Record AUD \$4.8M Month of March Sales

Highlights

- **Record AUD\$4.8M in sales for the month of March 2020, exceeding total sales from the entire December quarter 2019 (AUD\$4.0M)**
- **Sales volumes were spread across mining, oil & gas, construction and water treatment verticals reflecting the breadth of our operating footprint and business development opportunities**

SciDev Limited (ASX:SDV; **SciDev**, or the **Company**) is pleased to advise that the Company has achieved month of March sales of AUD\$4.8M, significantly exceeding the total sales of AUD\$4.0M for the three months of the December 2019 quarter (ref ASX 29 January 2020). The month of March sales include AUD\$0.7m from the recently acquired Highland Fluids Technology transaction (ref ASX 2 March 2020).

More detail will be provided in the Company's Q3 FY2020 Quarterly Report and Appendix 4C, which will be released in April 2020. SciDev Managing Director and Chief Executive Officer, Lewis Utting said:

"We are delighted with the results for March 2020; in a highly challenged macroeconomic environment, month of March sales are a positive reflection of our professional services & bespoke chemistries that we deliver. I would like to take this opportunity to pass on my thanks to the SciDev team for their dedication and hard work."

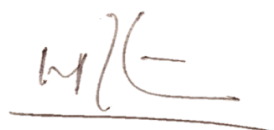

This release has been approved by the SciDev board.
