future economic, market and business conditions may cause Holdco to make changes it considers necessary and in the interests of its shareholders.

It is intended that Benitec will be removed from the official listing of the ASX and Holdco will have Holdco Shares traded on Nasdaq.

# Risk Factors

## 6.1 Introduction

In considering the Scheme Resolution, you should be aware that there are a number of risk factors, both general and specific, associated with the Scheme. There are also risks specific to Benitec and/or the industries in which it operates, which could materially adversely affect the future operating and financial performance of Benitec and the value of Benitec Shares.

Benitec Shareholders will continue to be exposed to materially the same general market risks (in Section 6.2) and risks specific to an investment in Benitec (in Section 6.3) that they are exposed to now regardless of whether the Scheme becomes Effective. These risks are provided in short summary form only given Benitec Shareholders are already exposed to them. If the Scheme becomes Effective, then in addition to those risks Scheme Shareholders will also gain exposure to the risks in Section 6.4 as shareholders of Holdco.

The outline of the risks set out in this Section 6 is a summary only and should not be considered exhaustive. This Section 6 does not purport to list every risk that may be applicable to Benitec Shareholders now or in the future. Further, the occurrence or consequences of some of the risks described in this Section 6 may be partially or completely outside the control of Benitec, its Directors and senior management team.

These risk factors do not take into account the individual investment objectives, financial situation, position or particular needs of Benitec Shareholders. Before deciding how to vote in relation to the Scheme Resolution, you should have a sufficient understanding of these matters, having regard to your own individual risk profile, portfolio strategy, investment objectives, financial circumstances and taxation position. If you do not understand any part of this Scheme Booklet or are in any doubt as to how to vote in relation to the Scheme Resolution, it is recommended that you seek professional guidance from your financial, legal, taxation or other independent and qualified professional adviser before deciding how to vote.

You should carefully consider the risk factors discussed in this Section 6, as well as the other information contained in this Scheme Booklet before voting on the Scheme Resolution.

## 6.2 General market risks

Like many listed companies, Benitec is exposed to a number of general risks that could materially adversely affect its financial position, assets and liabilities, reputation, profits, prospects and the market price and/or value of Benitec Shares.

These could include any or all of the following:

- fluctuations in economic conditions in Australia and internationally, including fluctuations in economic growth, interest rates, exchange rates, the level of inflation and employment levels;
- fluctuations in Australian and overseas stock markets;
- changes in government fiscal, monetary, regulatory and foreign policy in relevant jurisdictions and changes to political or judicial policies or conditions (including the impact of referendums in relevant jurisdictions);
- increases in expenses (including wage inflation);
- changes to accounting or financial reporting standards; and
- natural disasters and catastrophic events.

## 6.3

### Specific risks relating to Benitec and the industries in which it operates

- Benitec anticipates that it will continue to incur significant net losses for the foreseeable future and it may never achieve or maintain profitability.
- Benitec will need to continue its efforts to raise additional funding, which may not be available on acceptable terms, or at all. Failure to obtain capital when needed may negatively impact Benitec's ability to continue as a going concern.
- Developing ddRNAi products is expensive, and Benitec expects its research and development expenses to increase substantially in connection with its ongoing activities, particularly as it advances its product candidates in preclinical studies and in future clinical trials and as it undertakes preclinical studies of new product candidates.
- Benitec's product candidates are based on ddRNAi technology. Currently, no product candidates utilising ddRNAi technology have been approved for commercial sale and Benitec's approach to the development of ddRNAi technology may not result in safe, effective or marketable products.
- Benitec is early in its product development efforts and its current product candidates are still in preclinical or early clinical development. Benitec may not be able to obtain regulatory approvals for the commercialisation of some or all of its product candidates.
- Benitec may find it difficult to enrol patients in, and patients could discontinue their participation in, any future clinical trials, which could delay or prevent any future clinical trials of its product candidates and make those trials more expensive to undertake.
- If Benitec is unable to successfully develop related diagnostics for its therapeutic product candidates, or experience significant delays in doing so, Benitec may not achieve marketing approval or realise the full commercial potential of its therapeutic product candidates.
- Even if Benitec completes the necessary preclinical studies and clinical trials, it cannot predict when or if Benitec will obtain regulatory approval to commercialise a product candidate or the approval may be for a more narrow indication than Benitec expects.
- Even if Benitec obtains and maintains approval for its product candidates from the US Food and Drug Administration, Benitec may never obtain approval for its product candidates outside of the United States, which would limit Benitec's market opportunities and adversely affect its business.
- Benitec may not be able to obtain orphan drug exclusivity, where relevant, in all markets for its product candidates.
- Benitec's prospects for successful development and commercialisation of Benitec's products are dependent to varying degrees upon the research, development, commercialisation, and marketing efforts of Benitec's potential collaborators.
- Benitec has not entered into agreements with any third-parties to manufacture, support commercialisation or establish sales and marketing of its product candidates.
- Physicians, patients, third-party payers or others in the medical community may not be receptive to Benitec's product candidates, and Benitec may not generate any future revenue from the sale or licensing of its product candidates.
- Benitec faces competition from entities that have developed or may develop product candidates for its target disease indications, including companies developing novel treatments and technology platforms based on modalities and technology similar to Benitec's.
- A variety of risks outside of Benitec's control associated with international operations could adversely affect Benitec's business.
- The insurance coverage and reimbursement status of newly approved products is uncertain.
- Benitec's relationships with third-party payers, healthcare professionals and customers in the United States and elsewhere may be subject to anti-kickback, fraud and abuse, false claims, transparency, health information privacy and security and other healthcare laws and regulations, which could expose Benitec to significant penalties.
- Negative public opinion and increased regulatory scrutiny of gene therapy and genetic research may damage public perception of Benitec's product candidates or compromise its ability to conduct its business or obtain regulatory approvals for Benitec's product candidates.

- Benitec may not successfully engage in strategic transactions or enter into new collaborations, which could adversely affect Benitec's ability to develop and commercialise product candidates, impact its cash position, increase its expenses and present significant distractions to its management.
- Any inability to attract and retain qualified key management and technical personnel would impair Benitec's ability to implement its business plan.
- Benitec's collaborations with outside scientists and consultants may be subject to restriction and change.
- Benitec may experience difficulties in managing its growth and expanding its operations.
- Benitec's employees, independent contractors, principal investigators, contract research organisations, consultants and vendors may engage in misconduct or other improper activities, including noncompliance with regulatory standards and insider trading.
- Benitec could face potential product liability and, if successful claims are brought against it, Benitec may incur substantial liability and costs.
- Benitec and its development partners, third-party manufacturers and suppliers use biological materials and may use hazardous materials, and any claims relating to improper handling, storage or disposal of these materials could be time consuming or costly.
- Benitec's internal computer and information technology systems, or those of its collaborators and other development partners, third-party contract research organisations or other contractors or consultants, may fail or suffer security breaches, which could result in a disruption of Benitec's product development programs.
- Benitec's current laboratory operations are concentrated in one location and any events affecting this location may seriously compromise Benitec's ability to operate its business and continue the development of its product candidates.
- If Benitec is unable to obtain or protect intellectual property rights related to its product candidates, Benitec may not be able to obtain exclusivity for its product candidates or prevent others from developing similar competitive products.
- Benitec relies on licence relationships with a number of third parties for portions of its intellectual property, including platform technology patents relating to its ddRNAi technology.
- Third-party claims of intellectual property infringement may prevent or delay Benitec's development and commercialisation efforts.
- Benitec may not be successful in obtaining or maintaining necessary rights to gene therapy product components and processes for its development pipeline through acquisitions and in-licenses.
- Benitec may enter into licence agreements with third parties, and if it fails to comply with its obligations in such agreements under which Benitec licenses intellectual property rights from third parties or otherwise experience disruptions to its business relationships with its licensors, Benitec could lose licence rights that are important to its business.
- Benitec may be involved in lawsuits to protect or enforce its patents or the patents of its licensors, which could be expensive, time-consuming and unsuccessful, and issued patents covering its product candidates could be found invalid or unenforceable if challenged in court.
- Benitec's results of operations will be affected by the level of royalty payments that it is required to pay to third parties.
- The licences Benitec grants to its collaborators to use its ddRNAi technology are exclusive to the development of product candidates for certain conditions.
- Changes in US patent law could diminish the value of patents in general, thereby impairing Benitec's ability to protect its products.

### Risks relating to holding Holdco Shares

#### Change in jurisdiction

Delaware law, US federal law and Nasdaq listing rules will apply to Holdco, a company incorporated in the State of Delaware, with the Holdco Shares proposed to be listed on Nasdaq.

Holdco Shareholders effectively will have different rights to the rights they had as Benitec Shareholders as they will no longer be governed by the Corporations Act and Listing Rules.

Differences may arise in respect of rights where a takeover bid is made for Benitec, minority shareholders' rights (for example, in statutory derivative actions or to requisition shareholders meetings) and related party transaction regulation compared to an Australian ASX-listed public company.

Benitec Shareholders should carefully consider the summary of differences between the various comparisons between Benitec and Holdco's legal and financial reporting requirements in Sections 5.6, 5.7 and 5.8.

#### Share market volatility

There is currently no public market for Holdco Shares. It is important to recognise that once the Holdco Shares are traded on Nasdaq, their price may rise or fall and they might trade at prices below or above the current equivalent price for Benitec Shares. There is no guarantee that the listing of Holdco Shares would "re-rate" the valuation of the Benitec Group as it currently stands on the ASX.

Factors affecting the price at which Holdco Shares are traded on Nasdaq include domestic and international conditions. In addition, the prices of many listed entities' securities are affected by factors that might be unrelated to the operating performance of the relevant company. Those fluctuations might adversely affect the price of Holdco Shares.

#### Trading liquidity in Holdco Shares

Once the Holdco Shares are quoted on Nasdaq, there can be no guarantee that an active trading market for the Holdco Shares will develop or that the price of Holdco Shares will increase. There may be few potential buyers or sellers of the Holdco Shares at any time, which may increase the volatility of the market price of Holdco Shares. It may also affect the prevailing price at which Holdco Shareholders are able to sell their Holdco Shares, which may result in a market price that is less than the current equivalent price for Benitec Shares.

#### Dividends

Any future determination to declare cash dividends will be made at the discretion of the Holdco Board, subject to compliance with applicable laws and covenants under current or future credit facilities, which may restrict or limit Holdco's ability to pay dividends, and will depend on its financial condition, operating results, capital requirements, general business conditions and other factors that the Holdco Board may deem relevant.

Holdco does not anticipate paying any cash dividends on Holdco Shares in the foreseeable future. As a result, a return on your investment will only occur if Holdco's Share price appreciates.

#### US legal environment is more litigious

Holdco may be exposed to increased litigation as a US public company, as the US legal environment is generally more litigious. Under Delaware law, a shareholder must meet certain eligibility and standing requirements to bring a derivative action, but settlement or dismissal of a derivative action requires the approval of the court and notice to shareholders of the proposed dismissal.

Shareholders in the US are entitled to commence class action suits on their own behalf and on behalf of any other similarly situated shareholders to enforce an obligation owed to the shareholders directly where the requirements for maintaining a class action under Delaware law have been met.

There is a risk that any material or costly dispute or litigation could adversely affect Holdco's reputation, financial performance or value.

## 6.5

### Risk factors which may prevent the Scheme from being implemented

#### Conditions Precedent

The Scheme is subject to a number of Conditions Precedent, including Court approval and any approvals from ASX and ASIC and the approval of Benitec Shareholders.

There is a risk that the applicable regulatory or Court approvals may not be obtained, or may be obtained subject to conditions which Benitec and/or Holdco (as applicable) are not prepared to accept (acting reasonably), or may be delayed, or that Benitec Shareholders may not approve the Scheme.

Benitec Shareholders should be aware that the costs of the Scheme have been estimated by Benitec to be approximately A\$650,000. Approximately A\$550,000 of these costs are expected to be payable by Benitec regardless of whether or not the Scheme becomes Effective and is implemented.

# Implementing the Scheme

## 7.1

### Scheme Implementation Agreement

#### a. Overview

Benitec and Holdco originally entered into a scheme implementation agreement on 27 November 2019 pursuant to which Benitec agreed to undertake the Scheme and also a warrant scheme. Benitec and Holdco subsequently decided not to proceed with the warrant scheme and replaced the original scheme implementation agreement with an amended and restated scheme implementation agreement on 30 January 2020 (**Scheme Implementation Agreement**) to that effect. A full copy of the Scheme Implementation Agreement is set out in Attachment E to this Scheme Booklet.

