Retraction of Announcements

The ANO Board requests that if we can't agree, we retract all announcements since 16 March 2020, except for the patent application, ANO Business Update 26 March 2020 and the Appendix 3Y, from the ASX platform and have the suspension lifted.

The ANO Board advises that patent application #2020900820 was filed on 17 March 2020 with joint 50 / 50 ownership between Advance NanoTek Limited and Astivita Limited. There is not likely to be any material positive impact on sales with this patent application #2020900820 in FY20.
