ASX RELEASE

18 March 2020

Impact of COVID-19 on Main Event Entertainment

Further to its previous ASX announcement made on 13 March 2020, Ardent Leisure Group Limited (ASX:ALG) provides an update on the impact of the current COVID-19 situation in the United States on its Main Event Entertainment centres.

Following the US Government's decision to issue new, stricter guidelines to stop the spread of COVID-19, Main Event has made the decision to temporarily close all of its centres nationwide beginning Tuesday, 17 March 2020 (US time) through until the end of March 2020. The management team at Main Event views this as an appropriate decision in light of the current circumstances.

Main Event will continue to monitor the situation to determine when the centres will re-open.

Ardent will provide a further update to the market as appropriate.