The key terms of the Scheme Implementation Agreement are summarised below. This is a summary only and you should refer to the full copy of the Scheme Implementation Agreement for full details.

#### b. Conditions Precedent

Implementation of the Scheme is conditional on the satisfaction (or waiver, if applicable) of all of the following Conditions Precedent:

- **ASIC and ASX:** Before 8.00am on the Second Court Date, ASIC and ASX issue or provide all reliefs, waivers, confirmations, exemptions, consents or approvals, and have done all other acts, necessary, or which Benitec and Holdco agree are desirable, to implement the Scheme and such reliefs, waivers, confirmations, exemptions, consents, approvals or other acts (as the case may be) have not been withdrawn, suspended or revoked at 8.00am on the Second Court Date.
- **Shareholder approval:** Benitec Shareholders approve the Scheme by the Requisite Majority in accordance with the Corporations Act.
- **Court approval:** The Court approves the Scheme in accordance with section 411(4)(b) of the Corporations Act.
- **Regulatory approvals:** Before 8.00am on the Second Court Date the approvals of each Regulatory Authority which Holdco and Benitec agree (acting reasonably) are necessary to implement the Scheme or conduct the Benitec Group's business on and from the implementation of the Scheme lawfully and in a manner consistent with its conduct prior to the Implementation Date.
- **Independent Expert:** The Independent Expert issues a report which concludes that the Scheme is in the best interests of Benitec Shareholders before the date on which this Scheme Booklet is lodged with ASIC.
- **Nasdaq approval:** Prior to 8:00am on the Second Court Date, the Holdco Shares have been authorised for listing on Nasdaq, subject to official notice of issuance following the implementation of the Scheme and any customary conditions.
- **Regulatory intervention:** No Court or Regulatory Authority has issued or taken steps to issue an order, temporary restraining order, preliminary or permanent injunction, decree or ruling or taken any action enjoining, restraining or otherwise imposing a legal restraint or prohibition preventing the Scheme and no such order, decree, ruling, other action or refusal is in effect as at 8.00am on the Second Court Date.

A summary of the status of the Conditions Precedent is set out in Section 8.5.

#### c. Termination

The Implementation Deed may be terminated by either Benitec or Holdco if:

- **Material Breach:** at any time prior to 8:00am on the Second Court Date, if the other party is in material breach of the Implementation Deed in certain circumstances; or
- **Mutual Termination:** if agreed to in writing by Benitec and Holdco.

## 7.2 Voting on the Scheme

The Scheme will only become Effective and be implemented if:

- the Requisite Majority of Benitec Shareholders approve the Scheme Resolution at the Scheme Meeting;
- the Court approves the Scheme at the Second Court Hearing; and
- all Conditions Precedents have been satisfied or waived (if applicable) by the End Date.

Passing of the Scheme Resolution by Benitec Shareholders requires approval by both:

- a majority in number (more than 50%) of Benitec Shareholders present and voting at the Scheme Meeting – it should be noted that the Court has the power to waive this requirement; and
- at least 75% of the total number of votes cast on the Scheme Resolution by Benitec Shareholders present and voting at the Scheme Meeting.

## 7.3 Court approval of the Scheme

In the event that:

- the Scheme is approved by the Requisite Majority at the Scheme Meeting (see Section 7.2 for the approval requirements); and
- all Conditions Precedent (except Court approval of the Scheme) have been satisfied or waived (if they are capable of being waived), then Benitec will apply to the Court for orders approving the Scheme.

The Court may refuse to grant the orders referred to above even if the Scheme is approved by the Requisite Majority of the Benitec Shareholders at the Scheme Meeting.

The date on which the Court will hear Benitec's application for approval of the Scheme is the Second Court Date, which is expected to be on Monday, 30 March 2020. Any change to this date will be announced through the ASX. The hearing will be held at the Supreme Court of Queensland, 415 George Street, Brisbane, Queensland 4000.

Each Benitec Shareholder has the right to appear at the Second Court Hearing. Any Benitec Shareholder who wishes to oppose approval of the Scheme at the Second Court Hearing may do so by filing with the Court, and serving on Benitec, a notice of appearance, in the prescribed form, together with any affidavit on which the Benitec Shareholder wishes to rely at the Second Court Hearing at least one day before the Second Court Hearing.

## 7.4 Deed Poll

As at the date of this Scheme Booklet, the Deed Poll has been executed by Holdco in favour of the Scheme Shareholders, under which Holdco covenants:

- to provide, or to procure the provision of, the Scheme Consideration payable to the Scheme Shareholders in accordance with the Scheme, subject to the Scheme becoming Effective; and
- to undertake all other actions attributed to Holdco under the Scheme.

A copy of the Deed Poll is contained in Attachment B.

## 7.5 Effective Date

If the Court approves the Scheme, the Scheme will become Effective on the Effective Date (currently expected to be Monday, 30 March 2020), being the date an office copy of the Court order from the Second Court Hearing approving the Scheme is lodged with ASIC. Benitec will, on the Scheme becoming Effective, give notice of that event to ASX.

## 7.6 Record date and entitlement to scheme consideration

If the Scheme becomes Effective, Benitec Shareholders on the Share Register on the Record Date (currently expected to be 7.00pm (AEST) on Monday, 6 April 2020) will be entitled to receive the Scheme Consideration in respect of the Scheme Shares they hold as at the Record Date.

## 7.7 Implementation of the Scheme

If the Scheme becomes Effective, the Scheme Consideration will be issued on the Implementation Date (currently expected to be Wednesday, 15 April 2020).

Holdco will also issue:

- the Holdco Shares that cannot be issued to Ineligible Foreign Shareholders;
- the Holdco Shares of any Selling Shareholder; and
- any fractional Holdco Shares,

to the Sale Agent and sold through the Share Sale Facility for the benefit of the relevant person. Refer to Section 3.4 for additional information on the Share Sale Facility.

# Additional Information

### Effect of the transaction on Benitec's material contracts

There are no material contracts held by Benitec which would be affected by the implementation of the Scheme.

## 8.2

### Australian taxation implications of the Scheme

Benitec is not able to consider the potential tax implications of each shareholder. Based on current shareholder information the majority of Benitec Shareholders are residents of Australia and the US. This section and the following section contain a general summary of potential Australian and US tax implications of the Scheme based on the tax laws as at the date of this Scheme Booklet.

The summary in this section is intended to serve as a general summary of the Australian income tax, Goods and Services Tax (**GST**) and stamp duty implications of the Scheme, in respect of Benitec Shareholders. This summary is for informational purposes only. It is not tax advice and it should not be relied upon as tax advice.

The tax implications of the Scheme will depend upon your personal circumstances. Accordingly, you should consult your personal taxation advisor in respect of the tax consequences to you of the Scheme.

Benitec has not sought any rulings from the Australian Taxation Office in relation to the Scheme and does not intend to do so. The Australian Taxation Office may disagree with the discussion below and its views may be upheld by a court.

This section does not consider the consequences of the Scheme for holders of ADS. ADS Holders should consult their personal taxation advisors in respect of the tax consequences of the Scheme.

### Australian income tax considerations of the Scheme for Australian-resident Benitec Shareholders

The following discussion outlines the key Australian income tax implications of the Scheme only for Benitec Shareholders who are Australian residents for Australian tax purposes and who hold their Benitec Shares on capital account.

The below discussion does not apply to Benitec Shareholders who hold their shares on revenue account, as trading stock or subject to the Taxation of Financial Arrangements provisions of the income tax legislation.

#### CGT

CGT Event A1 may apply to Benitec Shareholders upon disposal of their Benitec Shares in exchange for Holdco Shares. The CGT event should occur on the Implementation Date, which is when the change in ownership of the Benitec Shares occurs.

Benitec Shareholders may make:

- A capital gain to the extent that the market value of the Holdco Shares and cash (if sold under the Share Sale Facility) they receive under the Scheme exceeds their cost base in their Benitec Shares, subject to the availability of CGT roll-over relief; or
- A capital loss to the extent that the market value of the Holdco Shares and cash (if sold under the Share Sale Facility) they receive under the Scheme is less than their reduced cost base in their Benitec Shares.

The cost base of Benitec Shares will generally include the amount paid to acquire them or the market value of any property given to acquire them, plus certain incidental costs such as brokerage. However, the actual cost base will depend on the Benitec Shareholder's own circumstances.

If an Australian-resident Benitec Shareholder makes a capital gain in respect of the disposal of their Benitec Shares but is for any reason not able to access scrip-for-scrip roll-over relief as described below, a CGT discount may be available. Relevantly, the CGT discount is available in respect of capital gains made on the disposal of CGT assets held by an individual, a trust or certain superannuation or life insurance entities for at least 12 months (not including the date of acquisition or disposal). Generally, the discount allows the relevant taxpayer to reduce the gain made by 50% if the taxpayer is an individual or a trust, and by 33.33% if the taxpayer is a qualifying superannuation or life insurance entity.

Benitec Shareholders who make a capital gain on disposal of their Benitec Shares will be required to include that gain in calculating their net capital gain for the income year. If they make a net capital gain, they will need to include the amount of that net capital gain (if any) in their assessable income.

### Roll-over relief

Scrip-for-scrip roll-over relief should enable Australian-resident Benitec Shareholders to disregard any capital gain they may make on disposal of the Benitec Shares, to the extent that they receive Scheme Consideration in the form of Holdco Shares. Benitec Shareholders will not be able to obtain the roll-over if any capital gain they might make from their Holdco Shares would be disregarded (except because of a roll-over).

Benitec Shareholders will need to choose the roll-over to apply. This choice may be demonstrated by the way their tax return is completed for the income year in which they would otherwise make the capital gain.

Benitec Shareholders will not be able to choose the roll-over to the extent that they receive anything other than Holdco Shares in exchange for their Benitec Shares under the Scheme. This will include a Benitec Shareholder who receives cash in lieu of Fractional Holdco Shares, or as a result of a Sale Election. While a partial roll-over should still be available to the extent those Benitec Shareholders receive Holdco Shares, they may make a capital gain or capital loss as set out above to the extent they receive cash.

A roll-over may be available but additional conditions will need to be satisfied if any Benitec Shareholder holds a "significant stake" in Benitec before the Scheme and in Holdco after the Scheme is implemented. A person will hold a significant stake if, together with any associates (as defined in the income tax law), they hold 30% or more of the voting, capital or dividend rights in the company, or rights to acquire those rights.

The roll-over would not be available for a Benitec Shareholder who makes a capital loss on the disposal of their Benitec Shares.

### Cost base and acquisition date of Holdco Shares

To the extent that Benitec Shareholders qualify for scrip-for-scrip roll-over relief and choose the roll-over, their cost base in the Holdco Shares should include their cost base for the Benitec Shares they previously held (taking into account the potential different number of shares held in each). To the extent that Benitec Shareholders qualify for partial roll-over relief, then the cost base of the Benitec Shares should be apportioned between the Holdco Shares and the cash received in lieu of Holdco Shares.

For the purposes of the potential availability of the CGT discount on a later disposal of Holdco Shares, each Holdco Share should be treated as if it was acquired at the time at which the corresponding Benitec Share was originally acquired.

For Benitec Shareholders who are not eligible for the roll-over or do not choose the roll-over, the Holdco Shares should be taken to be acquired on the Implementation Date for the market value of their Benitec Shares at the Implementation Date.

### Dividends on Holdco Shares

The following comments are also based on the Australian tax laws as at the date of this Scheme Booklet. Benitec Shareholders should be aware that the laws may change after the date of this Scheme Booklet and the consequences of holding Holdco Shares will be subject to the laws as they stand at the relevant time.

The assessable income of an Australian resident for Australian tax purposes includes the ordinary income derived directly and indirectly from Australian and worldwide sources.

Accordingly, after the Scheme is implemented, an Australian-resident Holdco Shareholder will be required to include in its assessable income the gross amount of any dividends it may receive from Holdco when those dividends are paid or credited to them.

Where a Holdco Shareholder is an Australian resident company that holds (directly or indirectly) at least 10% of the "direct participation" interests in Holdco, dividends received from Holdco may be treated as non-assessable non-exempt income if certain requirements are met.

## Sale or other disposal of Holdco Shares

The following comments are also based on the Australian tax laws as at the date of this Scheme Booklet. Benitec Shareholders should be aware that the laws may change after the date of this Scheme Booklet and the consequences of disposing of Holdco Shares will be subject to the laws as they stand at the relevant time.

