Raptis Group Limited has provided property consulting services during the period.

The company has earned a profit of \$11,776 down from a 2018 half year profit of \$35,110

The company continues to research other future development opportunities on the Gold Coast and in Brisbane.

RAPTIS GROUP LIMITED

Condensed Financial Report 31 December 2019

DIRECTORS' REPORT

The directors present their report on the entity of Raptis Group Limited ("the Company") for half-year ended 31 December 2019 and the Auditor's review report thereon.

Principal Activities

During the period the company provided property consulting services.

Result

A profit of \$11,776 was recognised in the current half year to 31 December 2019. (2018: profit of \$35,110).

Dividends Paid or Recommended

No dividends were paid or declared in the period.

Review of Operations

The company is currently undertaking feasibility studies with a view of commencing a new development in the next 12 months.

After Balance Date Events

The Directors are not aware of any significant events since the end of the interim period that might materially affect the financial position or results from operations in future periods.

Auditor's Independence Declaration

The auditor's independence declaration as required under Section 307C of the Corporations Act 2001 is set out on page 5, and forms part of the Directors' Report for the half-year ended 31 December 2019.

Directors

The directors of the Company in office during or since the end of the half-year are, James Raptis, OBE; Helen Raptis; and Malcolm Cory.

Dated at Surfers Paradise this 28th day of February 2020

Signed in accordance with a resolution of directors.

James Raptis, OBE
Director

To the Board of Directors of Raptis Group Limited

Auditor's Independence Declaration under section 307C of the Corporations Act 2001

As lead audit director for review of the financial statements of Raptis Group Limited for the half-year ended 31 December 2019, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (a) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- (b) any applicable code of professional conduct in relation to the review.

Yours sincerely

Nexia Sydney Audit Pty Ltd

Andrew Hoffmann
Director

The Condensed Consolidated Statement of Changes in Equity is to be read in conjunction with the Notes to the Financial Statements.

CONDENSED NOTES TO THE FINANCIAL STATEMENTS

for the half-year ended 31 December 2019

1. BASIS OF PREPARATION OF HALF-YEAR FINANCIAL REPORT

The interim financial report does not include all of the information normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the entity as the full financial report.

The half-year report should be read in conjunction with the Annual Financial Report of Raptis Group Limited at 30 June 2019. It is also recommended that the interim financial report be considered together with any public announcements made by Raptis Group Limited during the half year ended 31 December 2019 and subsequently up to the time of signing this financial report in accordance with the continuous disclosure obligations arising under the Corporations Act 2001.

(a) Basis of Accounting

The interim financial report is a general purpose financial report which has been prepared in accordance with the requirements of the Corporations Act 2001, applicable Accounting Standards including AASB 134 "Interim Financial Reporting" and other mandatory professional reporting requirements.

The half-year financial report has been prepared in accordance with the historical cost convention. For the purpose of preparing the interim financial report, the half-year has been treated as a discrete reporting period.

(b) Going Concern

The net assets of the company comprise cash of \$2,070,224 and receivables of \$57,222 amounting to \$2,127,446. Mr James Raptis has agreed to continue to arrange support, should this be necessary, to set in place development funding finance adequate to undertake the next development project in the coming year.

Accordingly, the Directors are confident the company will be able to continue as a going concern and believe it appropriate this report is prepared on that basis.

(c) Summary of Significant Accounting Policies

The accounting policies for the results for the half-year ended 31 December 2019 and the comparative half year have been prepared as they apply on a going concern basis.

(i) Income Tax

The charge for current income tax expenses is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit and loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity. Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

(ii) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

CONDENSED NOTES TO THE FINANCIAL STATEMENTS
for the half-year ended 31 December 2019

(b) Summary of Significant Accounting Policies (continued)

Receivables and payables in the balance sheet are shown inclusive of GST. Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(iii) Estimates

The preparation of the half-year financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In relation to the Condensed Statement of Comprehensive Income the significant judgements made by management in applying the entity's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial report as at and for the year ended 30 June 2019.

(iv) Comparative Figures

When required by Accounting Standards, comparative figures are adjusted to conform to changes in presentation for the current financial year.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The following Accounting Standard has been adopted from 1 July 2019: AASB 15, AASB 15 replaces AASB 118 Revenue, AASB 111 Construction Contracts and four Interpretations issued by the AASB and amends the principles for recognising revenue from contracts with customers.

The Standard requires the consolidated entity to recognise revenue on a basis that depicts the transfer of promised goods or services to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. There has been no change to the accounting treatment of revenue for the consolidated entity..

The impact of these changes is expected to be minimal.

Revenue recognition

The consolidated entity recognises revenue as follows:

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the consolidated entity is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the consolidated entity: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are initially recognised as deferred revenue in the form of a separate refund liability.

Rendering of services

Revenue from a contract to provide services is recognised over time as the services are rendered based on either a fixed price or an hourly rate.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

2. INCOME TAX

Unrecognised Tax Losses

At the time of signing this Half-Year Financial Report the company is not able to accurately determine the quantum of its carry forward losses. This results from the restructuring of former debt where certain assets are still being held in previously controlled entities with security documentation still in effect in respect of the secured creditors or their assignors. Whilst the disposal of these assets will have no impact on the current or future accounting results due to the effect of the restructuring, the treatment of the associated debt is anticipated to have tax loss implications, which may materially affect the calculation of carry forward losses from prior years.

The interim tax loss calculation indicates a potential future income tax benefit from carry forward losses of \$42,738,742 (at the current tax rate of 27.5%). However, the security positions that have not yet been resolved are material and may substantially reduce this interim calculation.

3. EVENTS SUBSEQUENT TO BALANCE DATE

No matter or circumstance has arisen since 31 December 2019 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial periods.

DIRECTORS' DECLARATION

In the opinion of the directors of Raptis Group Limited:

1. the financial statements and notes set out on pages 6 to 11:-
 - a) give a true and fair view of the financial position of the entity as at 31 December 2019 and of its performance, for the half-year ended on that date; and
 - b) comply with Accounting Standard AASB 134 "Interim Financial Reporting" and the Corporations Regulations 2001; and

Dated at Brisbane this 28th day of February 2020.

Signed in accordance with a resolution of directors.

James Raptis
Director

Independent Auditor's Review Report to the Members of Raptis Group Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Raptis Group Limited, which comprises the Condensed Consolidated Statement of Financial Position as at 31 December 2019, the Condensed Consolidated Statement of Profit and Loss and Other Comprehensive Income, Condensed Consolidated Statement of Changes in Equity and Condensed Consolidated Statement of Cash Flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the Directors' declaration, of the group comprising Raptis Group Limited and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2018 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *the Corporations Regulations 2001*. As the auditor of Raptis Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, has been given to the directors of Raptis Group Limited.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half year financial report of Raptis Group Limited and its controlled entities is not in accordance with the *Corporations Act 2001*, including:

- i. giving a true and fair view of the consolidated entity's financial position as at 31 December 2019 and of its performance for the year ended on that date; and
- ii. complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
