Retraction of Announcements

The AIR Board requests that if we can't agree, we retract all announcements since 16 March 2020, except for the patent application and Business Update to Shareholders 26 March 2020, from the ASX platform and have the suspension lifted.

The AIR Board advises that patent application #2020900820 was filed on 17 March 2020 with joint 50 / 50 ownership between Astivita Limited and Advance NanoTek Limited. There is not likely to be any material positive impact on sales with this patent application #2020900820 in FY20.
