Dear Alex

Pyrolyx AG: request for voluntary suspension

Pyrolyx AG (**ASX:PLX**) requests suspension in the trading of its securities from the commencement of trading today, 24 March 2020.

For the purposes of Listing Rule 17.2, PLX provides the following information:

- a) the suspension is necessary whilst uncertainty remains around the length and implications of necessary shut downs of its manufacturing operations in Terre Haute, Indiana USA and Stegelitz, Germany in response to Covid-19. PLX intends to make an announcement to the market in relation to this as soon as more certainty is available;
- b) PLX requests that the suspension remain in place until it is able to make a clear announcement to the market concerning this; and
- c) PLX is not aware of any reason why the trading halt should not be granted.

Yours faithfully

Michael Triguboff
Chief Executive Officer
