Australian Securities Exchange

Date: 26 March 2020

Subject: Regulatory Clearances – CFIUS and FCC

Hutchison Telecommunications (Australia) Limited (ASX: HTA) is pleased to advise shareholders that a key condition precedent to the proposed merger between Vodafone Hutchison Australia Pty Ltd (**VHA**) and TPG Telecom Limited (**TPG**) has been satisfied.

VHA has now received required clearance from the Committee on Foreign Investment in the United States (**CFIUS**) and the required consent from the United States Federal Communications Commission (**FCC**). These regulatory clearances permit the proposed change of control relating to TPG's submarine cable between Sydney and Guam.

VHA is continuing to work towards meeting the remaining regulatory conditions so as to complete the merger with TPG in mid-2020.

Yours faithfully