Any capital gain derived from the disposal of Holdco Shares held on capital account should be included in calculating a Holdco Shareholder's net capital gain for the income year. The resulting net capital gain (if any) should be included in the assessable income of an Australian-resident Holdco Shareholder and taxed accordingly. An Australian-resident Holdco Shareholder will make a capital gain to the extent that the capital proceeds (in Australian dollars) of that disposal exceeds the cost base (in Australian dollars). An Australian-resident Holdco Shareholder will make a capital loss if the capital proceeds (in Australian dollars) of that disposal are less than the reduced cost base (in Australian dollars).

If an Australian-resident Holdco Shareholder receives any foreign capital proceeds (i.e., in US dollars), such proceeds should be converted into Australian dollars at the prevailing exchange rate at the time of the disposal for Australian tax purposes.

However, in certain circumstances, Holdco Shareholders may be wholly or partly exempted from Australian income tax on a disposal of their Holdco Shares. This may include where their Holdco Shares are attributable to a permanent establishment in another country or where they are entitled to the benefit of a provision of a double tax agreement between Australia and another country. Lastly, and in broad terms, a capital gain or capital loss on disposal of Holdco Shares may be reduced by a percentage to which the underlying assets of Holdco are used in the "active business", where a Holdco Shareholder is an Australian resident company that holds a "direct voting percentage" of 10% or more in Holdco throughout a 12 month period that began no earlier than 24 months before the time of the disposal and ended no later than that time.

## Foreign Income Tax Offsets (FITO)

Australian-resident Holdco Shareholders may be entitled to claim a FITO for an income year where they have paid foreign income tax on amounts included in their assessable income for the year.

A FITO is a credit that is used to reduce the Australian income tax that would otherwise be payable. Australian-resident Holdco Shareholders should generally, and subject to limitations applicable to their particular circumstances, be entitled to a FITO for tax withheld from dividends paid by Holdco.

A FITO should also be available to Australian-resident Holdco Shareholders for the foreign tax applicable, if any, on any gain derived from the disposal of Holdco Shares.

## Australian income tax considerations of the Scheme for Non-Australian-resident Benitec Shareholders

The following discussion outlines the key Australian income tax implications of the Scheme only for Benitec Shareholders who are non-residents for Australian tax purposes and who hold their Benitec Shares on capital account.

The below discussion does not apply to Benitec Shareholders who hold their shares on revenue account, as trading stock or subject to the Taxation of Financial Arrangements provisions of the income tax legislation.

## CGT

CGT Event A1 may apply to non-resident Benitec Shareholders upon disposal of their Benitec Shares in exchange for Holdco Shares. The CGT event should occur on the Implementation Date, which is when the change in ownership of the Benitec Shares occurs.

Benitec Shareholders may make:

- A capital gain to the extent that the market value of the Holdco Shares and cash (if any) they receive under the Scheme exceeds their cost base in their Benitec Shares, subject to the availability of CGT roll-over relief; or
- A capital loss to the extent that the market value of the Holdco Shares and cash (if any) they receive under the Scheme is less than their reduced cost base in their Benitec Shares.

However, any capital gain or loss may be disregarded by a non-resident Benitec Shareholder if their Benitec Shares do not constitute “Taxable Australian Property” (**TAP**). The Benitec Shares should only be considered TAP if:

- more than 50% of the market value of Benitec’s assets is attributable to Australian real property (i.e., a freehold or leasehold interest in Australian real property, or mining, quarrying or prospecting rights in land in Australia, whether held directly or indirectly through its subsidiaries); or
- the Benitec Shareholder used the shares at any time in carrying on a business through an Australian permanent establishment.

The Benitec Group does not hold material interests in Australian real property. Accordingly, if the Benitec Shareholder has not used their Benitec Shares at any time to carry on a business through an Australian permanent establishment, any capital gain or loss made by the Benitec Shareholder should be disregarded.

In relation to non-resident Benitec Shareholders who hold their Benitec Shares on capital account and have used their Benitec Shares to carry on a business through an Australian permanent establishment, to the extent that:

- a Benitec Shareholder realises a capital gain from exchanging their Benitec Shares for Holdco Shares under the Scheme, they may be able to choose to apply scrip-for-scrip roll-over relief (discussed above) if their Holdco Shares would also be TAP; or
- a capital loss arises, scrip-for-scrip roll-over relief should not apply. Instead, the capital loss would be treated as arising at the time of disposal of the Benitec Shares.

Benitec Shareholders will not be able to obtain the roll-over if any capital gain they might make from their Holdco Shares would be disregarded (except because of a roll-over). This may include situations in which Benitec Shares are TAP in the hands of a Benitec Shareholder but the Holdco Shares received in exchange are not TAP.

To the extent that non-resident Benitec Shareholders qualify for scrip-for-scrip roll-over relief and choose the roll-over, their cost base in the Holdco Shares should include their cost base for the Benitec Shares they previously held (taking into account the potential different number of shares held in each). To the extent that Benitec Shareholders qualify for partial roll-over relief, then the cost base of the Benitec Shares should be apportioned between the Holdco Shares and the cash received in lieu of Holdco Shares.

A roll-over may be available but additional conditions will be need to be satisfied if any Benitec Shareholder holds a “significant stake” in Benitec before the Scheme and in Holdco after the Scheme is implemented. A person will hold a significant stake if, together with any associates (as defined in the income tax law), they hold 30% or more of the voting, capital or dividend rights in the company, or rights to acquire those rights.

For Benitec Shareholders who are not eligible for the roll-over or do not choose the roll-over, the Holdco Shares should be taken to be acquired on the Implementation Date for the market value of their Benitec Shares at the Implementation Date.

## GST

No GST liability should arise to Benitec Shareholders on either the disposal of their Benitec Shares or on the acquisition of Holdco Shares under the Scheme.

## Stamp duty

No stamp duty should payable by Benitec Shareholders on either the disposal of their Benitec Shares or on the acquisition of Holdco Shares under the Scheme.

## 8.3

### US federal taxation implications

The following is a summary of certain material US federal income tax consequences of the (i) Scheme and (ii) post Scheme ownership and disposition of Holdco Shares. This summary is based upon the US Internal Revenue Code of 1986, as amended (“Code”) and US Treasury regulations promulgated thereunder, published guidance and court decisions, each as in effect on the date hereof, all of which are subject to change, or to changes in interpretation, possibly with retroactive effect. Benitec has not sought, and will not seek, a ruling from the Internal Revenue Service (“IRS”) as to any US federal income tax consequence described herein. The IRS may disagree with the discussion herein, and its determination may be upheld by a court. Moreover, there can be no assurance that future legislation, regulations, administrative rulings or court decisions will not adversely affect the accuracy of the statements in this discussion.

The following discussion assumes the Scheme will be consummated as described herein, and applies only to Benitec Shareholders receiving Holdco Shares (rather than cash from the Share Sale Facility) that hold their Benitec Shares and ADSs, and that will hold their shares of Holdco received pursuant to the Scheme, as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment). This discussion assumes that Benitec Shareholders will receive Holdco Shares representing at least 80 percent of the outstanding Holdco Shares and that Holdco will directly own all of the Benitec shares after the Scheme. This discussion does not address all aspects of US federal income taxation that may be relevant to a holder in light of such holder’s particular circumstances, including any tax consequences arising under the Medicare contribution tax on net investment income, the alternative minimum tax, tax with respect to foreign currency gains and losses, or to any holder subject to special treatment under the Code, including, but not limited to:

- A person who directly, indirectly or constructively owns 10 percent or more of the Benitec ADSs and/or Benitec Shares (or Holdco Shares after the Scheme);
- Financial institutions or broker-dealers;
- Mutual funds;
- Tax-exempt organizations (including private foundations);
- Insurance companies;
- Dealers in securities or foreign currencies;
- Traders in securities who elect to use a mark-to-market method of accounting;
- Controlled foreign corporations and their direct and indirect shareholders, or any foreign corporation with respect to which there are one or more “United States shareholders” within the meaning of Section 951(b) of the Code;
- Passive foreign investment companies and their direct and indirect shareholders;
- US expatriates and certain former US citizens or long-term residents;
- “S” corporations, partnerships and their partners, or other entities or arrangements classified as partnerships for US federal income tax purposes, grantor trusts, or other pass-through entities (and investors therein);
- Holders who acquired their Benitec Shares or ADSs through the exercise of options or otherwise as compensation;
- Holders who hold their Benitec Shares or ADSs (or Holdco Shares after the Scheme) as part of a hedge, straddle, constructive sale, conversion transaction, or other integrated transaction for US federal income tax purposes;
- Regulated investment companies;
- Real estate investment trusts; and
- Investors subject to special tax accounting rules as a result of any item of gross income with respect to the ADSs or common stock being taken into account in an applicable financial statement.

In addition, this summary does not address any aspect of non-US, state, local, estate, gift or other tax law that may be applicable to a holder.

**This summary is intended to provide only a general summary of certain US federal income tax consequences of the Scheme to holders of Benitec Shares and ADSs and post Scheme ownership and disposition of Holdco Shares.**

The US federal income tax laws are complex and subject to varying interpretation. Accordingly, the IRS may not agree with the tax consequences described in this Scheme Booklet, and there is no assurance that the IRS’ position would not be sustained in a court. Each holder of Benitec Shares and ADSs should consult their own tax advisor regarding the US federal, state, local, non-US and other tax consequences to them of the receipt of Holdco Shares in exchange for Benitec Shares and ADSs pursuant to the Scheme, and the ownership and disposition thereof.

For purposes of this summary, a “**US Holder**” is a beneficial owner of ADSs or Benitec Shares that is, for US federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or an entity classified as a corporation for US federal income tax purposes), created in, or organised under the laws of, the United States or any state thereof or the District of Columbia;
- an estate the income of which is includible in gross income for US federal income tax purposes regardless of its source; or
- a trust (A) the administration of which is subject to the primary supervision of a US court and which has one or more US persons who have the authority to control all substantial decisions of the trust or (B) that has made a valid election to be treated as a US person under the Code.

If a partnership (or other entity treated as a “tax transparent” entity for US tax purposes) is the beneficial owner of Benitec Shares or ADSs, the tax treatment of a partner in the partnership (or interest holder in the “tax transparent” entity) will generally depend on the status of the partner (or interest holder) and the activities of the partnership (or tax transparent entity).

A Non-US Holder is a beneficial owner (other than a partnership) of Benitec Shares or ADSs that is not a US Holder (as defined above). The following discussion assumes that a Non-US Holder does not have a trade or business or permanent establishment in the United States.

In general, for US federal income tax purposes, US Holders of ADSs will be treated as the beneficial owners of the underlying common stock represented by the ADSs.

**THIS DISCUSSION IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT TAX ADVICE. HOLDERS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE PARTICULAR US FEDERAL INCOME TAX CONSEQUENCES TO THEM OF ACQUIRING, OWNING AND DISPOSING OF THE HOLDCO SHARES, AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER ANY STATE, LOCAL, OR NON-US TAX LAWS AND ANY OTHER US FEDERAL TAX LAWS.**

## Material US Federal Income Tax Consequences of the Scheme

Subject to the Passive Foreign Investment Company discussion below and the exceptions and assumptions otherwise described in this section 8.3, the exchange of Benitec Shares and ADSs for Holdco Shares pursuant to the Scheme is intended to be treated as a reorganization described in Code Section 368(a) and/or an exchange described by Code Section 351 in which no gain or loss is recognized to Benitec or Holdco. This summary assumes that the exchange of Benitec Shares and ADSs for Holdco Shares pursuant to the Scheme will be governed by Section 368(a) and/or Section 351 of the Code and that following the Scheme, Benitec will continue as a direct, wholly owned subsidiary of Holdco.

### US Holders Passive Foreign Investment Company

A non-US corporation will be treated as a passive foreign investment company (“**PFIC**”) for any taxable year if at least 75% of its gross income is passive income or at least 50% of its gross assets produce (or are held for the production of) passive income. Passive income for this purpose generally includes, among other things, dividends, interest, rents, royalties and gains from assets that produce passive income. The Benitec Board believes it is likely that Benitec qualified as a PFIC for fiscal year 2019.

US persons who are shareholders of PFICs are generally subject to special tax as well as an interest charge upon a disposition of their PFIC stock. In general, any gain realized on such dispositions is not treated as capital gain. Instead, a US person is treated as if it had realized such gain and certain “excess distributions” over its holding period for the PFIC stock and is taxed at the highest tax rate in effect for each year to which the gain was allocated, together with an interest charge in respect of the tax attributable to each such year. The Code also provides special rules regarding exchanges and other dispositions of PFIC stock that can, in certain circumstances, override otherwise applicable nonrecognition treatment.

