About FirstWave Cloud Technology Limited (FirstWave)

Leading Australian headquartered global cloud security technology company, FirstWave, has delivered Security as a Service (SaaS) solutions since 2004. FirstWave provides safety through the most accessible and adaptive cloud-based cyber-security solutions that are affordable, easy and fast to implement enabling SaaS. Its unique proprietary cloud-platform orchestration is available for service providers and enterprises of any size, anywhere. In an increasingly vulnerable digital world, FirstWave believes that safe business is good business and that all companies should have access to enterprise-quality cyber-security. FirstWave's infrastructure, management and security processes are certified to ISO 27001 Information Security Management System Standard and ISO 9001 Quality Management System Standard.
