ABUNDANT NATURAL HEALTH

Highlights

1. Tax return of over \$530,000 added to ABT bank accounts yesterday
2. Natural Products Expo West in Anaheim CA cancelled due to COVID-19 fears
3. ABT Ocean Soothe donated to Wuhan Hospital and another place as hand sanitizers for doctors and nurses

Abundant Produce Limited's R&D claim was received which adds \$531,221 more cash to the bank account. With views to expand our marketing of current and future range of products. The review by AusIndustry was extensive and beneficial for the company. We were able to show our extensive research work in creating a range of Psoriasis products that are now being sold in pharmacies. The next range of products is our migraine prevention solution and our Element drink, a daily 30ml dose that is reflective of the benefits of Deep Sea Water. Information on these products can be found on our website.

Natural Products Expo West 2020 has been postponed

Natural Products Expo West was cancelled on 2 March 2020 due to health and safety concerns around COVID-19 containment. Both Tony Crimmins (CEO) and Shanan Birkin (General Manager) are in the USA and were informed that the fears of the virus had forced the postponement of the Expo to April (date and specifics yet to be confirmed). Natural Products Expo West is the largest and leading trade show in the natural, organic and healthy products industry, attracting over 80,000 industry professionals and 3,100 exhibits to the Anaheim Convention Centre each year. By postponing the event it shows the uncertainty that local government, health authority advice and communities have on the pandemic. It is a shame that the show has been postponed, however Abundant Natural Health respect the organisers decision by listening to local authorities and the community's concerns for the wellbeing of all exhibitors and guests. We are looking forward to exhibiting at the Expo event before the US summer.

LETTER TO SHAREHOLDERS

As part of our corporate ethicality, Abundant Natural Health have donated 1,000 units of our “Salt Soothing Gel” now called “Ocean Soothe” range to medical staff aiding COVID-19 sufferers based at four hospitals in China.

The alcohol-based sanitizers have started to affect these very lovely people’s hands, resulting in open sores from the dryness caused by excessive alcohol.

When Xinyue, our Shanghai manager, described the dry and cracked hands of medical professionals fighting the outbreak of COVID-19 virus, Tony Crimmins, CEO of Abundant Natural Health said he would love to donate 1,000 units to those in need. Our Shanghai office immediately distributed our gels to Tianjin Wuqing People’s Hospital, Hubei Province Hospital, Wigan Hospital and to the cohort of medical staff heading to Wuhan from Shanghai. These hospitals and medical professionals now have an alternative hand sanitiser to 75% alcohol washes.

Abundant Natural Health is selling our Magnesium Lotion and Gel in convenient sachets now online in sets of 10, for a natural solution to hand sanitization.