A US shareholder may generally mitigate the adverse tax consequences of holding PFIC stock by timely making certain elections. In general, a US shareholder that makes a mark-to-market election with respect to PFIC stock that is “marketable stock” must include in ordinary income for each year an amount equal to the excess, if any, of the fair market value of such US shareholder’s PFIC stock at the close of the taxable year, over such shareholder’s adjusted US tax basis therein. If a valid mark-to-market election is timely made, gains from a sale or other taxable disposition of PFIC

stock generally will be treated as ordinary income, and any losses incurred on such a sale or disposition will generally be treated as an ordinary loss (to the extent of any net mark-to-market gains for prior years).

Alternatively, a US shareholder may make a “qualified electing fund” (“QEF”) election. In general, a US shareholder that timely makes a valid QEF election with respect to a PFIC is required to annually include in income such shareholder’s pro rata share of the PFIC’s ordinary earnings and net capital gain, which will be taxed as ordinary income and long-term capital gain, respectively, regardless of whether such amounts are actually distributed. A US shareholder generally recognizes capital gain or loss on the disposition of PFIC stock in an amount equal to the difference between (i) the amount realized and (ii) the US shareholder’s adjusted tax basis in the PFIC stock.

In general, unless an exception applies, gain (but not loss) must be recognized upon the disposition of PFIC stock by a US shareholder in connection with a nonrecognition transaction, notwithstanding that such transfer may otherwise be eligible for nonrecognition treatment. Exceptions to such gain recognition on transfers of PFIC stock include (i) certain transfers to US persons, (ii) certain transfers which result in the transferring US shareholder holding an indirect ownership interest in the PFIC, and (iii) if the transferring US shareholder timely made a valid QEF or mark-to-market election with respect to the PFIC. If a disposition of PFIC stock in a nonrecognition transaction to which such an exception would apply but for the fact that cash is received in addition to stock, gain is generally recognized to the extent of the cash received. If an exception to gain recognition applies, a US shareholder will generally be subject to additional information reporting requirements.

US Holders are urged to contact their own tax advisor regarding our status as a PFIC and the application of the PFIC rules in light of each US Holder’s particular circumstances.

### **Exchange of Benitec Shares and ADSs for Holdco Shares**

Subject to the exceptions and assumptions otherwise described in this section 8.3 and the PFIC discussion above, assuming Benitec is a PFIC, US Holders generally will be subject to tax as described above in “Passive Foreign Investment Company” on the exchange of Benitec Shares or ADSs for Holdco Shares as a disposition of PFIC stock subject to gain recognition unless the US Holder timely made a valid QEF or mark-to-market election or qualifies for an exception, in which case such US Holder generally will recognize no gain or loss on the exchange of Benitec Shares

or ADSs for Holdco Shares. Such US Holders generally will recognize gain or loss to the extent of cash received in lieu of fractional Holdco Shares.

US Holders generally will have an aggregate adjusted US federal tax basis in the Holdco Shares received pursuant to the Scheme equal to their aggregate adjusted US federal tax basis in the Benitec Shares and ADSs surrendered, increased by the amount of gain recognized, if any. Thus, to the extent a US Holder has a loss in its Benitec Shares or ADSs, such loss generally will be preserved. The holding period for Holdco Shares received pursuant to the Scheme by US Holders generally will include the holding period of Benitec Shares and ADSs surrendered pursuant to the Scheme.

US Holders who (i) receive cash in lieu of fractional Holdco Shares or (ii) are Ineligible Foreign Shareholders or Selling Shareholders, generally will be treated as having received such Holdco Shares (or fraction of such Holdco Share) to which they would have been entitled, and then having received cash in exchange for such Holdco Shares (or fraction of such Holdco Shares).

US Holders are urged to contact their own tax advisor regarding our status as a PFIC and the application of the PFIC rules in light of each US Holder’s particular circumstances, including the potential applicability of any exceptions to the PFIC gain recognition rule as well as reporting requirements and information statements that could potentially be applicable with respect to the Scheme and any consequences, including penalties, potentially applicable as a result of a failure to meet such requirements.

### **Non-US Holders**

#### **Exchange of Benitec Shares and ADSs for Holdco Shares**

Non-US Holders generally will not recognize gain or loss for US federal income tax purposes as a result of the Scheme. Non-US Holders that receive cash (in lieu of fractional shares or because they are an Ineligible Foreign Shareholder or Selling Shareholder) may recognize gain or loss, if any. Subject to the considerations described in “Non-US Holders – Sale or Other Disposition of Holdco Shares” below, any gain recognized by a Non-US Holder with respect to Holdco Shares generally will not be subject to US federal income taxation.

Non-US Holders that receive Holdco Shares will generally have an aggregate adjusted US federal tax basis in the Holdco Shares received pursuant to the Scheme equal to their aggregate adjusted US federal tax basis in the Benitec Shares and ADSs surrendered. The holding period for Holdco Shares received pursuant to the Scheme for US federal income tax purposes will generally include the

holding period of Benitec Shares and ADSs surrendered pursuant to the Scheme.

Non-US Holders are urged to contact their own tax advisor regarding any reporting requirements and information statements that could potentially be applicable with respect to the Scheme and any consequences, including penalties, potentially applicable as a result of a failure to meet such requirements.

## Material US Federal Income Tax Consequences of Holding and Disposing of Holdco Shares Post-Scheme

### US Holders

#### Sale or Other Disposition of Holdco Shares

A US Holder will generally recognize gain or loss on a sale or other disposition of Holdco Shares equal to the difference, if any, between the fair market value of the Holdco Shares sold and such US Holder's adjusted US federal tax basis in the Holdco Shares. Such gain or loss will generally be capital gain or loss. If the US Holder has a holding period in the Holdco Shares sold of more than one year, such capital gain or loss will be long-term capital gain or loss. Generally, for US Holders who are individuals (as well as certain trusts and estates), long-term capital gains are subject to US federal income tax at preferential rates. The deductibility of capital losses is subject to significant limitations.

#### Distributions on Holdco Shares

Distributions, if any, paid on Holdco Shares will be treated as dividends to the extent of Holdco's current and accumulated earnings and profits. Amounts treated as dividends will generally be includable in a US Holder's gross income in the year actually or constructively received. Any amount distributed in excess of Holdco's current earnings and profits will first be treated as a tax-free return of capital to the extent of a US Holder's basis in the Holdco Shares with respect to which the distribution was received. Amounts in excess of a US Holder's basis in the Holdco Shares will be treated as capital gain subject to the treatment described above in "Sale or Other Disposition of Holdco Shares." Generally, for US Holders who are individuals (as well as certain trusts and estates), dividends paid by Holdco will be subject to US federal income tax at preferential rates.

#### Information Reporting and Backup Withholding

US backup withholding tax and information reporting requirements will generally apply to payments to non-corporate holders of Holdco Shares. Information reporting will generally apply to payments of dividends on, and to proceeds from the disposition of, Holdco Shares by a

paying agent to a US Holder, other than US Holders that are exempt from information reporting and properly certify their exemption. A paying agent generally will be required to withhold at the applicable statutory rate, currently 24%, in respect of any payments of dividends on, and the proceeds from the disposition of, Holdco Shares within the United States to US Holders (other than US Holders that are exempt from backup withholding and properly certify their exemption) if the holder fails to furnish its correct taxpayer identification number or otherwise fails to comply with applicable backup withholding requirements. US Holders who are required to establish their exempt status generally must provide a properly completed IRS Form W-9 prior to any such payment or distribution being made to the US Holder.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a US Holder's US federal income tax liability. A US Holder generally may obtain a refund of any amounts withheld under the backup withholding rules in excess of such US Holder's US federal income tax liability by filing the appropriate claim for refund with the IRS in a timely manner and furnishing any required information.

### Non-US Holders

#### Sale or Other Disposition of Holdco Shares

A Non-US Holder generally will not be subject to US federal income or withholding tax in respect of gain recognized on a sale, exchange or other taxable disposition of Holdco stock unless Holdco is considered a "United States real property holding corporation" ("USRPHC") within the meaning of Section 897 of the Code, or has been a USRPHC in the five-year period ending on the date of the sale or other disposition. If it is, or was, a USRPHC, then, absent an exception, a Non-US Holder's gain, if any, on the sale of Holdco Shares will be treated as effectively connected with the conduct of a US trade or business. Holdco is not expected to be treated as a USRPHC immediately after the Scheme. If, however, Holdco is or becomes a USRPHC, Non-US Holders would generally be subject to US federal income taxation on gain at the rates generally applicable to US persons. Additionally, a purchaser of Holdco Shares from a Non-US Holder would generally be required to withhold 15% of the purchase price. Such US taxation generally would not apply however to Non-US Holders who have owned (directly, indirectly or constructively) 5 percent or less of the outstanding Holdco Shares during the 5-year period ending on the date of such sale or disposition, as long as the stock of Holdco is regularly traded (within the meaning of Code Section 897(c)(3)) on an established securities market, such as Nasdaq. There can be no assurance that Holdco Shares will be treated as regularly traded on an established securities market for this purpose.

## Distributions on Holdco Shares

Distributions, if any, paid on Holdco Shares will be treated as dividends to the extent of Holdco's current and accumulated earnings and profits. Any amount distributed in excess of Holdco's earnings and profits will first be treated as a tax-free return of capital to the extent of a Non-US Holder's basis in the Holdco Shares with respect to which the distribution was received. Amounts in excess of a Non-US Holder's basis in the Holdco Shares will be treated as capital gain subject to the treatment described above in "Sale or Other Disposition of Holdco Shares."

Dividends paid to a Non-US Holder will generally be subject to withholding tax at a 30% rate unless the Non-US Holder is eligible for the benefits of an income tax treaty that provides for a reduced rate of withholding and such Non-US Holder establishes its eligibility for the reduced rate by providing a valid, executed applicable Form W-8 (and any other applicable documentation). If a Non-US Holder is eligible for a reduced rate of withholding, such Non-US Holder may file a refund claim with the IRS for a refund of any amounts withheld in excess of such reduced rate.

Although distributions that are treated as a return of capital or as capital gain are generally not subject to withholding, distributions from USRPHCs are generally subject to 15 percent withholding. As noted above, it is not anticipated that Holdco will be treated as a USRPHC immediately after the Scheme. Accordingly, it is not anticipated that Holdco will be required to so withhold 15% of any amount distributed that is not a dividend.

## Information Reporting and Backup Withholding

Distributions to Non-US Holders on Holdco Shares generally will not be subject to backup withholding, and payments of proceeds made to Non-US Holders upon a sale of Holdco Shares generally will not be subject to information reporting or backup withholding, in each case so long as the Non-US Holder timely certifies its non-resident status (and Holdco or its paying agent do not have actual knowledge or reason to know that the Non-US Holder is a US person or that the conditions of any other exemption are not, in fact, satisfied) or otherwise establishes an exemption. The certification procedures to claim a reduced rate of withholding under an income tax treaty described above in "Distributions on Holdco Shares" will generally satisfy the certification requirements necessary to avoid backup withholding. Copies of information returns with respect to dividends that are filed with the IRS may also be made available to tax authorities of the country in which the Non-US Holder resides.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a Non-US Holder's US federal income tax liability. A Non-US Holder generally may obtain a refund of any amounts withheld under the backup withholding rules in excess of such Non-US Holder's US federal income tax liability by filing the appropriate claim for refund with the IRS in a timely manner and furnishing any required information.

## FATCA Withholding

Withholding tax may be imposed under Sections 1471 to 1474 of the Code (commonly referred to as the Foreign Account Tax Compliance Act or "FATCA") on certain types of payments made to non-US financial institutions and certain other non-US persons. Specifically, a 30% withholding tax may be imposed on payments of dividends (including constructive dividends) if paid to a "foreign financial institution" or a "non-financial foreign entity" (each as defined in the Code or applicable intergovernmental agreement governing FATCA between the United States and the applicable country), unless various US information reporting and due diligence requirements (generally relating to ownership by US persons of interests in or accounts with those entities) have been satisfied, or an exemption applies (typically certified as to by the delivery of a properly completed, applicable IRS Form W-8).

The FATCA withholding tax can apply to any "withholdable payments" (as defined in the Code) without regard to whether the beneficial owner of the payment would otherwise be entitled to an exemption from or reduction of withholding tax pursuant to an applicable income tax treaty with the United States or under other provisions of the Code. Non-US Holders are urged to consult their tax advisors regarding the potential application of withholding under FATCA to their investment in Holdco Shares.

As at the Last Practicable Date, the Directors are not aware of any reason why these Conditions Precedent would not be satisfied or waived with the agreement of Holdco.

The Scheme will not proceed unless all the Conditions Precedent are satisfied or waived (if applicable) in accordance with the Scheme Implementation Agreement.

