**About Aguia:**

*Aguia Resources Limited, ("Aguia") is an ASX listed company whose primary focus is on the exploration and development of mineral resource projects in Brazil including copper and phosphate. Aguia has an established and highly experienced in-country team based in Rio Grande State, Southern Brazil. Aguia has multiple copper targets. It has recently undertaken extensive geophysical analysis and is awaiting the results of recent copper drilling. Aguia is also in the pre-production stage of a low-cost natural phosphate fertiliser project which is the subject of its recently released Scoping Study. It is expected to be operational in early 2022.*
