Freedom Foods Group Limited
Update re Current Trading and Upgraded Operational Processes for COVID 19

Freedom Foods Group Limited (ASX code: FNP) (**Freedom Foods**) advises that the Company is experiencing strong demand for key products including UHT dairy and plant beverages and cereals & snacks.

The Company is working closely with key retailers and other customers in Australia and export markets to prioritise supply within our operational capabilities. A key focus area is prioritising supply of UHT dairy milk.

The Company does not see any current constraints for supply of key raw materials or packaging inputs.

The Company has instituted upgraded internal protocols, including protection of its key operational processes and employees required to maintain food and beverage processing.

The Company will update on any further trading and operational developments as they occur.