Benitec will continue to keep Benitec Shareholders updated on any material developments.

## United States

The Holdco Shares have not been registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States. The Scheme is not being made in any U.S. state or other jurisdiction where it is not legally permitted.

Holdco is relying on Section 3(a)(10) of the US Securities Act in connection with the consummation of the Scheme and the issuance of Holdco Shares. Section 3(a)(10) provides an exemption for registration of securities issued in exchange for other securities where the terms and conditions of the issuance and exchange have been approved by a court of competent jurisdiction, after a hearing upon the fairness of the terms and conditions of the issuance at which all persons to whom the securities will be issued have the right to appear. Approval of the Scheme by the Court will be relied upon by Benitec and Holdco for purposes of qualifying for the Section 3(a)(10) exemption.

Persons who are affiliates of Benitec prior to the Effective Date of the Scheme and who are affiliates of Holdco after the Effective Date of the Scheme will be subject to certain restrictions on resale in a United States public market including:

- sales may be made only if Holdco has been a United States reporting company for at least 90 days and has complied with its United States reporting obligations;
- the volume of securities that can be sold in any three month period is limited to an amount equal to 1% of Holdco Shares on issue or, if the Holdco Shares are listed on Nasdaq, the greater of 1% of Holdco Shares on issue and 1% of the average reported weekly trading volume of Holdco Shares (measured over the previous four weeks); and
- sales must be conducted by way of unsolicited broker's transactions.

This Scheme Booklet has not been filed with or reviewed by the SEC or any United States state securities authority and none of them has passed upon or endorsed the merits of the Scheme or the accuracy, adequacy or completeness of this Scheme Booklet. Benitec Shareholders in the United States should note that the Scheme will be conducted in accordance with the laws of Australia and Listing Rules. As such, you may not be able to take legal action against Benitec or its officers and directors in Australia for violations of United States securities laws and it may be difficult to compel Benitec and its officers and directors to subject themselves to a United States court's judgement.

## 1 Executive summary

### Independent Expert's Report

Dear Directors,

#### 1.1 Introduction

- 1.1.1 Benitec Biopharma Limited (**Benitec**) is a clinical-stage biotechnology company focused on the development of novel genetic medicines. Benitec's head company is currently located in Melbourne, Victoria, Australia, however it has laboratories in Hayward, California, United States of America (**US**), and collaborators and licensees around the world.
- 1.1.2 On 27 November 2019, Benitec announced its intention to re-domicile from Australia to the US. The restructure will be implemented via a scheme of arrangement and will involve incorporation of Benitec Biopharma Inc. (**Holdco**) as the ultimate holding company of Benitec (**Proposed Scheme**). Holdco will be incorporated in accordance with the laws of the US state of Delaware.
- 1.1.3 Under the Proposed Scheme, Holdco will acquire all of the ordinary shares in Benitec (**Benitec Shares**) (including such Benitec Shares underlying the American Depositary Shares (**ADSs**) on issue) and holders of Benitec Shares (**Benitec Shareholders**) will receive one new share of ordinary stock (**Holdco Share**) in exchange for every 300 Benitec Shares held.
- 1.1.4 Benitec is currently listed on the Australian Securities Exchange (**ASX**) and has ADSs (and certain warrants) listed on the Nasdaq Capital Market (**Nasdaq**). Following implementation of the Proposed Scheme, Holdco will become the ultimate parent company of Benitec and Benitec will be delisted from the ASX. It is intended that Holdco will be a public reporting company in the US with Holdco Shares being listed for trading on the Nasdaq promptly following the implementation of the Proposed Scheme, subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco.
- 1.1.5 The underlying business of Benitec will not change as a result of the Proposed Scheme. In addition, the underlying ownership interests of Benitec Shareholders will also not change as a result of the Proposed Scheme<sup>1</sup>.
- 1.1.6 Implementation of the Proposed Scheme is subject to a number of conditions precedent, including approval by Benitec Shareholders by the requisite majority and Court approval of the Proposed Scheme. Further detail in relation to conditions precedent and their status is included in Sections 7.1 and 8.4 of the Scheme Booklet.

---

<sup>1</sup> With the exception of Benitec Shareholders deemed to be "Ineligible Foreign Shareholders" for the purpose of the Proposed Scheme as defined in Section 9.1 of the Scheme Booklet as being those shareholders whose address is in a place outside Australia, New Zealand, Hong Kong, Singapore or the US. Holdco Shares to which Ineligible Foreign Shareholders would otherwise be entitled to under the Proposed Scheme will be sold with the proceeds being remitted to those shareholders (less any brokerage fees).

## 1.2 Purpose

- 1.2.1 The Directors of Benitec have requested that McGrathNicol Transaction Advisory Pty Ltd (**McGrathNicol**) provide an Independent Expert's Report in relation to the Proposed Scheme, indicating whether in our opinion the Proposed Scheme is in the best interests of Benitec Shareholders.
- 1.2.2 Our Independent Expert's Report has been prepared to assist Benitec Shareholders to form the view as to whether to approve the Proposed Scheme. McGrathNicol is independent of Benitec and has no involvement with, or interest in, the outcome of the Proposed Scheme other than the preparation of this report.

## 1.3 Summary and conclusion

- 1.3.1 In our opinion, the Proposed Scheme is in the best interests of Benitec Shareholders.
- 1.3.2 In forming our opinion, we compared the potential advantages and disadvantages to Benitec Shareholders should the Proposed Scheme proceed. In our opinion, the advantages of the Proposed Scheme outweigh the disadvantages, both of which are summarised below and set out in more detail in Section 5.
- 1.3.3 The key advantages to Benitec Shareholders should the Proposed Scheme proceed include:
- (a) Companies trading on the Nasdaq generally trade at higher earnings multiples than those trading on the ASX.
  - (b) Given Benitec's current business and the majority of its employees are currently located in the US, the re-domiciliation is expected to streamline operations, generating estimated cost savings in excess of \$750,000 per annum once implemented.
  - (c) The re-domiciliation is expected to reduce overhead costs, particularly in respect of compliance, audit and insurance costs associated with its current dual listing on the ASX and Nasdaq.
  - (d) The re-domiciliation may improve attractiveness of Benitec as a potential acquisition target and create additional opportunities with potential licensing or joint venture partners.
  - (e) A primary listing in the US will allow Holdco greater access to US capital markets which are substantially larger than in Australia, resulting in the potential ability for Holdco to raise equity capital and access a broader range of investors who may only be interested in a direct investment in a US listed company.
  - (f) The Directors of Benitec unanimously recommend that Benitec Shareholders vote in favour of the Proposed Scheme.
- 1.3.4 The key disadvantages to Benitec Shareholders should the Proposed Scheme proceed include:
- (a) Benitec Shareholders may wish to retain their Benitec Shares, which are listed on the ASX due to familiarity with ASX trading practices.
  - (b) There will be differences in the rights attaching to the Benitec Shares as compared to the rights attaching to the Holdco Shares.
  - (c) Should the Proposed Scheme be implemented, Holdco Shareholders will have an increased level of exposure to a litigious environment given Holdco will be a US public company and not an Australian listed company.
  - (d) Although we understand roll-over relief may be available, there may be US federal and Australian taxation consequences for some Benitec Shareholders if the Proposed Scheme is implemented.
  - (e) The costs associated with the Proposed Scheme have been estimated by the Directors to be approximately \$650,000. Notwithstanding, approximately \$550,000 of these costs are expected to be incurred regardless of whether the Proposed Scheme is approved by Benitec Shareholders.
  - (f) Benitec Shareholders who are Ineligible Foreign Shareholders will not be issued Holdco Shares. Instead, the Holdco Shares to which Ineligible Foreign Shareholders would otherwise be entitled to under the Proposed Scheme will be sold with the proceeds being remitted to those shareholders (less any brokerage fees).

## 1.4 Consent and other matters

- 1.4.1 Our report is to be read in conjunction with the Scheme Booklet in which this report is included, and is prepared for the exclusive purpose of assisting Benitec Shareholders. This report should not be used for any other purpose.
- 1.4.2 McGrathNicol consents to the issue of this report in its form and context and consents to its inclusion in the Scheme Booklet.
- 1.4.3 This report constitutes general financial product advice only and in undertaking our assessment, we have considered the likely impact of the Proposed Scheme to Benitec Shareholders as a whole. We have not considered the potential impact of the Proposed Scheme on individual shareholders. Individual shareholders have different financial circumstances and it is neither practicable nor possible to consider the implications of the Proposed Scheme on individual shareholders.
- 1.4.4 The decision of whether or not to approve the Proposed Scheme is a matter for each shareholder based on, amongst other things, their own views, their risk profile, liquidity preference, investment strategy and tax position. Individual shareholders should therefore consider the appropriateness of our opinion to their specific circumstances before acting on it. If shareholders are in doubt about the action they should take, they should seek their own professional advice.

## 1.5 Other

- 1.5.1 This letter is a summary of McGrathNicol's opinion on the Proposed Scheme. This letter should be read in conjunction with the detailed report and appendices as attached. Unless the context requires otherwise, references to "we", "our" and similar terms refer to McGrathNicol. For the avoidance of doubt, all amounts presented are in Australian dollars (**AUD**) unless otherwise indicated.

Yours faithfully

**McGrathNicol Transaction Advisory Pty Ltd**

## 2 Details of the Proposed Scheme

### 2.1 Background

- 2.1.1 Benitec is a clinical-stage biotechnology company focused on the development of novel genetic medicines currently listed on the ASX and Nasdaq. Benitec's head company is located in Melbourne, Victoria, Australia with laboratories in Hayward, California, US, and collaborators and licensees around the world.

### 2.2 Proposed Scheme

- 2.2.1 On 27 November 2019, Benitec announced its intention to re-domicile from Australia to the US. To implement the re-domiciliation, Benitec has entered into a Scheme Implementation Agreement with Holdco, a new US company incorporated for the purposes of effecting the re-domiciliation. Under the terms of the Scheme Implementation Agreement, Holdco will acquire all of the Benitec Shares by way of a scheme of arrangement under Part 5.1 of the Corporations Act 2001 (Cth) (**Corporations Act**), pursuant to which current holders of Benitec Shares will receive Scheme Consideration by way of one new Holdco Share in exchange for every 300 Benitec Shares held.
- 2.2.2 If the Proposed Scheme is implemented, Benitec will become a wholly owned subsidiary of Holdco. Benitec will be de-listed from the ASX and Holdco will apply for the Holdco Shares to be listed on Nasdaq.
- 2.2.3 Benitec Shareholders who are considered to be Ineligible Foreign Shareholders will not be issued Holdco Shares. Instead, the Holdco Shares to which these shareholders would otherwise be entitled to under the Proposed Scheme will be sold, with the proceeds being remitted to those shareholders (less brokerage fees) by way of a Share Sale Facility. Refer Section 3.4 of the Scheme Booklet for further detail. Benitec Management has advised that as at 14 January 2020, the number of shareholders expected to be deemed Ineligible Foreign Shareholders total 32, holding approximately 1,053,371 Benitec Shares in aggregate, representing approximately 0.33% of total Benitec Shares outstanding.
- 2.2.4 Any fractional entitlements to Holdco Shares will not be issued to Benitec Shareholders and will be aggregated and sold via the Share Sale Facility for the benefit of the relevant shareholder (less brokerage fees). If the number of fractional Holdco Shares is in aggregate, not a whole number, it will be rounded down to the nearest whole number of aggregate fractional Holdco Shares.
- 2.2.5 Holders of ADSs (**ADS Holders**) will be entitled to vote and participate in the Proposed Scheme (through the ADS depository, being the Bank of New York Mellon). If the Proposed Scheme is implemented, Benitec intends on terminating the ADS program. The ADS depository will call for surrender of all outstanding ADSs and will deliver Holdco Shares and any proceeds from the Share Sale Facility (resulting from the sale of fractional entitlements) to ADS Holders upon surrender of their ADSs and payment of any fee for such surrender.
- 2.2.6 Implementation of the Proposed Scheme is subject to a number of conditions precedent, including approval by Benitec Shareholders by the requisite majority and Court approval of the Proposed Scheme. Further detail in relation to conditions precedent and their status is included in Sections 7.1 and 8.4 of the Scheme Booklet.

