Rio Tinto Indicates Southland Smelter Review is Ongoing

20 April 2020

Included in Rio Tinto's first quarter production results, released on Friday 17 April 2020 (British Summer Time), the Smelter owners indicated the Strategic Review of its New Zealand operations is ongoing.

A copy of Rio Tinto's first quarter production results can be found here:

www.riotinto.com/invest/financial-news-performance

Meridian will provide an update to the market following any further update from Rio Tinto on the Strategic Review.
