Dear Lin

Aguia Resources Limited – Request for voluntary suspension

Aguia Resources Limited (**Aguia**) refers to its request for back-to-back trading halts dated 14 April 2020 and to the trading halts granted by ASX in response.

Aguia requests that its shares be placed in voluntary suspension with immediate effect. For the purposes of ASX Listing Rule 17.2 and in support of its request Aguia provides the following information:

- a) **Reason for voluntary suspension:** Aguia is currently considering a capital raising and is not yet in a position to make an announcement regarding this matter. Aguia considers it appropriate that it enters into a voluntary suspension so that it can manage its continuous disclosure obligations and to avoid the market trading in Aguia shares on a basis that is not reasonably informed.
- b) **Duration of the voluntary suspension:** Aguia requests that the voluntary suspension remain in place until Aguia releases an announcement to the market in relation to the above matter. Aguia currently expects that the voluntary suspension would be required for two trading days.
- c) **Termination of the voluntary suspension:** Aguia anticipates that the voluntary suspension will cease upon it making an announcement to the market in relation to the above matter.
- d) **No reason:** Aguia is not aware of any reason why the voluntary suspension should not be granted by ASX.
- e) **Further information:** Aguia is not aware of any reason why its securities should not be temporarily suspended or any other information necessary to inform the market about the requested voluntary suspension.

Yours sincerely

Sarah Prince