## 3 Scope of our report

### 3.1 Purpose of the report

- 3.1.1 Section 411 of the Corporations Act governs schemes of arrangement between companies and their members. When a scheme of arrangement is proposed under Section 411 of the Corporations Act, Section 412(1) of the Corporations Act requires that an explanatory statement accompanies the Notices of Scheme Meeting relating to the proposed scheme of arrangement which includes information that is material to the making of a decision by a member whether or not to agree to the proposed scheme.
- 3.1.2 It is anticipated that Benitec and Holdco will have the same Directors. Under Part 3 Schedule 8 of the Corporations Regulations the explanatory statement to be sent to shareholders as part of the Notices of Scheme Meeting must include a report by an expert where the parties to the proposed scheme have a common director(s).
- 3.1.3 The independent expert must state whether, in the expert's opinion, the proposed scheme of arrangement is in the best interests of the members of the body as a whole and set out the expert's reasons for forming that opinion.
- 3.1.4 In accordance with the above, Benitec has appointed McGrathNicol as an independent expert to express an opinion addressing whether or not the terms of the Proposed Scheme are fair and reasonable to Benitec Shareholders.
- 3.1.5 Our Independent Expert's Report has been prepared to assist Benitec Shareholders in forming the view as to whether to approve the Proposed Scheme.

### 3.2 Basis of assessment

- 3.2.1 In undertaking our work we have considered the requirements of the Corporations Act and relevant Regulatory Guides issued by the Australian Securities and Investment Commission (**ASIC**).
- 3.2.2 McGrathNicol has had regard to ASIC Regulatory Guide 111 "Content of expert's reports" (**RG 111**) in relation to the content of Independent Expert's Reports. RG 111 requires an Independent Expert's Report to be prepared in connection with change of control transactions. Given the underlying ownership interests of Benitec Shareholders will not change as a result of the Proposed Scheme<sup>2</sup>, in our opinion the Proposed Scheme does not represent a change of control transaction.
- 3.2.3 RG 111.35 and RG 111.36 state that where there is no change of control in the underlying ownership interests of security holders or selective treatment of security holders, the issue of 'value' may be of secondary importance:
- "If the expert does not undertake such a valuation, to the extent reasonably practicable, and where it can do so with sufficient precision to assist security holders, the expert should quantify the advantages and disadvantages that it considers to be material".*
- 3.2.4 RG 111.37 states where a transaction:
- "involves a scheme of arrangement and the expert concludes that the advantages of the transaction outweigh the disadvantages, the expert should say that the scheme is in the best interests of members".*

### 3.3 Limitations and reliance on information

- 3.3.1 McGrathNicol's opinion is based on economic, share market, business and trading conditions prevailing at the date of this report. These conditions can change significantly over relatively short periods. If they did change materially, our opinion could vary significantly.
- 3.3.2 This report is based upon financial and non-financial information provided by Benitec and its advisers. McGrathNicol has considered and relied upon this information and has no reason to believe that any material facts have been withheld. The information provided to McGrathNicol has been evaluated through analysis,

---

<sup>2</sup> With the exception of Ineligible Foreign Shareholders.

inquiry and review for the purposes of forming an opinion as to whether the Proposed Scheme is in the best interests of Benitec shareholders. However, McGrathNicol does not warrant that its inquiries have identified or verified all of the matters that an audit, extensive examination or due diligence investigation might disclose.

3.3.3 An important part of the information used in forming an opinion as to whether the Proposed Scheme is in the best interests of Benitec Shareholders is comprised of the opinions and judgement of Benitec Management. This type of information was evaluated through analysis, inquiry and review. However, such information is often not capable of external verification or validation and has not been independently verified. To the extent that there are taxation and legal issues relating to assets, properties, or business interests or issues relating to compliance with applicable laws, continuous disclosure rules, regulations, and policies, McGrathNicol:

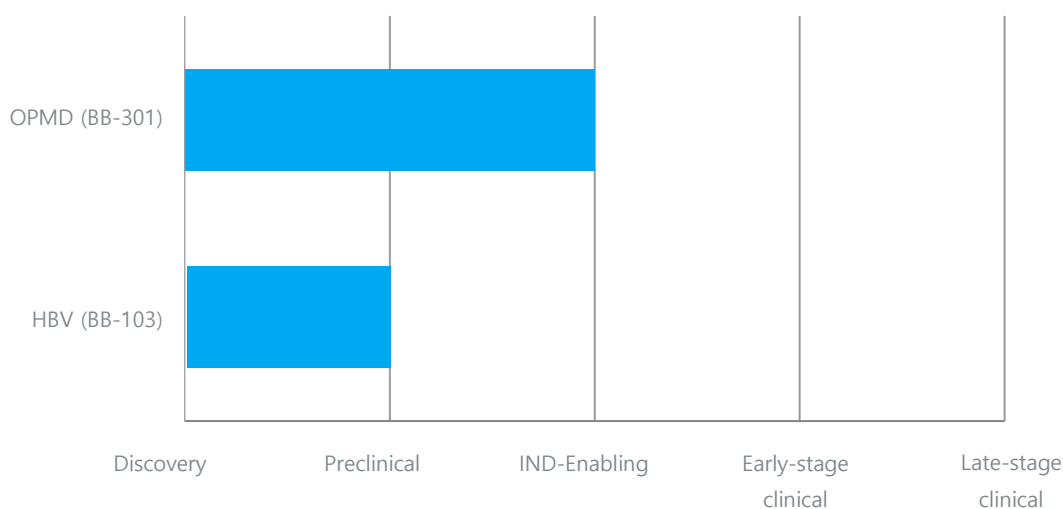

- (a) assumes no responsibility and offers no legal opinion or interpretation on any issue; and
- (b) has generally assumed that matters such as title, compliance with laws and regulations and contracts in place are in good standing and will remain so and that there are no legal proceedings, other than as publicly disclosed.

## 4 Profile of Benitec

### 4.1 Background

- 4.1.1 Benitec is a clinical-stage biotechnology company focused on the development of novel genetic medicines. Benitec's proprietary therapeutic technology platform (DNA-directed RNA interference (**ddRNAi**)) combines RNA interference with gene therapy for the goal of providing sustained, long-lasting silencing of disease-causing genes from a single administration.
- 4.1.2 The ddRNAi-based genetic medicines currently under development by Benitec and their development status is summarised below:

**Figure 1: Benitec in-house program phases of development**

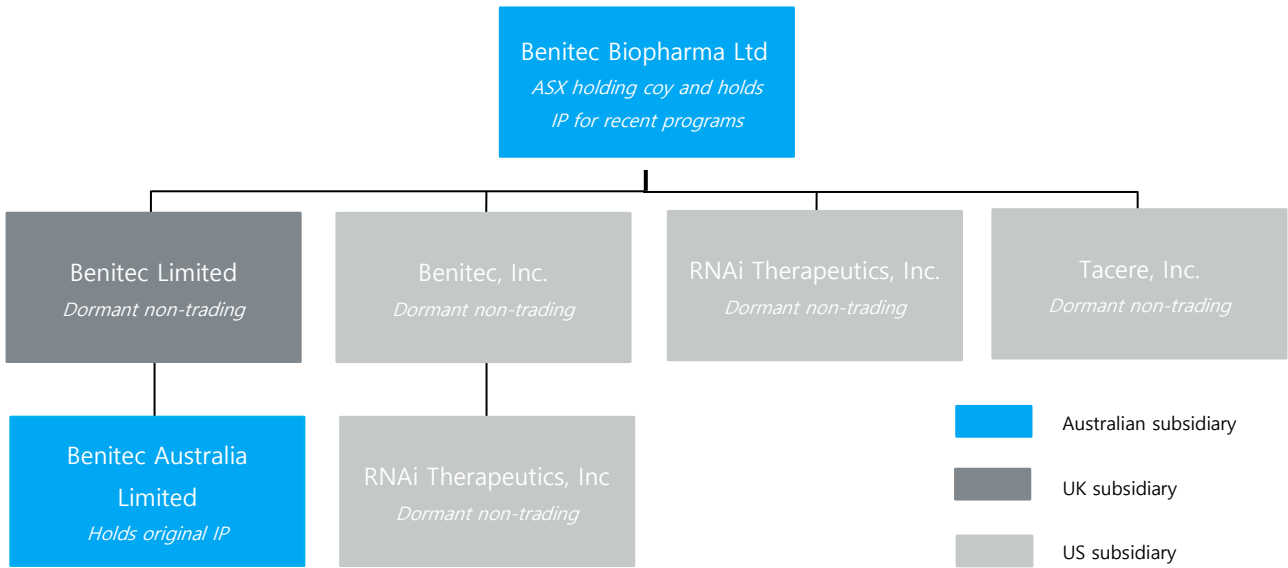

Source: Scheme Booklet

- 4.1.3 In respect of the above:
- (a) BB-301 is Benitec's primary asset and represents a product candidate with the aim to meaningfully improve the existing standard of care for a rare, chronic, life threatening form of muscular dystrophy oculopharyngeal muscular dystrophy (**OPMD**); and
  - (b) BB-103 represents a gene silencing agent for chronic hepatitis B (**HPV**) virus infection.
- 4.1.4 We note the operations of Benitec are not expected to change should the Proposed Scheme be implemented.
- 4.1.5 Benitec's head company is currently located in Melbourne, Victoria, Australia, however it has laboratories in Hayward, California, US, and collaborators and licensees around the world.
- 4.1.6 Benitec is a listed public company limited by shares, currently incorporated and domiciled in Australia. Benitec shares are currently listed on the ASX (ASX: BLT). Benitec also has ADSs which are traded on the Nasdaq (NASDAQCM: BNTC), and certain warrants which are also traded on the Nasdaq (NASDAQ: BNTCW).
- 4.1.7 Benitec currently has 13 full-time equivalent employees, the majority of which are located in the US. Benitec announced the completion of a workforce reduction of approximately 50% on 31 July 2019 in an effort to streamline operations. Staff members key to the achievement of Benitec's core research and development (**R&D**) goals relating to BB-301 were retained.

4.1.8 Benitec is the holding company for a number of 100% owned dormant non-trading subsidiaries. The current company structure is provided below:

**Figure 2: Corporate structure**

Source: Benitec Management

4.1.9 Should the Proposed Scheme be implemented, the above structure will change whereby Holdco will be interposed as the ultimate parent company of the group.

## 4.2 Historical financial performance

4.2.1 A summary of the consolidated audited financial performance of Benitec for the three years ended 30 June 2019 is provided below:

4.2.2 In relation to Benitec's historical financial performance, we note:

- Revenue relates to licensing revenue and royalties. In addition to its in-house development programs, Benitec has historically licensed its ddRNAi technology to companies who are developing therapeutic programs in other disease areas, including HIV / AIDS, cancer immunotherapy and intractable neuropathic pain. Revenue in FY19A included an upfront license payment of \$14.2 million received in July 2018 in relation to an agreement with Axovant Sciences Ltd (**Axovant**) which was subsequently terminated on 6 June 2019 (effective 3 September 2019), as well as the reimbursement of labour costs of \$1.5 million from Axovant. There are currently no material licensing agreements with third parties.
- Other income predominantly relates to Australian Government R&D grants received. R&D grant income decreased from \$4.0 million in FY18A to \$907,000 in FY19A due to decreased R&D expenditure during the period. R&D grant income was high in FY17A as it included an amount relating to FY16A. Other income in FY18A and FY19A included unrealised foreign exchange gains of \$87,000 and \$443,000 respectively.
- Employee benefits expense primarily relates to employee salaries, wages and superannuation, which has remained relatively consistent over the historical period. On 31 July 2019, Benitec announced the completion of a workforce reduction of approximately 50%.
- R&D expenses in FY19A were offset by reimbursements of \$4.7 million received from Axovant in relation to the OPMD program.
- Share-based expenses increased in FY19A as a result of the issuance of options to Directors.

## 4.3 Historical financial position

4.4.2 In relation to Benitec's statement of cash flows, we note:

- (a) Receipts from customers during FY19A included a license payment of \$14.2 million received from Axovant;
- (b) As at 30 September 2019, Benitec's cash position had increased from \$22.4 million as at 30 June 2019 to \$24.6 million driven by:
  - (i) a reimbursement from Axovant of \$2.1 million during year to date (YTD) 30 September 2019 following the termination of the license agreement; and
  - (ii) during September 2019, Benitec secured \$3.2 million of additional funding through a Registered Direct Offering, providing Benitec additional operating capital to support advancement of BB-301.

