VANGO MINING LIMITED SHARE PURCHASE PLAN TERMS

Eligibility to participate

Participation in the SPP is optional. The SPP offer is open to all shareholders with a registered address in Australia or New Zealand as at the Record Date.

In accordance with relevant New Zealand securities law, a person who on the Record Date was registered as a holder of Shares with a New Zealand address but who, at the time of this offer, no longer holds Shares is not eligible to participate in the SPP.

Shareholders who hold Shares on behalf of persons who reside outside Australia or New Zealand, or are in the United States, or are acting for the account or benefit of a person in the United States, are not entitled to participate in the SPP on behalf of those persons. A trustee, nominee or custodian must not participate in the SPP on behalf of, nor distribute this document or any other document relating to the SPP to, any person in the United States. The Shares to be issued under this SPP have not been and will not be registered under the United States Securities Act of 1933, as amended (U.S. Securities Act), or the securities laws of any state or other jurisdiction of the United States. Accordingly, Shareholders who are located in the United States or are acting for the account or benefit of a person in the United States are not Eligible Shareholders entitled to participate in the SPP.

To the extent that you hold Shares on behalf of another person resident outside Australia or New Zealand, it is your responsibility to ensure that any application complies with all applicable foreign laws. Consistent with the representations, warranties and acknowledgements contained the Application Form included with these SPP Terms and Conditions, you may not submit any completed Application Forms for any person in the United States or who is acting for the account or benefit of a person in the United States. Failure to comply with these restrictions may result in violations of applicable securities laws.

Multiple holdings

If you are the only registered holder of Company shares, but you receive more than one offer under the SPP (for example, due to multiple registered holdings), you may only apply in total for a maximum of A\$30,000 worth of shares.

Joint holders

If you are a joint holder of Company shares, that holding is considered to be a single registered holding for the purpose of the SPP. You are entitled to participate in the SPP for that single holding only. If you are a joint holder and you receive more than one offer under the SPP, you may only apply in total for a maximum of A\$30,000 worth of shares.

Trustee or nominee

If you are noted on the Company's share register as a trustee or nominee for a named beneficiary, you may only apply for one maximum parcel of shares for each named beneficiary. If the Company's share registry does not record a named beneficiary for your trustee or nominee holding, the rules for multiple single holdings apply.

Custodians

If you are a custodian within the definition of 'custodian' in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (as varied) and hold Company shares for one or more persons (each a Participating Beneficiary), or for another custodian of Company shares, you may apply for up to a maximum of A\$30,000 worth of shares for each Participating Beneficiary, subject to providing the Company a 'custodian certificate' in addition to the application form, which certifies matters required by ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (as varied).

Please contact the share registry to obtain the form of the custodian certificate.

Directors

Directors of the Company who are Eligible Shareholders may participate in the SPP.

How do I accept

Participation in the SPP is optional. Eligible Shareholders may apply to be issued a parcel of New Shares with a dollar amount of A\$1,000 or another amount with staged increments of A\$1,000 up to a maximum of A\$30,000. If you are an Eligible Shareholder and wish to participate in the SPP, you must follow the instructions on the Application Form. To participate, you should either:

- (a) return your application form, together with a cheque, bank draft or money order; or
- (b) pay the Application Amount via BPAY[®],

so that payment is received by 5.00pm (Sydney time) on Friday 3 April 2020.

BPAY[®] instructions are set out on the application form. If you use BPAY[®], you do not need to return your application form. Please make sure you use the specific biller code and unique reference number on your personalised application form. Your financial institution may implement earlier cut-off times for electronic payment. You should take this into consideration when making payment.

If paying by cheque, bank draft or money order, use the reply-paid envelope or deliver it to the address on the application form. Applications received after the Closing Date will not be accepted.

Funds received for applications by cheque, bank draft or money order or BPAY[®] will be regarded as applications for the maximum number of shares that those funds will pay for in full.

Importantly, while participation in the plan is optional, once applications are submitted, they cannot be withdrawn.

Price of New Shares under the SPP

New Shares are offered under the SPP at an Issue Price of A\$0.11 per New Share, being an 7.5% discount to the 5-day VWAP on Thursday 20 February 2020 (the Record Date).

Ranking of New Shares

New Shares issued under the SPP will rank equally in all respects with existing Shares quoted on the ASX, with the same voting rights, dividend rights and other entitlements.

ASX quotation

After shares are issued and allotted under the SPP, the Company will apply to ASX for quotation of the shares on the Australian Securities Exchange's Official List and send an allotment notice to each Eligible Shareholder's registered address.

No costs

Eligible Shareholders may subscribe without incurring brokerage costs, commission or other transaction costs.

Market price risk

The Company's market price may vary at any time during the offer period and the Company's shares may trade at a price that is lower than the Issue Price.

By accepting the SPP offer, you accept the risk that the market price of the Company's shares may fall below the Issue Price between the date of this offer and the Allotment Date, in which case you may have been able to buy the Company's shares at a lower price than the Issue Price.

By making an application, you represent to the Company the matters set out below under the

heading 'Your representations' in these terms and in the application form.

How many shares

Eligible Shareholders receive the number of shares equal to the Application Amount (subject to any scale-back) divided by the Issue Price. Fractions will be rounded up, and the difference (being any amount less than the Issue Price) may be retained by the Company.

The Issue Price does not exceed the limit prescribed by the ASX Listing Rules and ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547.

New Shares issued under the SPP may be sold or transferred on ASX at any time after the Trading Date.

Scale-back

The Company may, in its absolute discretion, scale-back applications under the SPP.

Factors that the Company may consider in determining any scale-back include:

- (a) compliance with regulatory requirements;
- (b) the amount applied for by each shareholder;
- (c) the number of shares held at the Record Date; and
- (d) if the shareholder remains on the register at the Closing Date.

The Company may scale-back applications below the Minimum Application Amount. Scale-back decisions are made by the board and are final.

If a scale-back occurs, the difference between the value of the shares allotted and the Application Amount paid to the Company (only where the amount is greater than the Issue Price) will be refunded by cheque and mailed to you as soon as practicable following the Allotment Date. Any scale-back will be announced on the Allotment Date. No interest will be paid on any Application Amount paid or refunded.