## 4.5 Share capital structure

4.5.1 As at 14 January 2020, there were 321,287,026 ordinary Benitec Shares on issue (including in the form of ADSs). A summary of Benitec's top ten shareholders as at 14 January 2020 is summarised in the table below:

4.5.2 In addition to ordinary shares on issue, Benitec also had the following securities on issue as at 15 January 2020:

- 22,015,000 unlisted options over Benitec Shares with exercise prices ranging from \$0.196 to \$1.25 and expiry dates ranging from 6 May 2020 to 16 May 2024. The unlisted options have been issued under Benitec's Employee Share Option Plan to current employees and officers of Benitec. If the Proposed Scheme is implemented, an agreement will be entered into with the unlisted option holders whereby Holdco will assume the Employee Share Option Plan.
- 57,490 quoted warrants (NASDAQ:BNTCW) convertible into one ADS per warrant (representing 11,498,000 Benitec Shares in aggregate) at an exercise price of US dollar (**USD**) \$55.00 per ADS issued on exercise and an expiry date of 21 August 2020. Given the exercise price of the quoted warrants is significantly above the current trading price of the Benitec Shares and Benitec ADSs, the quoted warrants are out of the money and Benitec has formed the view that it would be unduly onerous or impractical to enter into a separate scheme of arrangement for these securities; and
- 4 Purchase Warrants exercisable into 312,286 ADSs (equivalent to 64,257,200 Benitec Shares) exercisable at USD\$7.00 per ADS issued on exercise and an expiry date of 6 December 2024. If the Proposed Scheme is implemented, an agreement will be entered into with the Purchase Warrant holders where the Purchase Warrants will be transferred to Holdco.

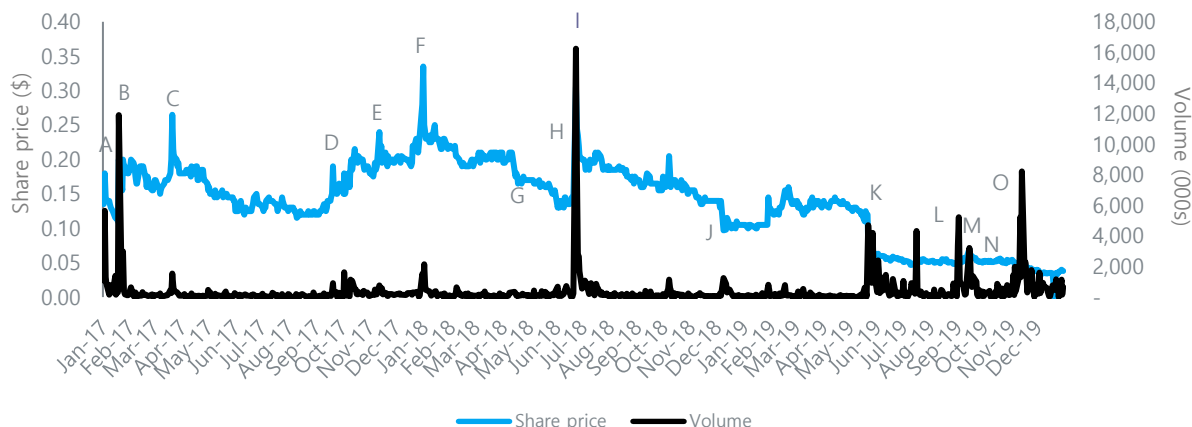

4.5.3 Benitec Shareholders should refer to Section 4.4 of the Scheme Booklet for further information in relation to the above.

4.5.4 ADS Holders will be entitled to vote and participate in the Proposed Scheme (through the ADS depository, being the Bank of New York Mellon). If the Proposed Scheme is implemented, Benitec intends on terminating the ADS program. The ADS depository will call for surrender of all outstanding ADSs and will deliver Holdco Shares and any proceeds from the Share Sale Facility (resulting from the sale of fractional entitlements) to ADS Holders upon surrender of their ADSs and payment of any fee for such surrender.

## 5 Evaluation of the Proposed Scheme

### 5.1 Conclusion

- 5.1.1 In our opinion, the Proposed Scheme is in the best interests of Benitec Shareholders.
- 5.1.2 In forming our opinion we compared the potential advantages and disadvantages to Benitec Shareholders should the Proposed Scheme proceed. In our opinion, the advantages of the Proposed Scheme outweigh the disadvantages, both of which are summarised below.

### 5.2 Advantages of the Proposed Scheme

- 5.2.1 The key advantages to Benitec Shareholders should the Proposed Scheme proceed include:
- (a) Companies trading on the Nasdaq generally trade at higher earnings multiples than those trading on the ASX. As at 10 January 2020, the average enterprise value / earnings before interest, tax, depreciation and amortisation (**EBITDA**) multiple (excluding the maximum and minimum) for the last twelve months for those companies trading on the ASX was 18.6 times, compared with 22.6 times for those companies trading on the Nasdaq. Notwithstanding, with the exception of the financial year ending 30 June 2019, Benitec has incurred EBITDA losses (as is common for a biotechnology company with assets in similar development stages to Benitec). It should be noted that a rerating of Holdco shares as a result of the Proposed Scheme is not guaranteed.
  - (b) Given Benitec's current business and the majority of its employees are currently located in the US, the re-domiciliation is expected to streamline operations, generating estimated cost savings in excess of \$750,000 per annum once implemented. The corporate and operating structure is also expected to be more easily understandable to potential investors post implementation of the Proposed Scheme.
  - (c) The re-domiciliation is expected to reduce overhead costs, particularly in respect of compliance, audit and insurance costs associated with its current dual listing on the ASX and Nasdaq. Post Proposed Scheme implementation, Benitec will be delisted from the ASX and Holdco Shares will be listed for trading on the Nasdaq (subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco). As such, Benitec will no longer be dual listed post implementation of the Proposed Scheme.
  - (d) The re-domiciliation may improve attractiveness of Benitec as a potential acquisition target and create additional opportunities with potential licensing or joint venture partners given the US is considered to be one of the most active markets for transactions in the life sciences sector. The re-domiciliation would allow any potential control, licensing or other transaction to be completed more quickly and potentially with lower transactions costs.
  - (e) A primary listing in the US will allow Holdco greater access to US capital markets which are substantially larger than in Australia resulting in the potential ability for Holdco to raise equity capital and access a broader range of investors who may only be interested in a direct investment in a US listed company. In addition, the Benitec Board believes the US market is familiar with and has a stronger interest in early to mid-stage biotechnology companies, which may lead to a stronger valuation of Holdco over time and improve liquidity in trading of shares.
  - (f) The Directors of Benitec unanimously recommend that Benitec Shareholders vote in favour of the Proposed Scheme. The Directors that hold or control Benitec Shares intend to vote in favour of the Proposed Scheme.

### 5.3 Disadvantages of the Proposed Scheme

- 5.3.1 The key disadvantages to Benitec Shareholders should the Proposed Scheme proceed include:
- (a) Benitec Shareholders may wish to retain their Benitec Shares, which are listed on the ASX. Should the Proposed Scheme be implemented, existing Benitec Shareholders will hold shares in Holdco, which will be listed for trading on the Nasdaq (subject to authorisation for listing being obtained from Nasdaq and official notice of issuance of Holdco Shares from Holdco). Benitec shareholders located outside the US

may not be as familiar with trading practices on the Nasdaq as they might be with trading practices on the ASX.

- (b) There will be differences in the rights attaching to the Benitec Shares as compared to the rights attaching to the Holdco Shares due to differences in the laws which govern the Benitec Shares compared to the laws which govern the Holdco Shares. The Benitec Shares are currently governed under the Corporations Act, Benitec Constitution and the ASX Listing Rules. The Holdco Shares will be governed under the Delaware General Corporation Law and Holdco's certificate of incorporation and by-laws. Assuming Holdco shares are approved for trading on the Nasdaq, they will also be subject to the listing rules of Nasdaq. Benitec Shareholders should refer to Section 5.4 of the Scheme Booklet for a full comparison of the rights attaching to the Benitec Shares and Holdco Shares and Section 5.6 for a summary of the differences between the company law regimes.
- (c) Should the Proposed Scheme be implemented, Holdco Shareholders will have an increased level of exposure to a litigious environment given Holdco will be a US public company and not an Australian listed company. The US legal environment is generally considered more litigious than the Australian legal environment and there is a risk that any material or costly dispute or litigation could adversely affect Holdco's reputation, financial performance or value.
- (d) Although we understand roll-over relief may be available, there may be US federal and Australian taxation consequences for some Benitec Shareholders if the Proposed Scheme is implemented. Benitec Shareholders should refer to Sections 8.2 and 8.3 of the Scheme Booklet for further detail.
- (e) The costs associated with the Proposed Scheme have been estimated by the Directors to be approximately \$650,000. Notwithstanding, approximately \$550,000 of these costs are expected to be incurred regardless of whether the Proposed Scheme is approved by Benitec Shareholders. We note these costs represent one off costs to Benitec.
- (f) Benitec Shareholders who are Ineligible Foreign Shareholders will not be issued Holdco Shares. Instead, the Holdco Shares to which Ineligible Foreign Shareholders would otherwise be entitled to under the Proposed Scheme will be sold by an agent via a Share Sale Facility with the proceeds being remitted to those shareholders (less any brokerage fees). Benitec Management has advised that as at the date of this report, the number of shareholders expected to be deemed Ineligible Foreign Shareholders total 32, holding approximately 1,053,371 Benitec Shares in aggregate, representing approximately 0.33% of total Benitec Shares outstanding.

- (b) The certificate referred to in this clause 3.2 will constitute conclusive evidence of whether the conditions precedent referred to in clause 3.1 (other than the conditions precedent in clauses 3.1(c) and 3.1(d)) have been satisfied or waived as at 8.00am on the Second Court Date.

### **3.3 Effective Date**

Subject to clause 3.4, this Scheme will come into effect pursuant to section 411(10) of the Corporations Act on and from the Effective Date.

### **3.4 End Date**

The Scheme will lapse and have no further force or effect if the Effective Date has not occurred on or before the End Date.

## **4. Implementation of Scheme**

### **4.1 Lodgement of Court orders with ASIC**

If the conditions precedent set out in clause 3.1 (other than the condition precedent in clause 3.1(d)) are satisfied, Benitec must lodge with ASIC in accordance with section 411(10) of the Corporations Act an office copy of the Court order approving this Scheme as soon as possible, and in any event by no later than 5.00pm on the first Business Day after the day on which the Court approves this Scheme or such later time as Benitec and Holdco agree in writing.

### **4.2 Transfer of Scheme Shares**

- (a) Subject to the Scheme becoming Effective and the provision of the Scheme Consideration in accordance with clause 5.1, on the Implementation Date the Scheme Shares, together with all rights and entitlements attaching to them as at the Implementation Date, will be transferred to Holdco without the need for any further act by any Scheme Participant by:
  - (i) Benitec delivering to Holdco a duly completed share transfer form executed on behalf of the Scheme Participants (which may be a master share transfer form) to transfer all the Scheme Shares to Holdco;
  - (ii) Holdco duly executing this transfer form and delivering this transfer form to Benitec for registration; and
  - (iii) the extent applicable, Benitec effecting a valid transfer of Scheme Shares under section 1074D of the Corporations Act.

- (b) As soon as practicable after receipt of the transfer form or completion of the transfer procedure, Benitec must enter the name and address of Holdco in the Register as the holder of the Scheme Shares.
- (c) To the extent permitted by law, the Scheme Shares will be transferred to Holdco free from all mortgages, charges, liens, encumbrances, pledges, security interests and other interests of third parties of any kind.

## **5. Scheme Consideration**

### **5.1 Provision of Scheme Consideration**

- (a) Benitec must use its best endeavours to procure that, in consideration for the transfer to Holdco of the Scheme Shares held by each Scheme Participant under the terms of this Scheme, Holdco issues to each Scheme Participant (other than an Ineligible Foreign Shareholder, a Selling Shareholder or a Scheme Participant in respect of their entitlement to a Fractional Holdco Share) the Scheme Consideration.
- (b) Subject to clauses 5.2, 5.3 and 5.4, the transactions which form part of this Scheme will be implemented in the following sequence on the Implementation Date:
  - (i) each Scheme Participant will receive the Scheme Consideration for the Scheme Shares held by that Scheme Participant on the Record Date; and
  - (ii) in exchange, all Scheme Shares will be transferred to Holdco.

### **5.2 Share Sale Facility**

- (a) Where a Scheme Participant is an Ineligible Foreign Shareholder, a Selling Shareholder or is entitled to a Fractional Holdco Share, the number of Holdco Shares or Fractional Holdco Shares to which that Scheme Participant would otherwise have been entitled to under this Scheme will be issued to the Sale Agent and sold under the Share Sale Facility. If the number of Fractional Holdco Shares is, in aggregate, not a whole number, then the nearest whole number of aggregate Fractional Holdco Shares will be issued to the Sale Agent.
- (b) Benitec will procure that, after the Implementation Date, the Sale Agent:
  - (i) sells on Nasdaq all of the Holdco Shares issued to the Sale Agent in accordance with clause 5.2(a) in such manner, at such price and on such other terms as the Sale Agent determines in good faith, and at the risk of the Ineligible Foreign Shareholders, Selling Shareholders or the Scheme Participants who are otherwise entitled to Fractional Holdco Shares (as applicable); and
  - (ii) remits the Share Sale Facility Proceeds to each Ineligible Foreign Shareholder, Selling Shareholder or Scheme Participant who is otherwise entitled to a Fractional Holdco Share (as applicable) in the amount to which they are entitled, calculated on a volume weighted average basis so that all Ineligible Foreign Shareholders, Selling Shareholders and Scheme Participants who are entitled to Fractional Holdco Shares receive the same price (or part thereof) for each whole Holdco Share sold.

### **5.3 Obligations of Scheme Participants**

Each Scheme Participant who will be issued Holdco Shares under the Scheme agrees:

- (a) to become a stockholder of Holdco;

- (b) to have their name and address entered into the register of stockholders maintained by or on behalf of Holdco; and
- (c) to be bound by the certificate of incorporation and by-laws of Holdco in force from time to time in respect of the Holdco Shares.

#### **5.4 Joint holders**

In the case of Scheme Shares held in joint names, any Scheme Consideration will be issued to and registered in the names of the joint holders and holding statements or notices confirming the issue of the Scheme Consideration will be forwarded to the holder whose name appears first in the Register as at the Record Date.

### **6. Dealings in Scheme Shares**

#### **6.1 Determination of Scheme Participants**

- (a) Each Scheme Participant will be entitled to participate in the Scheme.
- (b) For the purpose of determining who is a Scheme Participant, dealings in Benitec Shares will only be recognised if:
  - (i) in the case of dealings of the type to be effected by CHESS, the transferee is registered in the Register as the holder of the relevant Benitec Shares by the Record Date; and
  - (ii) in all other cases, share transfer forms in registrable form or transmission applications in respect of those dealings are received by the Benitec or its share registry by the Record Date.

#### **6.2 Benitec's obligation to register**

Benitec must register any registrable transfers or transmission applications of the kind referred to in clause 6.1(b) by the Record Date.

#### **6.3 Transfers after the Record Date**

- (a) If the Scheme becomes Effective, a Benitec Shareholder (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Benitec Shares or any interest in them after the Record Date (other than a transfer to Holdco in accordance with the Scheme and any subsequent transfers by Holdco or its successors in title).
- (b) Benitec will not accept for registration, nor recognise for any purpose, any transfer or transmission application in respect of Benitec Shares received after the Record Date (other than a transfer to Holdco in accordance with the Scheme and any subsequent transfers by Holdco or its successors in title).

#### **6.4 Maintenance of Register**

For the purpose of determining entitlements to the Scheme Consideration, Benitec will, until the Scheme Consideration has been issued to Scheme Participants, maintain or procure the maintenance of the Register in accordance with this clause 6. The Register in this form will solely determine entitlements to the Scheme Consideration.

## **6.5 Effect of certificates and holding statements**

- (a) Any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of Holdco and its successors in title).
- (b) After the Record Date, each entry current on the Register as at the Record Date (other than entries in respect of Holdco or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration.

## **6.6 Information to be made available to Holdco**

As soon as reasonably practicable after the Record Date and in any event at least two Business Days before the Implementation Date, Benitec will give to Holdco or as it directs or procure that Holdco be given or as it directs, details of the name, address and number of Scheme Shares held by each Scheme Participant as shown in the Register at the Record Date in the form Holdco reasonably requires.

## **7. Quotation of Benitec Shares**

- (a) Benitec will apply to ASX for suspension of trading of Benitec Shares on ASX with effect from the close of trading on the Effective Date.
- (b) Benitec will apply to Nasdaq for suspension of trading of ADS on Nasdaq with effect from the close of trading on the Effective Date.
- (c) If the Scheme has been fully implemented in accordance with its terms, on the date determined by Holdco, Benitec will:
  - (i) apply to ASX for the termination of the official quotation of Benitec Shares on ASX and to have Benitec removed from the official list of ASX; and
  - (ii) apply to Nasdaq for the termination of the quotation of ADS on Nasdaq.

## **8. General Scheme provisions**

### **8.1 Appointment of Benitec as agent and attorney**

- (a) Each Scheme Participant, without the need for any further act, irrevocably appoints Benitec and each of the directors and officers of Benitec (jointly and severally) as its agent and attorney for the purpose of doing all things and executing all deeds, instruments, transfers and other documents that may be necessary or desirable to give full effect to the Scheme and the transactions contemplated by it, including but not limited to:
  - (i) enforcing the Deed Poll against Holdco;
  - (ii) in the case of Scheme Shares in a CHESS holding:
    - (A) causing a message to be transmitted to ASPL in accordance with the ASX Settlement Rules to transfer the Scheme Shares held by the Scheme Participant from the CHESS subregister of Benitec to the issuer sponsored subregister operated by Benitec or its share registry at any time after Holdco has issued the Scheme Consideration which is due under this Scheme to Scheme Participants; and
    - (B) completing and signing on behalf of Scheme Participants any required form of transfer of Scheme Shares;

- (iii) in the case of Scheme Shares registered in the issuer sponsored subregister operated by Benitec or its share registry, completing and signing on behalf of Scheme Participants any required form of transfer; and
  - (iv) in all cases, executing any document or doing any other act necessary or desirable to give full effect to this Scheme and the transactions contemplated by it, including executing a proper instrument of transfer of Scheme Shares for the purposes of section 1071B of the Corporations Act (which may be a master transfer).
- (b) Benitec may sub-delegate its functions, authorities or powers under clause 8.1(a) as agent and attorney of each Scheme Participant to any or all of its directors or officers.

## **8.2 Agreement by Scheme Participants**

Subject to provision of the Scheme Consideration contemplated in clause 5.1, each Scheme Participant agrees to:

- (a) the transfer of its Scheme Shares together with all rights and entitlements attaching to those Scheme Shares to Holdco in accordance with the terms of the Scheme; and
- (b) the variation, cancellation or modification (if any) of the rights attached to its Benitec Shares constituted by or resulting from the Scheme.

## **8.3 Warranty by Scheme Participants**

Each Scheme Participant is deemed to have warranted to Benitec, and is deemed to have authorised Benitec to warrant to Holdco as agent and attorney for the Scheme Participant, that:

- (a) all of its Scheme Shares (including all rights and entitlements attaching to them) transferred to Holdco under the Scheme will, on the date of the transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests and other interests of third parties of any kind; and
- (b) it has full power and capacity to sell and transfer its Scheme Shares (including all rights and entitlements attaching to them) to Holdco.

## **8.4 Title to Scheme Shares**

On and from the Implementation Date, subject to provision of the Scheme Consideration contemplated in clause 5.1, pending registration by Benitec of Holdco in the Register as the holder of the Scheme Shares, Holdco will be beneficially entitled to the Scheme Shares.

## **8.5 Appointment of Holdco as sole proxy**

- (a) On and from the Implementation Date and subject to provision of the Scheme Consideration contemplated in clause 5.1, until registration by Benitec of Holdco in the Register as the holder of the Scheme Shares, each Scheme Participant:
  - (i) without the need for any further act irrevocably appoints Benitec and each of its directors, officers and secretaries (jointly and each of them separately) as its agent and attorney to appoint an officer or agent nominated by Holdco as its sole proxy and where applicable, corporate representative to:
    - (A) attend shareholders' meetings of Benitec;
    - (B) exercise the votes attached to the Scheme Shares registered in the name of the Scheme Participant; and

- (C) sign any shareholders' resolution of Benitec;
  - (ii) undertakes not to attend or vote at any such meetings or sign any such resolutions, whether in person, by proxy or by corporate representative other than under this clause 8.5;
  - (iii) must take all other actions in the capacity of a registered holder of Scheme Shares as Holdco reasonably directs; and
  - (iv) acknowledges and agrees that in exercising the powers referred to in this clause 8.5, Holdco and each of the directors, officers and secretaries of Holdco may act in the best interests of Holdco as the intended registered holder of the Scheme Shares.
- (b) Benitec undertakes in favour of each Scheme Participant that it will appoint the officer or agent nominated by Holdco as that Scheme Participant's proxy or, where applicable, corporate representative in accordance with clause 8.5(a).

## **8.6 Scheme alterations and conditions**

If the Court proposes to approve the Scheme subject to any alterations or conditions under section 411(6) of the Corporations Act, Benitec may, by its counsel or solicitors, and with the consent of Holdco, consent to those alterations or conditions on behalf of all persons concerned, including, for the avoidance of doubt, all Scheme Participants.

## **8.7 Effect of Scheme**

The Scheme binds Benitec and all Scheme Participants (including those who do not attend the Scheme Meeting, do not vote at the meeting or vote against the Scheme) and, to the extent of any inconsistency and to the extent permitted by law, overrides the constitution of Benitec.

## **8.8 No liability when acting in good faith**

Neither Benitec nor Holdco, nor any of their respective officers or agents, will be liable to a Benitec Shareholder for anything done or omitted to be done in the performance of the Scheme in good faith.

## **8.9 Notices**

- (a) Where a notice, transfer, transmission application, direction or other communication referred to in the Scheme is sent by post to Benitec, it will not be deemed to be received in the ordinary course of post or on a date other than the date (if any) on which it is actually received at Benitec's registered office or the address of its share registry.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Benitec Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

## **8.10 Further assurances**

Each party must, at its own expense, whenever requested by the other party, promptly do or, to the extent reasonably practicable, arrange for others to do everything, including executing any documents, reasonably necessary to give full effect to this Scheme and the transactions contemplated by this Scheme.

### **8.11 Costs and stamp duty**

Holdco will pay all stamp duty (if any) and any related fines, penalties and interest payable on the transfer by Scheme Participants of the Scheme Shares to Holdco.

### **8.12 Governing law and jurisdiction**

This Scheme is governed by the laws of Victoria. Each party irrevocably and unconditionally:

- (a) submits to the exclusive jurisdiction of the courts of Victoria; and
- (b) waives, without limitation, any claim or objection based on absence of jurisdiction or inconvenient forum.

As noted in the Scheme Booklet, the Benitec Board unanimously recommends that Benitec Shareholders vote in favour of the Scheme Resolution and each member of the Benitec Board intends to vote in favour of the Scheme Resolution, in the absence of a superior proposal and subject to the Independent Expert continuing to consider the Scheme to be in the best interests of Benitec Shareholders.

---

## 3 Shareholder approval

For the proposed Scheme to be binding in accordance with section 411 of the Corporations Act, the Scheme Resolution must be agreed to by:

- unless the Court orders otherwise, a majority in number of Benitec Shareholders present and voting (either in person or by proxy, attorney or, in the case of corporate Benitec Shareholders, body corporate representative) at the Scheme Meeting; and

Subject to clause 9.2, each party must bear its own costs and expenses (including professional fees and stamp duty) incurred by it in connection with the negotiation, preparation and execution of this document and the implementation or attempted implementation of the Scheme.

### **9.2 Stamp duty**

Holdco must pay all stamp duty and any related fines or penalties in respect of this document, the Deed Poll and the acquisition of the Scheme Shares in accordance with the Scheme and indemnify Benitec against any liability arising from failure to comply with this clause 9.2.

## **10. GST**

### **10.1 Definitions and interpretation**

For the purposes of this clause:

- (a) **GST Act** means the A New Tax System (Goods and Services Tax) Act 1999 (Cth);
- (b) a term which has a defined meaning in the GST Act has the same meaning when used in this clause, unless the contrary intention appears; and
- (c) each periodic or progressive component of a supply to which section 156-5(1) of the GST Act applies will be treated as if it were a separate supply.

### **10.2 GST exclusive**

Unless this document expressly states otherwise, all consideration to be provided under this document is exclusive of GST.

### **10.3 Payment of GST**

- (a) If GST is payable, or notionally payable, on a supply in connection with this document, the party providing the consideration for the supply agrees to pay to the supplier an additional amount equal to the amount of GST payable on that supply ("**GST Amount**").
- (b) Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time as the GST-exclusive consideration for the supply, or the first part of the GST-exclusive consideration for the supply (as the case may be), is payable or is to be provided.
- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

### **10.4 Adjustment events**

If an adjustment event arises for a supply made in connection with this document, the GST Amount must be recalculated to reflect that adjustment. The supplier or the recipient (as the

case may be) agrees to make any payments necessary to reflect the adjustment and the supplier agrees to issue an adjustment note.

## 10.5 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this document which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled. If the reduced payment is consideration for a taxable supply, clause 10.3 will apply to the reduced payment.
